PUBLIC NOTICE NO. 01/2024-25

Sub: Procedure for uploading license details, Installation certificate, First Block Export Obligation, EODC details and documents on Export promotion Monitoring and Analysis System (X-MAS)-reg.

Towards improving Ease of Doing Business (EODB), a need has been felt for contactless and paperless facility for entering/uploading details/documents in case of authorisation/licenses under Advance Authorisation (AA) and Export Promotion Capital Goods (EPCG) schemes. Accordingly, a new software named X-MAS has been developed at Custom House, Mundra for license monitoring wherein the license holder can though online mode:

- Register their licenses;
 - Submit Installation Certificate and completion of First Block Export Obligation (For EPCG Licenses)
 - Submit EODC and documents for cancellation of licenses; and
 - Check the status of licenses registered at CUSTOM HOUSE MUNDRA
2. The procedure for use of this software is specified below:

LINK:

The link to the software is available on the CUSTOM HOUSE MUNDRA website. The Authorisation Holder or their authorised Customs Broker may click on the link for entering/uploading the details/documents.

PROCEDURE FOR LICENSE REGISTRATION

Note-

1. The email id and mobile number should be of the company on which regular updates can be sent.
2. In case of any deficiency, the application will be sent back to the exporter and an email intimating the deficiency is also sent. The application is required to be resubmitted after rectifying the deficiency.
3. Physical verification of Bond and BG to continue, as this software is not integrated with ICEGATE.

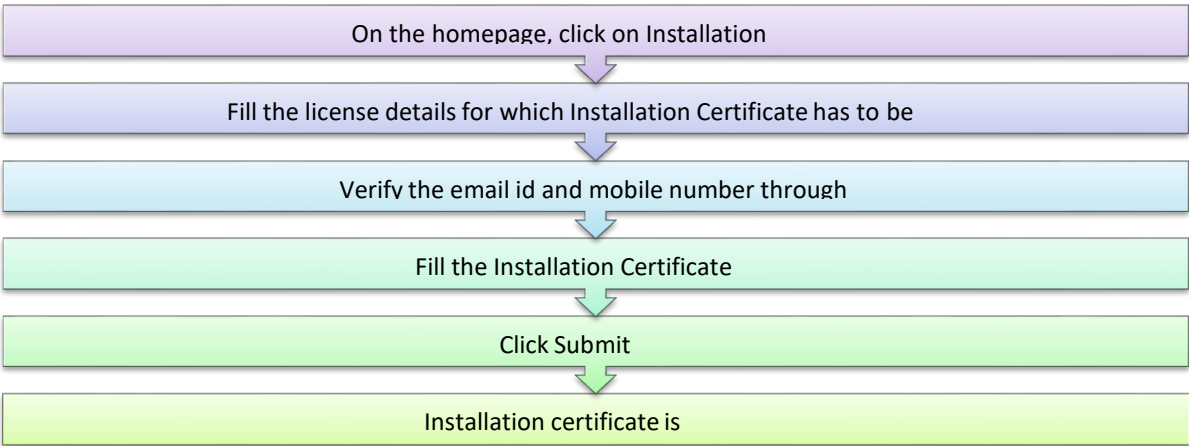

B. INSTALLATION CERTIFICATE:

The authorisation holders (EPCG) who have to submit the Installation Certificate may directly click on “Installation Certificate” menu and fill up requisite information and upload the Installation Certificate after verification through the E mail id and mobile number. If the email id/ mobile number is not already registered, the Authorisation Holder will be prompted to update and verify the email/mobile.

On clicking the Installation Certificate menu, the following page opens-

The screenshot shows the 'Installation Certificate' form within the X-MAS system. The left sidebar contains navigation links: License Registration, Installation Certificate (highlighted), Export Obligation First Block, EODC Details, and View Your Licences. The main form area includes fields for License Number, Email ID (Company Email ID), and Mobile No., each with a 'Verified' status indicator. Below these is a note for authorized holders to check their email/mobile number and submit the correct OTP. The form also includes a dropdown for 'Installation Certificate Issued By', a text field for 'Installation Certificate Number', a date field, and a text field for 'Address of Factory'. On the right, there is an 'Upload Doc' section with a 'Choose File' button and a text field for 'Installation Certificate Remarks'. At the bottom right, there is a field for 'GST/Central Excise/Customs'. A 'Submit' button is located at the bottom left of the form.
