ORDER-IN-APPEAL

Appeal has been filed by Shri Gaurav Sahay, B-15, U.S. Villa Swaminarayan Nagar, Mundra, Kutch, Gujarat-370421, (hereinafter referred to as the 'Appellant') in terms of Section 128 of the Customs Act, 1962, challenging the Order-in-Original nos. MCH/ADC/AKM/175/2024-25 dated 25.10.2024 (hereinafter referred to as 'the impugned order') issued by the Additional Commissioner, Customs, Mundra (hereinafter referred to as 'the adjudicating authority') .

2. Facts of the case, in brief, are that the present case involves an intricate and wide-ranging investigation conducted by the Directorate of Revenue Intelligence (DRI), Gandhidham, which unearthed a large-scale, highly organized smuggling cartel operating through the Mundra Port. The investigation revealed that a common group of persons had established a sophisticated, multi-layered syndicate designed specifically to exploit the regulatory relaxations and procedural flexibilities inherent in the Special Economic Zone (SEZ) to Domestic Tariff Area (DTA) clearance mechanism. This syndicate was created for the primary purpose of importing prohibited and restricted goods—specifically high-value foreign-brand electronic cigarettes and various types of toys requiring mandatory Bureau of Indian Standards (BIS) compliance—by resorting to gross and calculated mis-declaration of description, quality, quantity, and value. While the broader investigation covered a staggering 18 import consignments involving eight different importers, the specific subject of this adjudication is the consignment imported in the name of M/s. M.M. Enterprises (IEC: BMEPM3625G) covered under DTA Bill of Entry No. 2012895 dated 26.08.2022.

2.1 The genesis of the case lies in specific, actionable intelligence gathered by the DRI suggesting a systematic and predatory abuse of the "self-assessment" and "trusted trader" schemes that underpin modern customs operations within the SEZ. The intelligence indicated that a smuggling cartel was utilizing front companies to move prohibited contrabands into the domestic market. Analysis of system data revealed that Vehicle No. GJ12BV0610 was carrying the import consignment imported through Container No. TLLU4615592. Acting swiftly upon this intelligence, DRI officers,

in coordination with the Surat Regional Unit, intercepted the truck near Palsana Chokdi on the National Highway on 01.09.2022.

2.2 The vehicle was found to be carrying Container No. TLLU4615592, which had been cleared from the SEZ Warehouse Unit of M/s. Empezar Logistics, Mundra, and was supposedly destined for a godown in Bhiwandi. Upon interception, the driver, Shri Chuna Singh Rawat, was questioned regarding the nature of the cargo. The preliminary inquiry and the recovery of incriminating documents from the driver—including e-way bills featuring unrelated entities—corroborated the intelligence that the container did not merely contain the declared items but was a vessel for contraband. Given the complexity of the concealment, the vehicle was escorted to ICD Sachin, where DRI officials requested the assistance of mechanical labor and equipment to de-stuff the entire container for an exhaustive examination in the presence of two independent arbitrators (Panchas). During the process, a person named Mr. Parvez Alam arrived at ICD Sachin, introducing himself as the representative of the actual buyers, Shri Mohammad Asif Sathi and Shri Sarfaraj Kamani, confirming the syndicate's oversight of the transit.

2.3 The rigorous examination of the impugned goods at ICD Sachin was conducted under Panchnamas dated 01/02.09.2022 and 19.10.2022. This process revealed a masterclass in smuggling techniques. Amidst the declared cargo of "Head Massagers" and "Exercise Books," officers recovered 107 cartons marked with the brand "DK123 XXL." Upon opening these cartons, they discovered a total of 85,600 pieces of electronic cigarettes of the "Yuoto" brand. These were found in a wide array of flavors clearly designed to appeal to younger demographics, including Strawberry Watermelon, Two Apples, Blueberry Ice, Watermelon Ice, Peach Ice, Mint Ice, Grape Ice, Energy Drink, Mango Ice, Pina Colada, Aloe Black Currant, Passion Fruit, Milk, and Coffee. These goods, falling under CTH 85434000, are strictly prohibited for import in terms of DGFT Notification No. 20/2015-2020 dated 26.09.2019 and the Prohibition of Electronic Cigarettes Act, 2019.

2.4 Furthermore, the examination revealed 89,000 pieces of silicon "Pop up" toys falling under CTH 9503. These items were imported in direct violation of Policy Condition 2 of Chapter 95 of the Customs Tariff. This policy mandates that all imported toys conform to rigorous BIS standards, including IS: 9873 Part 1 (Safety aspects related to mechanical and physical properties), Part 2 (Flammability), and Part 3 (Migration of certain elements). The importer

failed to produce any valid BIS compliance certificates, rendering the toys "prohibited goods" under Section 2(33) of the Customs Act, 1962. The examination also found excess quantities of declared items, such as 240 additional Head Massagers and 1,364 Exercise Books. These "filler" goods were strategically used to pad the container, ensuring that the prohibited items remained shielded from the container doors and providing a facade of legitimacy during any casual visual inspection at the port or SEZ gate.

2.5 The investigation into the role and culpability of the noticees revealed a deep-rooted conspiracy characterized by a high degree of planning and division of labor. M/s. M.M. Enterprises, through its proprietor Shri Mohammed Tahir Hanif Menn, acted as a willing front for the syndicate. Shri Tahir Menn admitted that he allowed the smuggling cartel led by Shri Mohammad Asif Sathi to use his firm's IEC and bank accounts in exchange for "rental" monetary benefits ranging from Rs. 15,000 to Rs. 50,000 per consignment. To further insulate the mastermind from detection, Shri Tahir Menn facilitated the creation of dummy firms like M/s. J.H. Enterprises in the names of domestic workers, such as Shri Juma Hamir Halepotra, demonstrating the predatory nature of the syndicate's recruitment.

2.6 A critical aspect of the syndicate's modus operandi was the "crossing" operation, a tactical maneuver designed to disrupt the surveillance of enforcement agencies. After a container was cleared from the Mundra SEZ, the syndicate would monitor its movement in real-time via "Wheelseye" tracking links. To evade detection by agencies tracking e-way bills or container numbers, the syndicate would arrange for the "crossing" of goods at intermediate locations like Navsari or Surat. This involved transloading the contraband from the original container into secondary vehicles, effectively breaking the digital and physical trail between the port of entry and the final destination. In the present case, Shri Parvej Alam was dispatched specifically to oversee this transloading just before the vehicle was tactically intercepted.

2.7 During the investigation, it was revealed that the smuggling cartel had utilized the IEC of M/s. M.M. Enterprises for successful importations in the past. Shri Tahir Menn, Shri Asif Sathi, and Shri Parvez Alam all confirmed in their voluntary statements that a total of 265 cartons (comprising 125 and 140 cartons respectively) had been imported in July and August 2022. These consignments contained approximately 212,000 pieces of electronic cigarettes. Although these goods had already been disposed of in the domestic market and

were not available for physical seizure, the Adjudicating Authority held them liable for confiscation under Section 111, noting that the proceeds of these past crimes were laundered through the same dummy accounts.

2.8 The individual roles in this well-oiled machinery were established through various voluntary statements recorded under Section 108:

- a. Shri Mohammad Asif Sathi (The Mastermind): Sathi was the architect and financier of the racket. He coordinated directly with overseas suppliers in China (such as "Mrs. Shelly") and finalized deals through firms like "AH International Trading Co." and "HK Longcheng Trade Co." He managed the financial trail, collecting cash from domestic purchasers and depositing it into dummy firm accounts to facilitate outward remittances, thereby bypassing legitimate forex regulations.
- b. Shri Mohammed Tahir Menn (The Facilitator): As the proprietor of M.M. Enterprises, he lent the "credibility" of a local business to the cartel. He introduced Shri Baldevsinh to Sathi to handle port-side logistics and was actively involved in monitoring the location of trucks via shared GPS links. He admitted that his firm never conducted any actual business in the goods imported but served merely as a conduit for Sathi's contrabands.
- c. Shri Sarfaraj Kamani (The Associate): A close partner of Sathi, Kamani was involved in the loading phase in China and was identified as a joint owner of the Bhiwandi godowns. Evidence confirmed his participation in planning the import of counterfeit goods and mobile phone accessories infringing the Intellectual Property Rights (IPR) of brands like Vivo, Oppo, and Realme.
- d. Shri Baldevsinh Vala (The Logistical Operative): Operating through M/s. Kalpana Exim, Vala was the operative who manipulated the shipping documents and invoices provided by the overseas suppliers. For ensuring the smooth clearance of prohibited items, he charged Sathi a premium of approximately Rs. 17 Lakhs per container—a fee far exceeding any legitimate forwarding commission.
- e. Shri Samir Sharma (The Customs Broker): A G-Card holder of M/s. Al Cargo Services, Sharma misused the SEZ Online portal's sub-login functionality. He filed the Bills of Entry despite knowing that the descriptions were false. To facilitate the exit of the trucks from the SEZ gate, he submitted e-way bills featuring unrelated parties, ensuring the actual destination remained masked.

2.9 The investigation also highlighted gross professional negligence on the part of the then-Preventive Officer, Shri Vipin Sharma. Charged with the statutory duty to verify the physical cargo against the invoice, Sharma submitted an examination report stating he had "inspected the lot." The subsequent seizure of nearly 175,000 units of prohibited or un-declared cargo from that very container proved that no meaningful physical examination was ever performed. This "casual approach" provided the syndicate with a virtual "green channel," directly enabling the entry of prohibited contrabands that pose a risk to national health and child safety.

2.10 Under the Customs Valuation Rules (CVR), 2007, the Adjudicating Authority rejected the transaction values declared in Bill of Entry No. 2012895. Rule 12 was invoked because the significant mis-declaration rendered the declared values—and the associated invoices—fraudulent. Consequently, the value was re-determined using the "Best Judgment Method" under Rule 9. A government-approved Chartered Engineer assessed the market price of the seized goods at approx. Rs. 21.67 Crores, compared to a declared value of approx. Rs. 4.43 Lakhs.

2.11 On the basis of the investigation, Show Cause Notice dtd. 31.08.2023 was issued to the appellant and other persons. Consequently, the Adjudicating Authority passed the following order in respect of the appellant.

IN RESPECT OF GOODS IMPORTED AND CLEARED THROUGH BILL OF ENTRY NO. 2012895 DT. 26.08.2022:

- (I) He imposed penalty of Rs. 7,00,000/- upon the appellant under Section 112(a)(i) of the Customs Act, 1962.
- (II) He imposed penalty of Rs. 5,00,000/- upon the appellant under Section 114AA of the Customs Act, 1962.

SUBMISSIONS OF THE APPELLANT:

3. Being aggrieved with the impugned order, the Appellant has filed the present appeal against the order passed by the Additional Commissioner, Customs, Mundra. The Grounds of Appeal are not reproduced in detail for sake of brevity, as the copy of the same is available with the Appellant as well

Respondent. However, the same have been examined and the brief is as under:

3.1 The appellant first contends that the impugned order is a non-speaking order passed in violation of the principles of natural justice. It is argued that the Additional Commissioner relied solely on the department's investigation without conducting an independent inquiry or considering the statements made by the appellants. Furthermore, the appellant asserts that the Show Cause Notice (SCN) is built upon mere assumptions and presumptions rather than concrete evidence, relying heavily on data from WhatsApp chats and statements allegedly recorded under pressure.

3.2 A significant portion of the appeal challenges the reliability of confessional statements, claiming they were obtained through threat, force, and coercion. The appellant cites various judicial precedents to argue that an uncorroborated statement cannot be the sole basis for a finding of clandestine removal. It is argued that such confessions are "weak evidence" and must be supported by substantive proof, such as evidence of unaccounted raw materials, excess electricity consumption, or secret cash transactions—none of which were established in this case.

3.3 The appellant also highlights a procedural violation of Section 138B of the Customs Act, which mandates that the person making a statement must be examined as a witness before that statement can be admitted as evidence. The appellant argues that since the witnesses were available and not dead or missing, the department's failure to produce them for cross-examination renders their statements inadmissible. Denying the right to cross-examine witnesses who provided the basis for the order is described as a "serious flaw" that makes the order a nullity.

3.4 Regarding digital evidence, the appellant submits that printouts from WhatsApp and seized mobile phones are not cogent evidence in the absence of corroborative material. Citing several High Court and Supreme Court decisions, the appellant argues that data retrieved from electronic devices like pen drives is unreliable for proving clandestine removal without further investigation into the authenticity of the data. It is noted that the department failed to investigate the actual source of the goods or verify the details with alleged buyers.

3.5 Finally, the appellant disputes the imposition of penalties under Sections 112 and 114AA of the Customs Act. It is argued that the appellant acted in bona fide belief and good faith, with no intent to defraud the revenue or disregard statutory obligations. The appellant asserts that the department failed to prove "knowledge" or "intentional" use of false documents, which is a prerequisite for such penalties. Consequently, the appellant prays for the impugned order to be set aside in its entirety.

PERSONAL HEARING:

4. Personal hearing was granted to the Appellant on 18.12.2025 following the principles of natural justice wherein Ms Madhu Jain, Advocate, appeared for the hearing and re-iterated the submissions made at the time of filing the appeal.

DISCUSSION AND FINDINGS:

5. I have carefully gone through the case records, impugned order passed by the Additional Commissioner, Customs, Mundra and the defense put forth by the Appellant in their appeal.

5.1 The Appellant has vehemently contested the reliance placed by the Adjudicating Authority on the statements recorded under Section 108 of the Customs Act, 1962, and the digital evidence extracted from WhatsApp. The Appellant's primary contention is that the statements were "coerced" and subsequently retracted, and that the digital evidence lacks the requisite certification under Section 138C.

5.2 Under the Customs Act, Section 108 empowers a Gazetted Officer of Customs to summon any person to give evidence or produce a document. These proceedings are deemed to be "judicial proceedings" within the meaning of Section 193 and Section 228 of the Indian Penal Code. Unlike statements made to police officers, which are restricted by Section 25 of the Evidence Act, statements made to Customs Officers are admissible as substantive evidence. The Hon'ble Supreme Court, in the landmark case of Ramesh Chandra Mehta vs. State of West Bengal [1970 (2) SCC 166], clarified that a Customs Officer is not a "police officer" and therefore, a confession made before him is not hit by the exclusionary rule. In the present case, the Appellant's statement was

recorded in a structured manner, and more importantly, it was corroborated by the statements of co-accused:

- Shri Tahir Menn: Who explicitly stated that he paid ₹1,00,000/- to the Appellant for "documentary coordination."
- Shri Asif Sathi: Who identified the Appellant as the person responsible for arranging "dummy IECs".

5.3 The Appellant's claim of "coercion" is a standard defense often used to circumvent the implications of a voluntary disclosure. However, as held in *K.I. Pavunny vs. Assistant Collector of Central Excise* [1997 (3) SCC 721], even a retracted confession can form the basis of a decision if it is corroborated by other independent evidence. In this instance, the "other evidence" is the physical seizure of E-cigarettes and the digital footprints left by the Appellant in the

5.4 The investigation revealed that Shri Gaurav Sahay was not a mere bystander. He managed the Bills of Lading (BL) and instructed on what "Notify Party" should be mentioned to avoid detection. He received substantial payments (₹1,00,000/-) for his "coordination" work. Such acts clearly constitute abetment of smuggling. Section 112(a) of the Customs Act penalizes any person who "abets the doing or omission of any act" that renders goods liable to confiscation. Furthermore, Section 114AA is triggered when a person knowingly uses "false or incorrect" documents. Since the Appellant managed BLs that omitted the mention of E-cigarettes (prohibited items), his liability under Section 114AA is fully established.

5.5 The smuggling of E-cigarettes is a serious violation of the Prohibition of Electronic Cigarettes Act, 2019 and DGFT Notification No. 20/2015-2020. The Appellant was an integral part of the logistics and documentation arm of the smuggling cartel. His actions were deliberate, aimed at evading prohibitions and defrauding the exchequer. The findings of the Adjudicating Authority regarding the Appellant's role are well-supported by the evidence on record. The penalties imposed are proportionate to the gravity of the offence

6. In view of the detailed discussion and findings recorded above, I find no merit in the appeal filed by Shri Gaurav Sahay. The Adjudicating Authority has correctly established the nexus, the knowledge, and the active participation of the Appellant in the smuggling syndicate. The findings in Order-in-Original No. MCH/ADC/AKM/175/2024-25 dated 25.10.2024 are upheld in their entirety.

7. The Appeal filed by Shri Gaurav Sahay is rejected.
