BRIEF FACTS OF THE CASE

M/s. Madhuvan Metal Corporation, B/31/1, Zaveri Industrial Estate, Kathwada Gam Road, Kathwada, Ahmedabad-382430 (IEC: 0899000576) (hereinafter referred to as the 'Importer'), have imported following consignments of metallic Scrap from M/s. Falcon Metal FZE, Executive Office Building BI-308, Azman Free Zone, UAE as detailed in Table-A, below and for clearance thereof, filed Bills of Entry detailed in Table-B, Below through Customs Brokers mentioned against respective Bills of Entry.

Table-A

Sr. No.	Bills of Lading	Description of goods	Qty. (Kgs)	Invoice
1	MEDUB3064780 dated 08.09.2026	Aluminium Scrap Talk as per ISRI	14,655	MM-260924 dated 24.09.2026

3.	3990321 dated 24.09.2026	12,910	90,047.25	M/s Ribhus International Pvt Ltd

2. However, before doing goods registration in above Bill of Entries, the Importer approached Customs vide letters dated 25.09.2026 informing that the above consignments have been imported without Pre-shipment Inspection Certificates and requested to have their consignments inspected by DGFT approved Pre-Shipment Inspection Agency.

3. Imports into India and exports out of India are regulated by Foreign Trade Policy notified by Government of India under Section 5 of the Foreign Trade (Development & Regulation) Act, 1992, as amended. Procedures to be followed by an exporter or importer or by any Licensing/Regional Authority or by any other authority for purposes of implementing provisions of FT (D&R) Act, and FTP are contained in Handbook of Procedures issued by Director General of Foreign Trade

(DGFT) under Para 1.03 of FTP. Further, Para 2.32 of Foreign Trade Policy (FTP for short) read with Para 2.51 of Handbook of Procedures, requires that any consignment of any form of metallic waste or scrap coming to India is subjected to Inspection by a Pre-Shipment Inspection Agency, notified for the purpose by Directorate General of Foreign Trade, for confirming that the consignment does not contain hazardous, toxic waste, radioactive contaminated waste/scrap containing radioactive material, any types of arms, ammunition, mines, shells, live or used cartridge or any other explosive material in any form either used or otherwise. Para 2.32 of FTP and relevant clauses of Para 2.51 of Handbook of Procedures are reproduced below.

Para 2.32 of Foreign Trade Policy:
Import of any form of metallic waste, scrap will be subject to the condition that it will not contain hazardous, toxic waste, radioactive contaminated waste/scrap containing radioactive material, any types of arms, ammunition, mines, shells, live or used cartridge or any other explosive material in any form either used or otherwise as detailed in Para 2.51 of Handbook of Procedures.

Para 2.51 (d) of Handbook of Procedures (which deals with Scrap in un-shredded from)

(d) Import of un-shredded compressed and loose form of metallic waste, scrap shall be subject to the following conditions: -

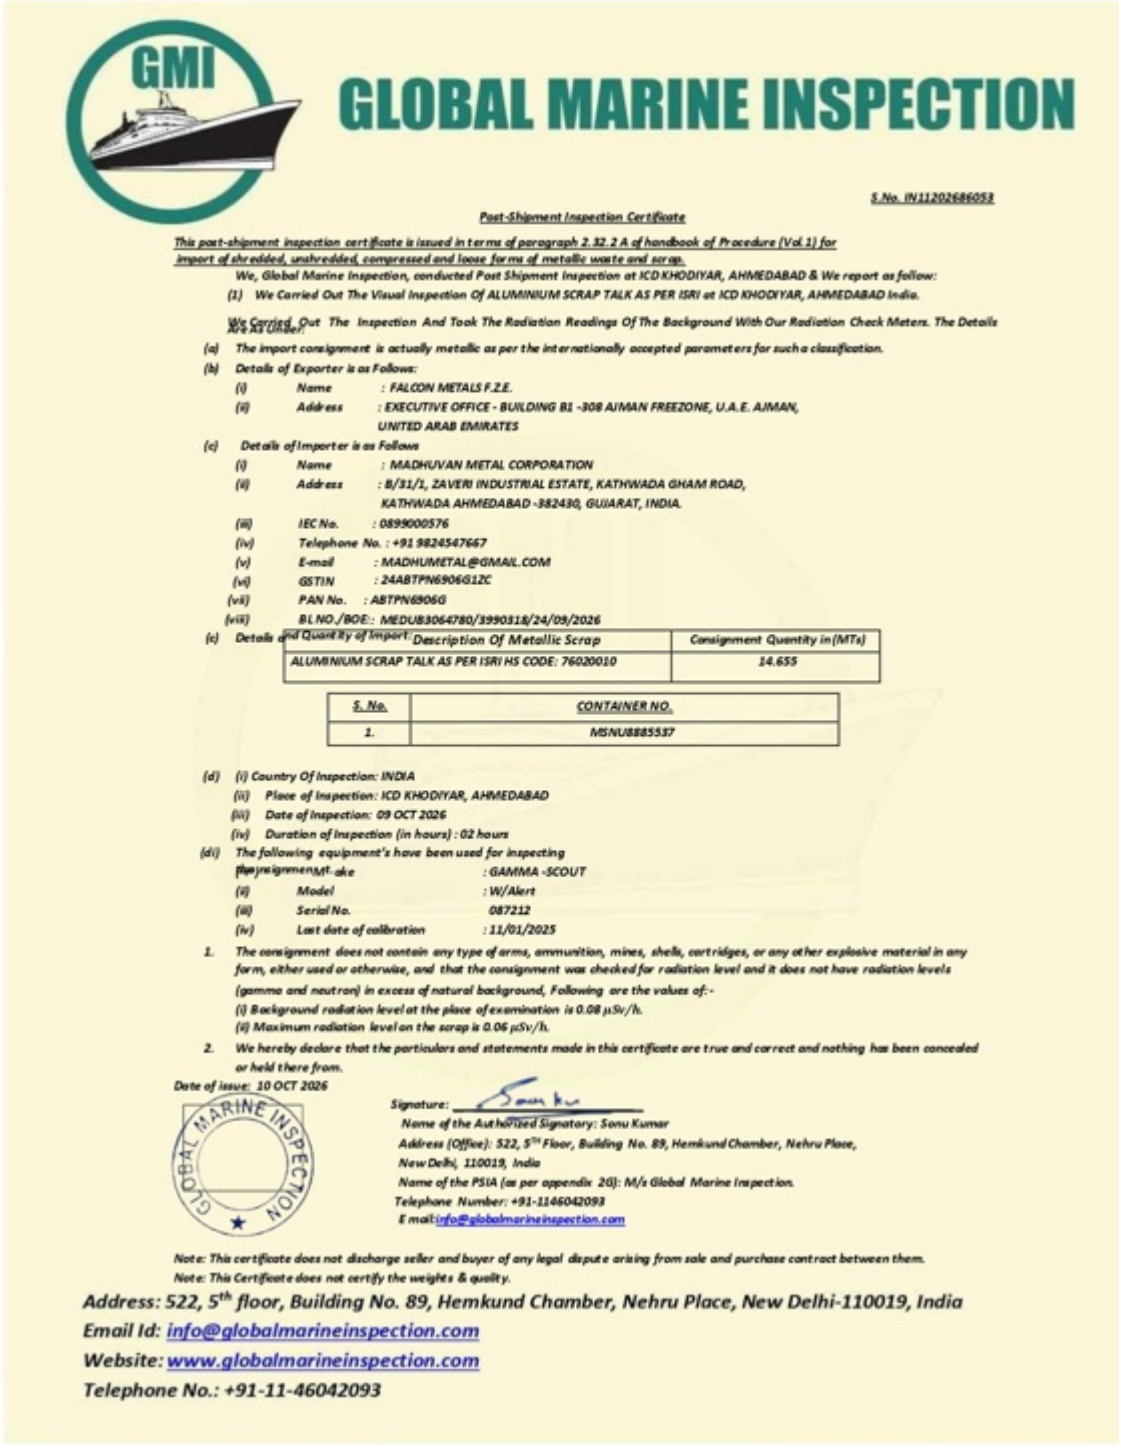

(i) At the time of the clearance of goods, importer shall furnish to the Customs pre-shipment inspection certificate as per the format in Appendix 2H from any of the Inspection& Certification agencies given in Appendix-2G to the effect that the consignment does not contain any type of arms, ammunition, mines, shells, cartridges, or any other explosive material in any form either used or otherwise, and that the consignment was checked for radiation level and it does not contain radiation level (gamma and neutron) in excess of natural background. The certificate shall give the value of background radiation level at that place as also the maximum radiation level on the scrap.

4. Therefore, provisions of Para 2.32 of FTP and Para 2.51 (d)(i) of Handbook of Procedures (HBoP make it clear that any metallic scrap being imported into India is required to be inspected for presence of arms / ammunition and radioactive contaminated waste before shipment into India and the Importer has to produce A certificate in prescribed format (Appendix 2H) confirming these facts. The agencies which can carry out such inspections are notified by DGFT in Appendix G to HBoP.

5. Since, goods covered under Bills of Lading listed in Table 1 above have been imported into India without the valid PSIC certificates, the impugned goods are liable for confiscation under Section 111(d) of the Customs Act, 1962, for having been imported in contravention of Provisions of Foreign Trade (Development & Regulation) Act, 1992 read with relevant provisions of FTP and HBoP. Further, since the Importer M/s. Madhuvan Metal Corporation, B/31/1, Zaveri Industrial Estate, Kathwada Gam Road, Kathwada, Ahmedabad-382430 have failed to follow procedure prescribed, under Foreign Trade Policy, for import of metallic scrap, they have rendered the goods liable for confiscation under Section 111 (d) and are thus liable for penalty under Section 112(a) (i) of the Customs Act, 1962.

6. As per request of the Importer vide letters dated 25.09.2026, the goods were allowed to be inspected by PSIA post import and first check examination by Customs was conducted. The consignments have been inspected by PSIA M/s. Global Marine Inspection in ICD Khodiyar and as per PSIC issued by said PSIA the import consignments are, inter alia, found free from arms / ammunition and radiation levels are within normal limits.

GLOBAL MARINE INSPECTION

S.No. IN11202686053

Post-Shipment Inspection Certificate

This post-shipment inspection certificate is issued in terms of paragraph 2.32.2 A of handbook of Procedure (Vol.1) for import of shredded, unshredded, compressed and loose forms of metallic waste and scrap.

We, Global Marine Inspection, conducted Post Shipment Inspection at ICD KHODIYAR, AHMEDABAD & We report as follow:

(1) We Carried Out The Visual Inspection Of ALUMINIUM SCRAP TALK AS PER ISRI at ICD KHODIYAR, AHMEDABAD India.

We Carried Out The Inspection And Took The Radiation Readings Of The Background With Our Radiation Check Meters. The Details Are As Under:

(a) The import consignment is actually metallic as per the internationally accepted parameters for such a classification.

(b) Details of Exporter is as Follows:

(i) Name : FALCON METALS F.Z.E.

(ii) Address : EXECUTIVE OFFICE - BUILDING B1 -308 AJMAN FREEZONE, U.A.E. AJMAN, UNITED ARAB EMIRATES

(c) Details of Importer is as Follows

(i) Name : MADHUVAN METAL CORPORATION

(ii) Address : B/31/1, ZAVERI INDUSTRIAL ESTATE, KATHWADA GHAM ROAD, KATHWADA AHMEDABAD -382430, GUJARAT, INDIA.

(iii) IEC No. : 0899000576

(iv) Telephone No. : +91 9824547667

(v) E-mail : MADHUMETAL@GMAIL.COM

(vi) GSTIN : 24ABTPN6906G1ZC

(vii) PAN No. : ABTPN6906G

(viii) BL NO./BOE: MEDUB3064780/3990318/24/09/2026

(c) Details and Quantity of Import:

Description Of Metallic Scrap	Consignment Quantity in (MTs)
ALUMINIUM SCRAP TALK AS PER ISRI HS CODE: 76020010	14.655

S. No.	CONTAINER NO.
1.	MSNU8885537

(d) (i) Country Of Inspection: INDIA

(ii) Place of Inspection: ICD KHODIYAR, AHMEDABAD

(iii) Date of Inspection: 09 OCT 2026

(iv) Duration of Inspection (in hours) : 02 hours

(d\i) The following equipment's have been used for inspecting the consignment:

(i) Make : GAMMA -SCOUT

(ii) Model : W/Alert

(iii) Serial No. 087212

(iv) Last date of calibration : 11/01/2025

1. The consignment does not contain any type of arms, ammunition, mines, shells, cartridges, or any other explosive material in any form, either used or otherwise, and that the consignment was checked for radiation level and it does not have radiation levels (gamma and neutron) in excess of natural background, Following are the values of:-
(i) Background radiation level at the place of examination is 0.08 μSv/h.
(ii) Maximum radiation level on the scrap is 0.06 μSv/h.

2. We hereby declare that the particulars and statements made in this certificate are true and correct and nothing has been concealed or held there from.

c. BoE 3990321 dated 24.09.2026

The Customs examination has also found the goods as per declared description. The Importer has also provided copies of Sales Contracts dated 19.08.2026 in respect of the impugned consignments which, inter alia, contain the Aluminum Scrap Talk as per ISRI.

RECORD OF PERSONAL HEARING AND SUBMISSION OF IMPORTER

7. Importer vide letters dated 25.09.2026 had, inter-alia, conveyed their

willingness to pay any penalty / fine and requested for waiver of Show Cause Notice and Personal Hearing. However, in order to ensure compliance with the principles of natural justice, a personal hearing was granted to the noticee despite the request for waiver of Show Cause Notice and personal hearing. Accordingly, Shri Madhusudhan Nyati, Proprietor of M/s. Madhuvan Metal Corporation, attended the personal hearing held on 14.10.2026 and reiterated the submissions furnished earlier vide letters dated 25.09.2026.

DISCUSSION AND FINDINGS

8.1 I have carefully gone through the facts of the case . I find that M/s. Madhuvan Metal Corporation, B/31/1, Zaveri Industrial Estate, Kathwada Gam Road, Kathwada, Ahmedabad-382430 (details as per Table -A) and for custom clearance thereof, three Bills of Entry (as detailed in Table -B) have been filed. However, instead of proceeding for customs clearance, the Importer approached Customs, informing that the consignment of metallic scrap have been imported without Pre Shipment Inspection Certificate due to procedural and system-related constraints at load port.

8.2 I find that the provisions of Foreign Trade Policy (Para 2.32) read with Handbook of Procedures (Para 2.51) quoted in foregoing paras make it clear that consignments of metallic scrap have to be inspected by a Pre-Shipment Inspection Agency in the country of export itself for confirming that it does not contain hazardous, toxic waste, radioactive contaminated waste/scrap containing radioactive material, any types of arms, ammunition, mines, shells, live or used cartridge or any other explosive material. Para 2.5 1 (d) (v)(vi) of HBoP makes it more clear, which states "Import consignments of metallic waste and scrap shall be subject to pre-shipment inspection certificate (PSIC) from the country of origin.

8.3 The importer even though have voluntarily informed the fact of consignments not being accompanied by PSIC and the consignment upon post import inspection at ICD Khodiyar by PSIA have been found to be free from arms / ammunition / radioactive material, the provisions of Foreign Trade (Development & Regulation) Act, 1992 read FTP and HBoP have been contravened by the Importer by importing of metallic scrap into India without accompanied by valid PSIC. As such, I find that the subject import goods, are liable for confiscation under Section 111 (d) of the Customs Act, 1962. The failure to follow procedure prescribed, under Foreign Trade Policy, for import of metallic scrap, is a clear omission on part of the Importer M/s. Madhuvan Metal Corporation, Therefore, M/s. Madhuvan Metal Corporation are liable for penalty under Section 112 (a)(i) for having rendered the goods liable for confiscation. However, I find that the Importer did not intend to clear the consignments without prescribed inspection by PSIA and I also find that for this procedural breach the importer had voluntarily informed the fact to Customs Department. The requirement of FTP & HBoP have also been met after completion of post import inspection of goods by PSIA. The Importer vide letters dated 25.09.2026 has also provided copy of Sales Contracts in respect of the impugned consignments which, inter alia, contain the Aluminum Scrap Talk as per ISRI. In light of these facts I am inclined to be lenient in imposing fine and penalty on the Importer.

9. Accordingly, I pass the following order:

ORDER

i. I order for confiscation of the impugned goods i.e. 14655 Kgs Aluminium Scrap Talk valued at Rs. 98,94,763/-, 27980 Kgs Aluminium Scrap Talk valued at Rs. 1,88,91,536/- and 12,910 Kgs Aluminium Scrap Talk valued at Rs. 87,16,573/- sought clearance under Bill of Entry No. 3990318 dated 24.09.2026, Bill of Entry No. 3933893 dated 22.09.2026 and Bill of Entry No. 3990321 dated 24.09.2026, respectively (details as per Table-A and B above) under Section 111(d) of the Customs Act, 1962. However, I give the importer an option under provision of Section 125(1) of the Customs Act, 1962, to redeem the said goods on payment of redemption fine of **Rs. 50,000 /- (Rupees Fifty Thousand only), Rs. 1,00,000 /- (Rupees One Lakh only) and Rs. 45,000 /- (Rupees Forty Five Thousand only)** i.r.o. Bill of Entry No. 3990318 dated 24.09.2026, Bill of Entry No. 3933893 dated 22.09.2026 and Bill of Entry No. 3990321 dated 24.09.2026, respectively**.**

ii. I impose a penalty of **Rs. 10,000 /- (Rupees Ten Thousand only), Rs. 10,000 /- (Rupees Ten Thousand only) and Rs. 10,000 /- (Rupees Ten Thousand only)** i.r.o. Bill of Entry No. 3990318 dated 24.09.2026, Bill of Entry No. 3933893 dated 22.09.2026 and Bill of Entry No. 3990321 dated 24.09.2026, respectively, on Importer M/s. Madhuvan Metal Corporation, B/31/1, Zaveri Industrial Estate, Kathwada Gam Road, Kathwada, Ahmedabad-382430 (IEC: 0899000576) under Section 112(a)(i) of the Customs Act, 1962.

10. This Order is issued without prejudice to any other action that may be taken against the Importer or other in respect of the imported goods under the provisions of the Customs Act, 1962 or any other law for the time being in force in India .
