Public Notice- 03 /2022**Sub.: Validation of Bank Accounts in the Public Financial Management System (PFMS)
for speedy & smooth disbursement of Drawback Claims – reg.**

Attention of all the exporters, customs brokers, and other stake holders is invited to the Drawback Claims not disbursed due to PFMS account(s) not validated.

2. For the benefit of stakeholders, a one-time drive is being launched by Mundra Customs to address all the issues relating to non-validation of bank account at PFMS level and ensure that the Drawback claims are successfully scrolled out to the stakeholders. A list of all cases requiring validation of bank account details at PFMS level is annexed herewith, and is also available on the website of Mundra Customs, i.e. <https://mundracustoms.gov.in>.

3. The concerned CBs/exporters are requested to go through the list attached and ensure that exporters make an online request for modification/validation of their AD code/ Bank Account(s). The exporters would also have access to a Dashboard to view the status of approval/acceptance of PFMS, for quick rectification at their end. The detailed step-by-step guide is available on the ICEGATE portal at <http://www.icegate.gov.in/Download/Bank Account management Advisory pdf>.

4. For those Drawback claims pending for more than six months due to PFMS account not validated, and no response is received from the Exporters/CHA/other stakeholders within 15 days, the claims will be processed based on available documents. However, the CB/Exporter can file supplementary claim once the claim has been processed based on available documents.

5. Difficulties, if any, may be brought to the notice of Deputy Commissioner of Customs(Drawback) Custom House, Mundra.
