M/s **SAKSHI IMPEX (IEC: 3712002751)** (hereinafter referred to as the 'Importer'),

having their office at OFFICE NO.12, 1ST FLOOR, CORPORATE PLOT NO.102, SECTOR 8, GANDHIDHAM, GANDHIDHAM - 370201, have filed a Bill of Entry No. 5104962 dated 14.10.2025, (hereinafter referred to as the 'said Bill of Entry') through their Customs Broker M/s. Pravin Bhatt & sons. Details of declared Assessable Value and Duty are as below-

1	5104962dated 14.10.2025	Heavy Melting Scrap	10,72,425/-	1,93,037/-

2. During assessment proceedings it was found that PSIC issuing inspection Agency had issued PSIC outside it's Area/Region of operation, making it invalid PSIC as per para 2.52 & 2.53 of the Hand Book of procedure 2023. The PSIC was found to be invalid. Details of PSIC are as under:

Table-B

Sl. No.	Certificate No.	Agency Name	Details of metallic scrap	Country of inspection/place of inspection
1	PSICAIALXX518639AM26	ASIA INSPECTION AGENCY LTD	HEAVY MELTING SCRAP HS CODE- 72044900	ANTIGUA/ST. JOHN'S

3. As per, approved PSIA List uploaded in DGFT website, Area/Region of operation notified to above mentioned agency are mentioned as under:

Sr.no.	Handheld Radiation Survey Meter Unique Number	Country
1	100631	Guinea
2	100632	Kenya
3	100633	Switzerland
4	100634	Myanmar
5	100635	Mozambique
6	100636	Turkey
7	100637	Venezuela

4. Further, As per, Para 2.52 chapter 2 of Hand book of procedures issued by DGFT:

2.52 Recognition as Pre-shipment Inspection Agency (PSIA) and issuance of Pre-shipment Certificate (PSIC)

(a) Applications for recognition in respect of PSIAs have to be made online on DGFT Website (<https://dgft.gov.in>) by payment of applicable fee in terms of Appendix 2K of FTP.

(b) The online applications will be considered by an Inter-Ministerial Committee.

(c) The recognized PSIAs will be notified under Appendix 2G for a period of three years. At the end of 3 years PSIA has to make a fresh online application for further recognition by DGFT.

(d) PSIA shall issue PSIC in the format given in Appendix 2H. PSIA shall generate PSICs using the facility provided on the DGFT website.

(e) A PSIA can also carry out inspections in countries, where it does not have a full-time equipped branch office but which falls within its area of operation, by deputing its Inspectors. However, for such inspections in other countries, the PSIA will be required to give prior intimation to DGFT by sending an email (at psia-travel-dgft@gov.in) and furnishing details of visit / inspection done by the Inspector in PSIC.

(f) The PSIA applicant(s) may submit online application(s) initially without bank guarantee, as required under S.No.9 of ANF-2L. Their applications would not be rejected only on the ground of non-submission of bank guarantee. Applicants would, however, be required to submit bank guarantee or an equivalent financial instrument, before they are notified as PSIA, by the competent authority.

(g) Any application for amendment in instruments and/or areas of operation of the existing PSIA has to be made online on the DGFT website.

5. In view of the above, it is observed that PSIA has to carry out inspections in countries, which falls within its area of operation, by deputing its Inspectors. However, in the instant case, above mentioned PSIC issuing inspection Agency had issued PSIC outside its Area/Region of operation. As the country of inspection-Antigua not in the Area/Region of inspection notified to said agency.

6. Further, it is submitted that As Import of un-shredded compressed and loose form of metallic waste, scrap listed in paragraph 2.51(a) of the Handbook of Procedure (HBP), 2023 shall be subject to the following conditions: -

(a) At the time of the clearance of goods, importer shall furnish to the Customs pre-shipment inspection certificate as per the format in Appendix 2H from any

of the Inspection & Certification agencies given in Appendix-2G to the effect that the consignment does not contain any type of arms, ammunition, mines, shells, cartridges, or any other explosive material in any form either used or otherwise, and that the consignment was checked for radiation level and it does not contain radiation level (gamma and neutron) in excess of natural background. The certificate shall give the value of background radiation level at that place as also the maximum radiation level on the scrap.

7. Since, goods were imported into India without the valid PSIC certificate, the impugned goods have been imported without authorization and are liable for confiscation under Section 111(d) of the Customs Act, 1962, and for his act of omission and commission the importer is liable for penalty under Section 112(a) of the Customs Act, 1962.

8. The relevant provisions of law relating to import and valuation of goods in general, the Foreign Trade Policy and Rules relating to imports, the liability of the goods to confiscation under the provisions of the Custom Act, 1962 and other laws for the time being in force are summarized as under:

- a. As per **Section 46(4) of the Customs Act, 1962**, the importer while presenting a Bill of Entry shall make and subscribe to a declaration as to the truth of the contents of such Bill of Entry and shall, in support of such declaration, produce to the proper officer the invoice, if any, relating to the imported goods.
- b. **Section 111(d) of the Customs Act, 1962** provides for confiscation of any goods which are imported or attempted to be imported or are brought within the Indian Customs waters for the purpose of being imported, contrary to any prohibition imposed by or under this Act or any other law for the time being in force.
- c. **Section 112(a) of the Customs Acts 1962:** - penalty for any person, who, in relation to any goods, does or omits to do any act which act or omission would render such goods liable to confiscation under Section 111, or abets the doing or omission of such an act.

9. In view of above, it appears that impugned goods are imported with invalid PSIC certificate. Therefore, it appears that the goods imported vide impugned bill of entry are liable for confiscation under Section 111(d) of the Customs Act, 1962 and the importer is liable for penalty under Section 112(a) of the Customs Act, 1962.

10. However, In view of letter dated 03.11.2025, the importer had requested

for first check examination and to allow Post PSIC certificate for the subject goods. Thereafter, the inspection of said goods had been conducted on CWC CFS, Mundra by inspection agency Global Marine Inspection and Post shipment inspection certificate sr.no. IN11202586006 issued for the subject goods. The findings of the inspection report is as- The consignment does not contain any type of arms, ammunition, mines, shells, cartridges or any other explosive material in any form, either used or otherwise, and that the consignment was checked for radiation level and it does not have radiation levels(gamma and neutron) in excess of natural background.

DISCUSSION AND FINDINGS

1 2 . I have carefully gone through the facts of the case. I find M/s **SAKSHI IMPEX** (IEC:3712002751) filed Bill of Entry No. 5104962 dated 14.10.2025 with declared Assessable value as Rs. 10,72,424/-. I find that during assessment proceedings it was found that the PSIC issuing inspection Agency had issued PSIC outside it's Area/Region of operation, making it invalid PSIC as per para 2.52 & 2.53 of the Hand Book of procedure 2023. I find that goods were imported into India without the valid PSIC certificate. I also find that the Importer waived their right of Show Cause Notice and Personal Hearing.

10. Now, I take up the above matter in detail. I find that goods imported vide said bill of entry required compulsory PSIC certificate for importing into India in

terms of guidelines issued by DGFT in para 2.51, 2.52 & 2.53 of the Hand Book of procedure 2023. The importer could avail the services from any other inspection agency, under which area/region of operation for country of inspection(Antigua) has been notified from DGFT. However, in the instant case, the importer had availed the services for issuance of PSIC from agency, whom authorisation to inspect in mentioned country of inspection had not been notified by DGFT. Therefore, it is evident that PSIC issued by Asia Inspection Agency for country of inspection-Antigua, falls outside its area/region of operation. Hence, the said PSIC is liable to be considered as invalid.

12. Since goods were imported into India without a valid PSIC certificate, the impugned goods have been imported without authorization and therefore, are liable for confiscation under Section 111(d) of the Customs Act, 1962, and for his act of omission and commission the importer is liable for penalty under Section 112(a) of the Customs Act, 1962. Since the Importer has submitted Post PSIC certificate on date 26.11.2025, therefore, the goods can be cleared for home consumption under the provision of Section 125 (1) of the Customs Act, 1962.

13. Accordingly, I pass the following order:

ORDER

i. I order for confiscation of the impugned goods imported vide Bill of Entry No. 5104962 dated 14.10.2025 having assessable value of 10,72,425/- under Section 111(d) of the Customs Act, 1962. However, I give the importer an option under provision of Section 125(1) of the Customs Act, 1962, to redeem the said goods on payment of redemption fine of **Rs.50,000/- (Rupees Fifty Thousand only)**.

ii. I impose a penalty of **Rs. 25,000/-(Rupees Twenty Five Thousand only)** on **SAKSHI IMPEX (IEC: 3712002751)** under Section 112(a)(i) of the Customs Act, 1962, for their act of omission and commission.

14. This Order is issued without prejudice to any other action that may be taken against the noticee or persons or imported goods under the provisions of the Customs Act, 1962 or any other law for the time being in force in India.
