ORDER IN APPEAL

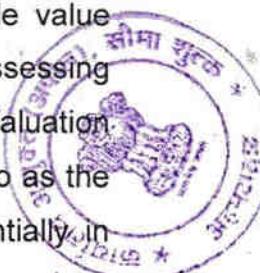

M/s Elavance Overseas LLP, Head Office: 105, H-3, Vardhman Plaza Tower, Netaji Subhash Place, Pitampura, Delhi 110 034 (hereinafter referred to as the 'appellant') have filed the present appeal challenging Order-In-Original No.: 02/ADJ/DC/Hazira /2024-25, dated 21.08.2024 (hereinafter referred to as 'the impugned order'), passed by the Deputy Commissioner, Customs, Custom House, Hazira Port, Surat (hereinafter referred to as 'the adjudicating authority').

2. Facts of the case, in brief, are that the appellant had imported goods declared as "100% Polyester Knitted Fabric Mix stock lot of different colours". They had filed three (3) self assessed Bills of Entry, in the month of September, 2020, for clearance of the said goods for home consumption. Details of import are given in Table below:

Table-I

Sr. No.:	Bill of Entry No.	Date	Declared Unit price	Assessed Unit price
1	9010866	30.09.2020	0.95 USD/KGS	1.39 USD / KGS
2	8752411	09.09.2020	0.95 USD/KGS	1.39 USD / KGS
3	8752590	09.09.2020	0.95 USD/KGS	1.39 USD / KGS

2.1 The appellant had declared assessable value of the said goods as per the Sales Contracts and the Invoices. During the course of assessment, the declared assessable value was compared with the NIDB data and it was observed that the declared assessable unit price of the said goods, as declared by the appellant was lower as compared to the contemporaneous unit price of similar goods. Therefore on the reasonable doubt the appellant was asked to justify the declared assessable value. However the appellant had failed to justify the declared value. Hence, the assessing officer had rejected the declared value in terms of Rule 12 of the Customs Valuation (Determination of Value of Imported Goods) Rules, 2007 (hereinafter referred to as the Valuation Rules) and resorted to determine the value by proceeding sequentially in accordance with Rules 4 to 9 of the Valuation Rules. Accordingly, relying upon the prices of similar goods imported by different importers as reflected in NIDB data, the assessable value of the imported goods was proposed to be enhanced. The appellant on being asked as to whether he agreed with the value loading as per the contemporaneous prices reflected in NIDB data, had accepted the value loading and submitted consent letters stating that they agree and accept the loading of value to USD 1.39/Kg. Thereafter, the

Bills of Entry were re-assessed on enhanced value i.e. USD 1.39/Kgs. As the appellant had submitted consent letter in writing for acceptance of value loading, no assessment/speaking order was passed.

2.2 The appellant had filed three (3) appeals before the Commissioner (Appeals), Customs, Ahmedabad against each assessed Bills of Entry. These appeals were allowed by way of remand vide OIA No.: AHD-CUSTM-000-APP-1417 to 1419-21-22, dated 06.12.2021, with directions to pass speaking order as envisaged under Section 17 (5) of the Customs Act, 1962.

2.3 In the first remand proceeding, the Deputy Commissioner of Customs, Custom House, Hazira Port, Surat, vide OIO No. 09/ADJ/DC/Hazira Port/2022-23 dated 30.07.2022, upheld the enhanced assessable value adopted by the Proper Officer in the above-mentioned three Bills of Entry. Against this OIO dt. 30.07.2022, appeal was filed before the Commissioner (Appeals), Customs, Ahmedabad who vide OIA No.: AHD-CUSTM-000-APP-465-23-24, dated 29.02.2024, set aside OIO dt. 30.07.2022 and allowed the appeal by way of remand to the adjudicating authority for passing fresh order.

2.4 During the second remand proceedings, the adjudicating authority i.e. Deputy Commissioner of Customs, Custom House, Hazira Port, Surat, vide impugned order i.e. OIO No. 02/ADJ/DC/Hazira Port/2024-25 dated 21.08.2024, upheld the assessment of three Bills of Entry at enhanced value and hold that there is no need to recall or re-assesses these Bills of Entry once again.

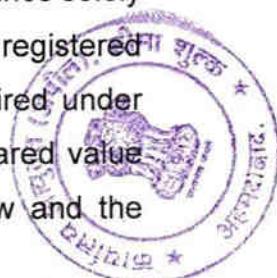

3. Being aggrieved with the impugned order passed by the adjudicating authority, the appellant have filed this present appeal. They have, inter-alia, raised various contentions and filed detailed submissions as given below in support their claims:

That in a similar matter wherein similar goods were imported by the appellant and goods were cleared after enhancement of declared price and the appellant filed appeal against such unjust enhancement of declared price. The Hon'ble Commissioner of Customs(Appeals) allowed the appeal filed by setting aside the enhancement of price and granting consequential relief by Order in Appeal No. AHD-CUSTM-000-APP-363-23-24 dated 04.01.2024 and Order in Appeal No. AHD-CUSTM-000-APP-140-23-24 dated 02.06.2023. It is pertinent to mention here that refund against such enhancement of price was granted to the appellant.

This matter being a similar matter and goods are also similar , appeal filed by us shall be allowed on this ground only.

- That in Para 3 of impugned order it is mentioned that assessment has been done by the assessing officer as per the NIDB Data of similar imported items, it is pertinent to mention here that Ld. Assessing officer has not compared or analysed NIDB data and no contemporaneous data was shown to the appellant at any stage. On the Contrary, the Appellant had submitted data for similar goods wherein goods were cleared at similar prices.
- That all the requisite documents i.e. Bulk Sales Contract, Commercial Invoice, Packing List etc. to justify the declared price had been submitted to the adjudicating authority,
- That their acceptance of enhanced value by writing letter to the proper officer doesn't preclude their right to challenge the enhanced value or to file appeal. This view has been held by the Honb'le CESTAT Delhi vide Final Order No.: 50658-50659/2019 dated 06.05.2018 in the matter of Principal Commissioner of Customs(Import), ICD Tughlakabad Versus M/s Rainbow Fashions, Delhi.
- That the impugned order is passed in gross violation of the principles of natural justice in as much as the Deputy Commissioner has not done any effort or exercise to ascertain that NIDB data relied for the purpose of rejection of transaction value is for similar and comparable goods, there is no effort to pinpoint comparable in accordance with the statutory requirement of the rules. Therefore, the entire proceedings have been concluded behind the back of appellant without adhering to the principles of natural justice.
- That the Ld. Adjudicating Authority wrongly invoked Rule 12 of the Customs Valuation Rules, 2007, without following the mandatory procedure. Reliance solely on NIDB data is not sufficient to reject the declared value, and the registered contracts of the appellant were not even examined. Further, as required under Rule 12(2), no written intimation of the grounds for doubting the declared value was given. Hence, the rejection of declared value is contrary to law and the impugned orders are liable to be set aside.
- That the Adjudicating Authority has failed to appreciate that the NIDB data cannot be the sole ground for rejecting the transaction value without any evidence to prove that the goods under import have been undervalued. It is an admitted fact in the impugned order that the Adjudicating Authority has only analyzed the NIDB data and they had no documents available while adjudicating the matter for comparison of the parameters required under Rule 5.

- That the letter dt. 30.03.2021 relied upon by the assessing officer in the Order in Original which is after the date of assessment and OOC, clearly assessing officer has not followed the instructions contained in the Order in Appeal passed by Commissioner of Customs(Appeal) to look into the facts. As the date of letter is post clearance and OOC, Final Order Nos. 51584-51619 of 2020 dt. 20.10.202 in the case of Commissioner of Customs V/S M/s Hanuman Prasad & Son will not be applicable as mentioned in Para 6.5 of Order in Appeal.
- That the goods imported by them are seasonal in nature and if there is any delay in clearance, customer may cancel the order and then goods will be of no use to them. It is also pertinent to mention here that it is a regular practice i.e. Standard operating procedure to force importer to submit such letter for clearance of goods otherwise clearance is delayed. They were forced to submit such letters to avoid delay in clearance.
- That the Final Order No. 51584-51619 / 2020 of the Honb'le Cestat Delhi is entirely different than in their case. There is no similarity between these orders. The appellant hereby quote another Final Order No. 50769-50825/2020 dated 14.09.2020 passed by CESTAT Delhi in the matter of Commissioner of Customs(Patparganj) vs M/s Artex Textile Private Limited which is of similar period and for similar goods and wherein the importer was forced to submit the similar letter for enhanced value. The importer later filed appeals with Commissioner of Customs Appeals against unjust enhancement of price. The Ld. Commissioner of Customs(Appeals) allowed the appeals filed by the importer and set aside the enhancement of value. The revenue filed appeals against the said Order in appeals and the Honb'le Cestat had dismissed the appeals filed by revenue.
- That in the OIA it was ordered to issue speaking order after ascertaining the facts, examine the documents, submissions and case laws relied upon by the appellant. it is pertinent to mention here that the Deputy Commissioner did not follow the order in appeal. It is submitted that this finding of the Ld. Deputy Commissioner is not supported by any evidence mentioned in the Order in Original as no exercise has been made as to on what basis the Ld. Assessing officer came to the conclusion that the imported goods with which the comparison is being made are comparable in characteristics, components and applications without bringing on record any such data on record. In a recent judgement by CESTAT Ahmedabad vide Final Order No. A/11484-11501/2019 dated 06.08.2019 it is ordered that declared price of goods can not be rejected only on the basis of Contemporaneous data and Ld. adjudicating authority needs to first ascertain para-metres of quality,

quantity, characteristics of both the imports i.e. contemporaneous import and import by the appellant. The adjudicating authority failed to do the same in the order in original.

- They relied on the following judgment in support of their contention that it is well settled that in absence of any supporting evidence to prove under-valuation, assessable value cannot be re-determined and enhanced.
 - a) CC New Delhi Vs Rainbow Impex.2013 (296) ELT 207 (Tri-Del)
 - b) CC New Delhi Vs Century Metal Recycling Pvt Ltd .2013 (295)ELT 726 (Tri-Del.)
 - c) CC New Delhi v Marble Art 2013(289)ELT 346(Tri.-Del)

4. The appellant was given personal hearing in the matter to present their case, Shri Rajesh Garg, Director of the appellant, attended hearing on 10.09.2025 through virtual mode. He had reiterated the submissions made in the appeal memorandum. During hearing he made additional submission that their matter is covered by Order No.: AHD-CUSTM-000-APP-363-23-24 dt. 04.01.2024 and AHD-CUSTM-000-APP-140-23-24 dt. 02.01.2023, They also quoted that the order no.: 51584-51619 of M/s Hanuman Prasad by assessing officer in the mentioned OIO was set aside by the Hon'ble High Court of Delhi vide Order 2024(11) TMI 1361.

5. Before going into the merits of the case, I find that from the Form C.A.-1, the date of communication of the Order-In-Original dated 21.08.2024 & Corrigendum dated 12.09.2024, has been shown as 27.08.2024 & Corrigendum dt. 18.09.2024 and the date of filing Appeal shown as 11.11.2024. I find that the present appeal has been filed within prescribed time limit of 60 days as stipulated under Section 128(1) of the Customs Act, 1962.

5.1 I have carefully gone through the impugned order, appeal memorandum filed by the appellant and submissions made by the appellant during course of hearing as well as the documents and evidences available on record. The issue is to be decided in the present appeal is whether the impugned order passed by the adjudicating authority upholding the assessments made in the three Bills of Entry with value loading to USD 1.39/Kgs, which was consented in writing by the appellant, in the facts and circumstances of the case, is legal and proper or otherwise ?

5.2 It is observed that the appellant had imported goods 100% Polyester Knitted Fabric Mix stock lot of different colours. They had filed three (3) assessed Bills of Entry in the month of September 2020 details as given in Table above for clearance of the said goods for home consumption. The appellant had declared assessable value of the said goods as per the Sales Contracts and during the course of assessment, the declared assessable value was compared with the NIDB data and it was observed that the declared assessable unit price of the said goods, as declared by the appellant, was lower as compared to the contemporaneous unit price of similar goods. Therefore, on the reasonable doubt the appellant was asked to justify the declared assessable value. However, the appellate had failed to justify the declared value. Hence, the assessing officer had rejected declared value in terms of Rule 12 of the Customs Valuation (Determination of Value of Imported Goods) Rules, 2007 and resorted to determine the value by proceedings sequentially in accordance with Rules 4 to 9 of the Valuation Rules. Accordingly, relying upon the prices of similar goods imported by the different importer as reflected in NIDB data the assessable value of the imported goods was proposed to be enhanced. The appellant, on being asked as to whether he agreed with the value loading as per the contemporaneous prices reflected in NIDB data, had accepted the value loading and submitted consent letters stating that they agree and accept the loading of value to USD 1.39/Kg. Thereafter, the Bills of Entry were re-assessed on the enhanced value i.e. USD 1.39/Kg.

5.3 Thereafter, the appellant had filed three (3) appeals before the Commissioner (Appeals), Customs, Ahmedabad against each assessed Bills of Entry, who vide OIA No.: AHD-CUSTM-000-APP-1417 to 1419-21-22, dated 06.12.2021 remanded the matter back to the adjudicating authority with directions to pass speaking order as envisaged under Section 17 (5) of the Customs Act, 1962.

 In the first remand proceedings, the Deputy Commissioner of Customs, Custom House, Hazira Port, Surat, vide OIO No. 09/ADJ/DC/Hazira Port/2022-23 dated 30.07.2022, upheld the enhanced assessable value adopted by the Proper Officer in the above-mentioned three Bills of Entry as consented by the appellant. Appeal was filed against this OIO, before the Commissioner(A), Customs Ahmedabad who vide OIA No.: AHD-CUSTM-000-APP-465-23-24, dated 29.02.2024, allowed the appeal by way of remand to the adjudicating authority for passing fresh order.

In the second remand proceedings, the adjudicating authority vide impugned order i.e. OIO No. 02/ADJ/DC/Hazira Port/2024-25 dated 21.08.2024, upheld the assessment of three Bills of Entry at enhanced value and hold that there is no need to recall or re-assesses these Bills of Entry once again. Hence, this present appeal is filed, being aggrieved and dissatisfied with the impugned order.

6. It is observed that the adjudicating authority in the impugned order recorded that the assessing officer found that the price of the said imported goods was lower than the prices of similar goods in NIDB data. The assessing officer, on the basis of contemporaneous value of the similar goods, available in the NIDB data, in pursuance of the provisions laid down under Rule 4 & 5 of the valuations Rules, enhanced the value of the imported goods from USD 0.95/kg to USD 1.39/kg in the assessment of the three (3) Bills of Entry detail as per Table above. Further, when the appellant were asked if they agree with the value loading as per the contemporaneous prices reflected in NIDB data, they had accepted the value loading and accordingly submitted their consent letters for acceptance of enhancement of the value to USD 1.39/Kg in respect of the above mentioned 3 Bills of Entry.

It is observed that even though the adjudicating authority has recorded that the declared assessable unit price of the imported goods, as declared by the appellant, was lower as compared to the contemporaneous unit price of similar goods as reflected in NIDB data, he had not provided any such data to the appellant or recorded such data in the impugned order to support his findings. Hence, the impugned order is a non-speaking order and is liable to be set aside on this count only.

6.1 It is further observed that the adjudicating authority in the impugned order has mentioned the appellant had given his consent letter, in writing for acceptance of the value loading and they agreed with the proposed enhancement and agreed to pay the differential duty. The assessing officer concluded that since the appellant agreed to with the value loading as per NIDB data, the consented value become the assessable value requiring no further investigation. The adjudicating authority placed reliance on the Final Order No.: 51584-51619/2020 dtd 20.10.2020 of the Hon'ble CESTAT, Principal Bench, New Delhi in the case of Commissioner of Customs V/S M/s Hanuman Prasad & Sons wherein the appeal of the revenue was allowed. The said case is squarely applicable in the present matter.

In this context, it is observed that the appellant during personal hearing submitted that order no.: 51584-51619/2020 dtd. 20.10.2020 of M/s Hanuman Prasad

which was relied upon by the adjudicating authority in the said impugned order, was set aside by the Hon'ble High Court of Delhi vide Order 2024(11) TMI 1361. It is also observed that the adjudicating authority in its impugned order has not recorded any specific reason and discussion related whether these consents letters by the appellant were submitted before the final assessment. Therefore, their acceptance of enhanced value by writing letters to the proper officer doesn't preclude their right to challenge the enhanced value or to file appeal for remedial measures.

6.2 It is noted that the appellant contends that the adjudicating authority ignored the mandatory procedure under Rule 12 of the Valuation Rules, the contemporaneous import data, purchase contract, invoice, and case laws relied upon. They also submit that the goods imported cannot be treated as similar to those of other importers for invoking Rule 5. However, a perusal of the impugned order shows that none of these contentions have been addressed by the adjudicating authority.

6.3 It is evident that the adjudicating authority noted that the unit price declared in the Bills of Entry was lower than contemporaneous prices in the NIDB data but failed to record or share any such data with the appellant. The appellant was also not provided copies of the bills of entry, contracts, invoices, or other documents relied upon, amounting to a violation of natural justice. As no NIDB data has been placed on record to justify rejection under Rule 12(1), the rejection of the declared value is unsustainable and is required to be set aside.

6.4 It is observed that appellant submitted that - in a similar matter wherein similar goods were imported by the appellant and goods were cleared after enhancement of declared price and the appellant filed appeal against such unjust enhancement of declared price. The Commissioner of Customs (Appeals) allowed the appeal filed by setting aside the enhancement of price and granting consequential relief by Order in Appeal No.: AHD-CUSTM-000-APP-363-23-24 dated 04.01.2024 and Order in Appeal No. AHD-CUSTM-000-APP-140-23-24 dated 02.06.2023 (as per office records, date of the OIA is 10.08.2023). This matter being a similar matter and goods are also similar, appeal filed by them shall be allowed on this ground only. During the personal hearing also, the appellant referred these two cases laws.

These two above referred OIAs were passed by the then Commissioner of Customs (Appeals), Ahmedabad, in the matter of the appellant M/s. Sedna Impex India

Pvt. Ltd., its head office at 105, H-3, Vardhman Plaza Tower, Netaji Subhash Place, Pitampura, Delhi-110034. On examination of the facts and findings of both the OIAs, it is evident that the issue involved in the present case stands on the same footing as that decided therein, with respect to the goods, their specifications, and description.

6.5 I find that the issue has already been discussed in detailed manner in the said two OIAs, wherein the appellant had challenged the enhancement of value in respect of imports of similar goods, i.e., "*mixed lot of 100% Polyester Knitted Fabric (rolls of assorted colours and weight)*", during the period from July 2019 to April 2020. Both the said appeals were allowed by the Commissioner (Appeals), Customs, Ahmedabad. The relevant paragraphs from the OIA dated 10.08.2023 are produced herein below:

7.7 *On perusal of the impugned order, it is observed that the adjudicating authority has in the impugned order relied upon the consent letter of the appellant for enhancing the assessable value and accordingly considered it as the assessment order under Section 17(5) of the Customs Act, 1962. He has in Para 28 of the impugned order, considered the submission of the appellant. Thereafter, the adjudicating authority has upheld the enhanced assessable value. The relevant para of the impugned order is reproduced below :*

"29. However, I find that the facts and circumstances in the aforesaid case laws are not similar to that in the present case.

30. In this regard, I place reliance on Final Order No. 51584-51619/2020 dated 20.10.2020 of the Hon'ble CESTAT, Principal Bench, New Delhi in case of Commissioner of Customs Vs M/s Hanuman Prasad and Sons in CUSTOMS APPEAL NO. 51601 OF 2019 wherein the appeal of the revenue was allowed in similar case that is squarely applicable in the present case."

7.8 *It is observed that the adjudicating authority has neither recorded the contentions raised by the appellant in their defense submissions dated 17.03.2021 nor considered any of the submission made by the appellant in the earlier round of litigation, before concluding the proceedings. Hence, the impugned order is a non speaking order and is liable to be set aside on this count only.*

7.9 *It is observed that the adjudicating authority has recorded that the unit price of the said goods declared in these Bills of Entry were lower as compared to the contemporaneous unit price of similar goods as reflected in*

A

NIDB data. However, he has not recorded any contemporaneous import data as reflected in NIDB data. Further, there is nothing on record to suggest that any such data was provided to the appellant and their submissions were taken on record before rejecting the declared by the appellant. On the contrary, the appellant has submitted that there is violation of the principles of natural justice, in as much as, the appellant is not provided with copy of bill of entry, contract, invoice, bill of lading and other details/documents in respect of goods that are held comparable with goods imported by the appellant. Therefore, as the adjudicating authority has not recorded any NIDB data to support the rejection of value under Rule 12 Explanation (1)(iii)(a), therefore the rejection of the declared value under Rule 12 of the Valuation Rules, is not sustainable and is required to be set aside

7.10 Apart from the above, the appellant has raised contentions that the adjudicating authority grossly ignored the procedure as prescribed under the provisions of Rule 12 of the Valuation Rules, contemporaneous import data provided by the appellant, the Contract of purchase and the Invoice submitted by the appellant, Case laws relied by the appellant, comparison of the parameters of the goods and the goods imported by the appellant cannot be considered as similar to the goods imported by the other importers for the purpose of invoking provisions of Rule – 5 etc. On perusal of the impugned order, it is observed that none of the contentions raised by the appellant have been addressed.

7.11 It is further observed that the adjudicating authority has held that Final Order No. 51584-51619/2020 dated 20.10.2020 of the Hon'ble CESTAT, Principal Bench, New Delhi in case of Commissioner of Customs Vs M/s Hanuman Prasad and Sons is squarely applicable in the present case, wherein, the appeal of the revenue was allowed in similar case. However, he has not recorded the similarity in both case cases and explained the applicability of the said judgment in the present case.

7.12 On the other hand, the appellant has submitted copy of Final Order No. A/10397-10407/2023 dated 06.03.2023 passed by the Hon'ble CESTAT, Ahmedabad, in their own case, for the same product, stating that order has been is accepted by the department. The relevant paras of the judgment are reproduced below of ease of reference :

"4.4 We find that in the present matter neither the adjudicating authority nor Commissioner (Appeals), have pointed to such special circumstances warranting the rejection of the declared transaction value by the appellant on Bills of Entry. Further, Rule 12 of Customs Valuation (Determination of Price of Imported Goods) Rules, 2007 reads as below :

"12. Rejection of declared value. -

From plain reading of the Rule 12 it is quite evident that the word "doubt" used in the rule has to be based on cogent reasons and evidences. No cogent evidence or reason has been put forth in the present case to justify the "doubt" of the assessing officer. Clearly, for rejection of the transaction value under Rule 12, there has to be a reasonable ground and it cannot be rejected merely on the ground that similar goods have been imported at higher value without examining the applicability of Rule 5 of Customs Valuation Rules, 2007.

4.5 The enhancement of the value done by the Customs department is only on the basis of value of contemporaneous imports. In this context we find that the relevant provisions for valuation under Customs Act are as below :

Customs Valuation (Determination of Value of Imported Goods) Rules, 2007.

Rule 12 - Explanation 1(iii)

The Proper Officer shall have the powers to raise doubts on the truth or accuracy of the declared value based on certain reasons which may include –

(a) The significantly higher value at which identical or similar goods imports at or about the same time in comparable quantities in a comparable commercial transaction were assessed;

Rule 5 - Transaction of value of Similar goods :-

(1) Subject to the provisions of Rule 3, the value of imported goods shall be the transaction value of similar goods sold for export to India and imported at or about the same time as the goods being valued Provided that such transaction value shall not be the value of the goods provisionally assessed under Section 18 of the Customs Act, 1962.

(2) The provisions of clauses (b) and (c) of sub-rule (1), sub-rule (2) and sub-rule (3), of Rule 4 shall, mutatis mutandis, also apply in respect of similar goods.

From the above provisions, it is clear that if there is any doubt about the transaction value declared by the assessee, then if at all the value of contemporaneous import needs to be applied, the value of identical goods or similar goods should be applied. However, in the present case though the contemporaneous import goods were relied upon, but both the adjudicating authority failed to ascertain that whether the goods of contemporaneous imports is identical or similar to the goods of the assessee. Appellants have disputed the said comparable data on the ground that contemporaneous goods provided by the revenue is for Polyester Knitted Fabrics whereas goods imported by the appellant are of Mixed lot of Polyester Knitted Fabric (Rolls of Assorted Colors & Weight), the value of the above referred type of fabrics is low because the goods are mixed lot of fabrics of different colours and different weight and quality is not same as fresh quality polyester knitted fabrics.

4.6 We noticed that in present matter no effort was made by the adjudicating authority to ascertain quality, quantity, characteristics of the goods of contemporaneous import. In the present import without carrying out any test to the fact that goods of contemporaneous import and the goods in question in present case are identical or similar, enhancement of the value is not legal and correct. It is also observed that other than contemporaneous import data, there is no other evidence to show that the assessee have suppressed the value.

4.7 We find that in the present case, the adjudicating authority enhanced the value as the declared value appears to be low compared to value available in NIDB data, otherwise, there is no material available. The Tribunal consistently observed that the declared value cannot be enhanced merely on the basis of NIDB data. Tribunal in the case of Neha Intercontinental Pvt. Ltd. v. Commissioner of Customs, Goa [2006 (202) E.L.T. 530 (Tri.-Mum.)] has held in the absence of rejection of transaction value, invoice value requires acceptance and when the contemporaneous import of similar goods is not established, value cannot be enhanced. In the case of Commissioner of Customs v. Modern Overseas [2005 (184) E.L.T. 65 (Tri.-Del.)] NIDB data was held to be insufficient, in the absence of clarity about various parameters. List of such decisions is unending and it is sufficient to say that NIDB data has been held to be insufficient for enhancement of value, in the absence of any other independent evidence. Admittedly in the present cases, there is no such

evidence produced by the Revenue except reference to the NIDB data. In view of the discussions above, we hold that in the present case, the enhancement of value on the basis of NIDB data cannot be accepted."

7.13 Further, in reply to this office letter dated 28.07.2023, the Superintendent, Customs (RRA), Ahmedabad vide letter F. No. GEN/REV/TRIB/164/2023-RRA-O/o PR COMM-R-CUS-AHMEDABAD dated 02.08.2023, informed that the Hon'ble CESTAT Final Order No. A/10397-10407/2023 dated 06.03.2023 in case of M/s. Sedna Impex India P. Ltd. has been accepted by the department on monetary grounds.

7.14 It is observed that the Hon'ble CESTAT, Ahmedabad has allowed the appeal of the appellant, and rejected the value enhancement, in respect of same product i.e. Mixed lot of Polyester Knitted Fabric (Rolls of Assorted Colors & Weight), and considering the same set of arguments. It is further observed that the Hon'ble CESTAT, Ahmedabad vide Final Order No. A/11267-11270/2023 dated 15.06.2023 in the case of Kunj Bihari Textiles, has set aside the value enhancement in respect of the same product. Therefore, I am of the considered view that these orders of the jurisdictional Hon'ble CESTAT, Ahmedabad are binding upon the lower quasi judicial authorities including the Commissioner (Appeals), Customs, Ahmedabad.

7.15 In view of the above, I am bound to follow the precedence judgment of Hon'ble CESTAT, Ahmedabad, in light of the law laid by Hon'ble High Court of Gujarat in case of Lubi Industries LLP [2018 (337) E.L.T. 179 (Guj.)] on judicial discipline and binding nature of Judgment of superior court :

"6. In our opinion, the Assistant Commissioner committed a serious error in ignoring the binding judgment of superior Court that too in case of the same assessee. The principle of precedence and judicial comity are well established in our legal system, which would bind an authority or the Court by the decisions of the Coordinate Benches or of superior Courts. Time and again, this Court has held that the departmental authorities would be bound by the judicial pronouncements of the statutory Tribunals. Even if the decision of the Tribunal in the present case was not carried further in appeal on account of low tax effect, it was not open for the adjudicating authority to ignore the ratio of such decision. It only means that the Department does not consciously agree to the view point expressed by the Tribunal and in a given case, may even carry the matter further. However, as long as a judgment of the Tribunal stands, it would bind every Bench of the Tribunal of equal strength and the departmental

authorities taking up such an issue. An order that the adjudicating authority may pass is made appealable, even at the hands of the Department, if the order happens to aggrieve the Department. This is clearly provided under Section 35 read with Section 35E of the Central Excise Act. Therefore, even after the adjudicating authority passes an order in favour of the assessee on the basis of the judgment of the Tribunal, it is always open to the Department to file appeal against such judgment of the adjudicating authority."

(emphasis supplied)

7.15.1 *It will not be out of context to recollect the observations of the Hon'ble Supreme Court in case of Kamlakshi Finance Corporation Ltd. [1991 (55) E.L.T. 433 (SC)], on the issue :*

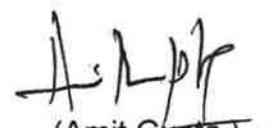

"6.It cannot be too vehemently emphasised that it is of utmost importance that, in disposing of the quasi-judicial issues before them, revenue officers are bound by the decisions of the appellate authorities. The order of the Appellate Collector is binding on the Assistant Collectors working within his jurisdiction and the order of the Tribunal is binding upon the Assistant Collectors and the Appellate Collectors who function under the jurisdiction of the Tribunal. The principles of judicial discipline require that the orders of the higher appellate authorities should be followed unreservedly by the subordinate authorities. The mere fact that the order of the appellate authority is not "acceptable" to the department - in itself an objectionable phrase - and is the subject-matter of an appeal can furnish no ground for not following it unless its operation has been suspended by a competent Court. If this healthy rule is not followed, the result will only be undue harassment to assessee and chaos in administration of tax laws.

7.The position now, therefore, is that, if any order passed by an Assistant Collector or Collector is adverse to the interests of the Revenue, the immediately higher administrative authority has the power to have the matter satisfactorily resolved by taking up the issue to the Appellate Collector or the Appellate Tribunal as the case may be. In the light of these amended provisions, there can be no justification for any Assistant Collector or Collector refusing to follow the order of the Appellate Collector or the Appellate Tribunal, as the case may be, even where he may have some reservations on its correctness. He has to follow the order of the higher appellate authority. This may instantly cause some prejudice to the Revenue but the remedy is also in the hands of the same officer."

7. In the present matter, it is observed that the adjudicating authority has upheld the value loading on the grounds that the appellant had given consent letters accepting the value enhancement to USD 1.39/Kg. Further, he has relied upon the Final Order No. 51584-51619/2020 dated 20.10.2020 of the Hon'ble Principal Bench, New Delhi in case of Commissioner of Customs Vs. M/s. Hanuman Prasad and Sons. Further, the goods, specifications, description etc related to the imported goods are same. Therefore, it is observed that the facts of the present case and observation of the Commissioner(A) Customs, Ahmedabad in the said two OIAs are on the same line. Hence, the findings and orders passed vide Order - Appeal No. AHD-CUSTM-000-APP-140-23-24 dated 10:08 2023 and AHD-CUSTM-000-APP-363-23-24 dated 04.01.2024 (supra) are squarely applicable to the present case and the impugned order is required to be set aside.

8. Accordingly, the impugned order is set aside and the appeal is allowed, with consequential relief, if any, in accordance with law."
