clearance from customs. Explanation.- For the purposes of this notification, “eligible passenger” means a passenger of Indian origin or a passenger holding a valid passport, issued under the Passports Act, 1967 (15 of 1967), who is coming to India after a period of not less than six months of stay abroad; and short visits, if any, made by the eligible passenger during the aforesaid period of six months shall be ignored if the total duration of stay on such visits does not exceed thirty days and such passenger has not availed of the exemption under this notification or under the notification being superseded at any time of such short visits.

- 8 From the above paras, it appears that during the period relevant to this case, import of gold in any form (gold having purity above 22 kt.) was restricted as per DGFT notification and import was permitted only by nominated agencies. Further, it appears that import of goods whereas it is allowed subject to certain conditions are to be treated as prohibited goods under section 2(33) of the Customs Act, 1962 in case such conditions are not fulfilled. As such import of gold is not permitted under Baggage and therefore the same is liable to be held as prohibited goods.

CONTRAVENTION AND VIOLATION OF LAWS

9. It therefore appears that:
 - (a) The passenger Shri Kamlesh Rameshbhai Janjvadiya had dealt with and knowingly indulged himself in the instant case of smuggling of gold into India by any way concerned in carrying, removing, depositing, harboring, keeping, concealing, or in any manner dealing with the said 01 Gold Bar derived from 02 capsules having purity 999.0 24 Kt weighing 790.180 grams having Tariff Value of Rs.57,48,085/- (Fifty Seven Lakhs, Fourty eight thousand and eighty five only) and Market value of Rs.62,87,462/- (Sixty two lakhs, eighty seven thousand, four hundred and sixty two only).
 - (b) The 01 Gold Bar was found concealed 02 capsules containing semi sold paste of gold and chemical wrapped in black tape concealed in the rectum of the passenger. the passenger and not declared to the Customs. The passenger indulged himself in the instant case of smuggling of gold with deliberate intention to evade the payment of Customs Duty and fraudulently circumventing the restrictions and prohibitions imposed under the Customs Act 1962 and other allied Acts, Rules and Regulations. Thus, the element of mensrea appears to have been established beyond doubt. Therefore, the said 01 Gold

Bar weighing 790.180 grams of purity 999.0 24 Kt by Shri Kamlesh Rameshbhai Janjvadiya by way of concealment and without declaring it to the Customs cannot be treated as bonafide household goods or personal effects. The passenger has thus contravened the Foreign Trade Policy 2015-20 and Section 11(1) of the Foreign Trade (Development and Regulation) Act, 1992 read with Section 3(2) and 3(3) of the Foreign Trade (Development and Regulation) Act, 1992.

- (c) By not declaring the value, quantity and description of the goods, the said passenger violated the provision of Baggage Rules, 2016, read with the Section 77 of the Customs Act, 1962 read with Regulation 3 of Customs Baggage Declaration Regulations, 2013.
- (d) The passenger has failed to produce the purchase documents of the said gold bar and Custom duty payment documents/proof has also not been submitted by the passenger for the same.
- (e) The improperly imported 01 Gold Bar by the passenger and without declaring it to the Customs, was thus liable for confiscation under Section 111 of the Customs Act, 1962.
- (f) As per Section 119 of the Customs Act, 1962 any goods used for concealing smuggled goods shall also be liable for confiscation.
- (g) Shri Kamlesh Rameshbhai Janjvadiya by his above-described acts of omission and commission on his part has rendered himself liable to penalty under Section 112 of the Customs Act, 1962.
- (h) As per Section 123 of Customs Act 1962, the burden of proving that the 01 Gold Bar **weighing 790.180 grams** of purity 999.0 24 Kt and having Tariff Value of Rs.57,48,085/- (Fifty Seven Lakhs, Fourty eight thousand and eighty five only) and Market value of Rs.62,87,462/- (Sixty two lakhs, eighty seven thousand, four hundred and sixty two only), found concealed with the passenger, without declaring it to the Customs, is not smuggled goods, is upon the passenger.

10. Accordingly, a Show Cause Notice was issued to Shri Kamlesh Rameshbhai Janjvadiya, aged 23 years, S/o Shri Rameshbhai Raghavbhai Janjvadiya, having Indian Passport No. C1534053, residing at 22, Shreeji Nagar Society-1, Near Murgha Kendra Kapodra, Surat City, Gujarat - 395006, as to why:

- (ii) Penalty should not be imposed upon the him, under Sections 112 of the Customs Act, 1962, for the omissions and commissions mentioned hereinabove.

Defense reply and record of personal hearing:

11. The noticee has not submitted any written submission to the Show Cause Notice issued to him.

12. The noticee was given opportunity for personal hearing on 07.07.2025, 18.07.2025 & 25.07.2025 but he failed to appear and represent his case. In the instant case, the noticee has been granted sufficient opportunity of being heard in person for three times but he failed to appear. In view of above, it is obvious that the Noticee is not bothered about the ongoing adjudication proceedings and he do not have anything to say in his defense. I am of the opinion that sufficient opportunities have been offered to the Noticee in keeping with the principle of natural justice and there is no prudence in keeping the matter in abeyance indefinitely.

12.1 Before, proceeding further, I would like to mention that Hon'ble Supreme Court, High Courts and Tribunals have held, in several judgments/decision, that ex-parte decision will not amount to violation of principles of Natural Justice.

In support of the same, I rely upon some the relevant judgments/orders which are as under-

a) The Hon'ble Supreme Court in the matter of JETHMAL Versus UNION OF INDIA reported in 1999 (110) E.L.T. 379 (S.C.), the Hon'ble Court has observed as under;

“7. Our attention was also drawn to a recent decision of this Court in A.K. Kripak v. Union of India - 1969 (2) SCC 340, where some of the rules of natural justice were formulated in Paragraph 20 of the judgment. One of these is the well known principle of audi alteram partem and it was argued that an ex parte hearing without notice violated this rule. In our opinion this rule can have no application to the facts of this case where the appellant was asked not only to send a written reply but to

OIO No:107/ADC/SRV/O&A/2025-26
F. No. VIII/10-289/SVPIA-B/O&A/HQ/2024-25

inform the Collector whether he wished to be heard in person or through a representative. If no reply was given or no intimation was sent to the Collector that a personal hearing was desired, the Collector would be justified in thinking that the persons notified did not desire to appear before him when the case was to be considered and could not be blamed if he were to proceed on the material before him on the basis of the allegations in the show cause notice. Clearly he could not compel appearance before him and giving a further notice in a case like this that the matter would be dealt with on a certain day would be an ideal formality."

b). Hon'ble High Court of Kerala in the case of UNITED OIL MILLS Vs. COLLECTOR OF CUSTOMS & C. EX., COCHIN reported in 2000 (124) E.L.T. 53 (Ker.), the Hon'ble Court has observed that;

Natural justice - Petitioner given full opportunity before Collector to produce all evidence on which he intends to rely but petitioner not prayed for any opportunity to adduce further evidence - Principles of natural justice not violated.

c) Hon'ble High Court of Calcutta in the case of KUMAR JAGDISH CH. SINHA Vs. COLLECTOR OF CENTRAL EXCISE, CALCUTTA reported in 2000 (124) E.L.T. 118 (Cal.) in Civil Rule No. 128 (W) of 1961, decided on 13-9-1963, the Hon'ble court has observed that;

Natural justice - Show cause notice - Hearing - Demand - Principles of natural justice not violated when, before making the levy under Rule 9 of Central Excise Rules, 1944, the Noticee was issued a show cause notice, his reply considered, and he was also given a personal hearing in support of his reply - Section 33 of Central Excises & Salt Act, 1944. - It has been established both in England and in India [vide N.P.T. Co. v. N.S.T. Co. (1957) S.C.R. 98 (106)], that there is no universal code of natural justice and that the nature of hearing required would depend, inter alia, upon the provisions of the statute and the rules made there under which govern the constitution of a particular body. It has also been established that where the relevant statute is silent, what is required is a minimal level of hearing, namely, that the statutory authority must 'act in good faith and fairly listen to both sides' [Board of Education v. Rice, (1911) A.C. 179] and, "deal with the question referred to them without bias, and give to each of the parties the

opportunity of adequately presenting the case” [Local Govt. Board v. Arlidge, (1915) A.C. 120 (132)]. [para 16]

d) Hon’ble High Court of Delhi in the case of SAKETH INDIA LIMITED Vs. UNION OF INDIA reported in 2002 (143) E.L.T. 274 (Del.). The Hon’ble Court has observed that:

Natural justice - Ex parte order by DGFT - EXIM Policy - Proper opportunity given to appellant to reply to show cause notice issued by Addl. DGFT and to make oral submissions, if any, but opportunity not availed by appellant - Principles of natural justice not violated by Additional DGFT in passing ex parte order - Para 2.8(c) of Export-Import Policy 1992-97 - Section 5 of Foreign Trade (Development and Regulation) Act, 1992.

e) The Hon’ble CESTAT, Mumbai in the case of GOPINATH CHEM TECH. LTD Vs. COMMISSIONER OF CENTRAL EXCISE, AHMEDABAD-II reported in 2004 (171) E.L.T. 412 (Tri. - Mumbai), the Hon’ble CESTAT has observed that;

Natural justice - Personal hearing fixed by lower authorities but not attended by appellant and reasons for not attending also not explained - Appellant cannot now demand another hearing - Principles of natural justice not violated. [para 5]

f). The Hon’ble High Court of Jharkhand in W.P.(T) No. 1617 of 2023 in case of Rajeev Kumar Vs. The Principal Commissioner of Central Goods and Service Tax & The Additional Commissioner of Central GST & CX, 5A Central Revenue Building, Main Road, Ranchi pronounced on 12.09.2023 wherein Hon’ble Court has held that

“Accordingly, we are of the considered opinion that no error has been committed by the adjudicating authority in passing the impugned Order-in-Original, inasmuch as, enough opportunities were provided to the petitioner by issuing SCN and also fixing date of personal hearing for four times; but the petitioner did not respond to either of them.

8. Having regard to the aforesaid discussions and admitted position with regard to non-submission of reply to the SCN, we failed to appreciate the contention of the petitioner that principle of natural justice has not been complied in the instant case. Since there is

efficacious alternative remedy provided in the Act itself, we hold that the instant writ application is not maintainable.

9. As a result, the instant application stands dismissed. Pending I.A., if any, is also closed.”

Discussion and Findings:

13. I have carefully gone through the facts of the case. Though sufficient opportunity for filing reply and personal hearing had been given, the Noticee has not come forward to file his reply/ submissions or to appear for the personal hearing opportunities offered to him. The adjudication proceedings cannot wait until the Noticee makes it convenient to file his submissions and appear for the personal hearing. I, therefore, take up the case for adjudication ex-parte, on the basis of evidences available on record.

14. In the instant case, I find that the main issue to be decided is whether the 790.180 grams of 01 gold bar (derived from the paste of gold and chemical hidden/concealed in his rectum in form of 02 capsules) of 24KT (999.0 purity), having Tariff Value of Rs. 57,48,085/- and Market Value of Rs. 62,87,462 /-, seized vide Seizure Memo/ Order under Panchnama proceedings both dated 04.01.2025 on a reasonable belief that the same is liable for confiscation under Section 111 of the Customs Act, 1962 (hereinafter referred to as ‘the Act’) or not; and whether the passenger is liable for penal action under the provisions of Section 112 of the Act.

15. I find that the Panchnama has clearly drawn out the fact that on the basis of Specific input/information, that Shri Kamlesh Rameshbhai Janjvadiya was suspected to be carrying restricted/prohibited goods and accordingly intercepted by AIU officers while he was trying to exit through the green channel without making any declaration and therefore a thorough search of all the baggage of the noticee as well as his personal search is required to be carried out. The AIU officers under Panchnama proceedings dated 04.01.2025 in presence of two independent witnesses asked the noticee if he had anything dutiable to declare to the Customs authorities, to which the noticee replied in negative. The AIU officer asked the noticee to pass through the Door Frame Metal Detector and while passing DFMD, no beep sound was heard indicating that he was not carrying any high valued dutiable goods on his body/clothes. Further, no

OIO No:107/ADC/SRV/O&A/2025-26
F. No. VIII/10-289/SVPIA-B/O&A/HQ/2024-25

objectionable material was found from the baggage of the said noticee. However, upon sustained interrogation, the noticee confessed that he had two capsules wrapped with black coloured tape consisting of gold paste inside his rectum. Thereafter, on being asked the noticee removed the two capsules of gold paste in the washroom from his body and handed over the same to the AIU officers.

16. It is on record that Shri Kartikey Vasantraai Soni, the Government Approved Valuer, weighed the said 02 capsules wrapped with black coloured tape consisting of gold and chemical mix and informed that the weight of said capsules were **847.300 Grams**. After completion of process of extraction of gold from the gold and chemical mix paste, the govt. approved valuer informed that 01 gold bar was extracted having purity 999.0/24KT and weight of said gold bar was 790.180 grams. Further, the Govt. Approved Valuer informed that the total Tariff Value of the said derived 01 gold bar is **Rs.57,48,085/-** and Market value is **Rs.62,87,462 /-**. The details of the Valuation of the said gold bar are tabulated as below:

| Sl. No. | Details of Items | PCS | Net Weight in Gram | Purity | Market Value (Rs.) | Tariff Value (Rs.) |
|---------|------------------|-----|--------------------|------------|--------------------|--------------------|
| 1. | Gold Bar | 01 | 790.180 | 999.0/24Kt | 62,87,462 /- | 57,48,085/- |

17. Accordingly, the said 01 gold bar (derived from gold and chemical mix in form of 02 capsules concealed in his rectum) having purity 999.0/24 Kt. weighing 790.180 grams, recovered from noticee was seized under Panchnama dated 04.01.2025 and seizure memo dated 04.01.2025 under the provisions of the Customs Act, 1962, on the reasonable belief that the said 01 gold bar was smuggled into India by the said noticee with an intention to evade payment of Customs duty and accordingly the same was liable for confiscation under the Customs Act, 1962 read with Rules and Regulation made thereunder.

I also find that the said 790.180 grams of 01 gold bar, having Tariff Value of **Rs.57,48,085/-** and Market value is **Rs.62,87,462 /-** carried by the noticee appeared to be “smuggled goods” as defined under Section 2(39) of the Customs Act, 1962. The offence committed is admitted by the noticee in his statement recorded on 04.01.2025 under Section 108 of the Customs Act, 1962.

OIO No:107/ADC/SRV/O&A/2025-26
F. No. VIII/10-289/SVPIA-B/O&A/HQ/2024-25

18. I also find that the noticee had neither questioned the manner of the Panchnama proceedings at the material time nor controverted the facts detailed in the Panchnama during the course of recording his statement. Every procedure conducted during the Panchnama by the Officers was well documented and made in the presence of the Panchas as well as the noticee. In fact, in his statement, he has clearly admitted that the said gold was not purchased him and Mr. Piyush at Dubai handed over him the gold in form of 02 capsules containing gold paste and in greed of money to he agreed to carry/smuggle the same. He further admitted that the gold paste containing in 02 capsules neither belong to him nor purchased by him. He was fully aware that the gold in form of 02 capsules was concealed in his rectum. He admitted in his statement that he was aware that the bringing gold by way of concealment to India was illegal and it was an offense. His intention was to evade the customs duty, so he had done this illegal carrying of gold of 24KT. in commercial quantity in India without declaration. In his statement he clearly admitted that a person named Shri Montu asked him to smuggled the gold for him and in return he offered an amount of Rs. 30,000/- for every successful delivery. He admitted that in need of money he accepted the offer of Shri Montu and travelled abroad on direction of Montu who born all the expenses of the trip. He further admitted this was his first visit to abroad and also his first instance when he carried the gold in concealed manner. I find from the content of the statement, that said smuggled gold was clearly meant for commercial purpose and hence do not constitute bonafide baggage within the meaning of Section 79 of the Customs Act, 1962. I find from the statement that the said goods were also not declared before Customs and he was aware that smuggling of gold without payment of customs duty is an offence. Since he had to clear the gold without payment of Customs duty, he did not make any declarations in this regard. He admitted that he had opted for green channel so that he could attempt to smuggle the Gold without paying customs duty and thereby violated provisions of the Customs Act, the Baggage Rules, the Foreign Trade (Development & Regulations) Act, 1992 as amended, the Foreign Trade (Development & Regulations) Rules, 1993 as amended and the Foreign Trade Policy 2015-2020 as amended. I find that the statement given by noticee Shri Kamlesh Rameshbhai Janjvadiya under Section 108 of the Customs Act, 1962, was voluntarily and carry evidentiary value under the law.

OIO No:107/ADC/SRV/O&A/2025-26
F. No. VIII/10-289/SVPIA-B/O&A/HQ/2024-25

19. Further, the noticee has accepted that he had not declared the said concealed gold in form of paste containing in capsules, on his arrival to the Customs authorities. It is clear case of non-declaration with an intent to smuggle the gold. The modus of concealing the gold was clever and premediated and shows his intention that he was not willing to declare the said foreign origin gold which is otherwise required to be declared before Customs Authority in terms of Section 77 of Customs Act, 1962. Moreover, he was not having any foreign exchange with him as required to pay applicable duty of said foreign origin gold, which clearly establishes that the said gold was not covered under bonafide household baggage but meant for smuggling. Accordingly, there is sufficient evidence to say that the noticee had kept the said 01 gold bar derived from the paste, which was in his possession and failed to declare the same before the Customs Authorities on his arrival at SVPIA, Ahmedabad. The case of smuggling of gold recovered from his possession and which was kept undeclared with an intent of smuggling the same and in order to evade payment of Customs duty is conclusively proved. Thus, it is proved that the passenger violated Section 77, Section 79 of the Customs Act for import/smuggling of gold which was not for bonafide use and thereby violated Rule 11 of the Foreign Trade Regulation Rules 1993 as amended, and para 2.26 of the Foreign Trade Policy 2015-20.

20. Section 2(33) of the Customs Act, 1962 defines 'prohibited goods' as 'any goods the import or export of which is subject to any prohibition under this Act or any other law for the time being in force but does not include any such goods in respect of which the conditions subject to which the goods are permitted to be imported or exported have been complied with'. The said definition implies that in cases where the conditions applicable for import of goods are not complied with, such goods would fall under the category of 'prohibited goods'. Further, I also note that in the instant case, the gold has not been brought in India by a nominated agency notified by the RBI or DGFT, as the case maybe and as such the same would be covered under the category of 'prohibited goods'. My above finding is aptly supported by the case law of **Om Prakash Bhatia reported at 2003 (155) ELT 423 (SC)** wherein it has been held by the Hon'ble Supreme Court as under:

From the aforesaid definition, it can be stated that (a) if there is any prohibition of import or export of goods under the Act or any other law for the time being in force, it would be considered to be

OIO No:107/ADC/SRV/O&A/2025-26
F. No. VIII/10-289/SVPIA-B/O&A/HQ/2024-25

prohibited goods; and (b) this would not include any such goods in respect of which the conditions, subject to which the goods are imported or exported, have been complied with. **This would mean that if the conditions prescribed for import or export of goods are not complied with, it would be considered to be prohibited goods.** This would also be clear from Section 11 which empowers the Central Government to prohibit either 'absolutely' or 'subject to such conditions' to be fulfilled before or after clearance, as may be specified in the notification, the import or export of the goods of any specified description. The notification can be issued for the purposes specified in sub-section (2). **Hence, prohibition of importation or exportation could be subject to certain prescribed conditions to be fulfilled before or after clearance of goods. If conditions are not fulfilled, it may amount to prohibited goods.** This is also made clear by this Court in *Shekih Mohd. Omer v. Collector of Customs, Calcutta and Others* [(1970) 2 SCC 728] wherein it was contended that the expression 'prohibition' used in Section 111(d) must be considered as a total prohibition and that the expression does not bring within its fold the restrictions imposed by clause (3) of the Import Control Order, 1955. The Court negated the said contention and held thus:-

'...What clause (d) of Section 111 says is that any goods which are imported or attempted to be imported contrary to "any prohibition imposed by any law for the time being in force in this country" is liable to be confiscated. "Any prohibition" referred to in that section applies to every type of "prohibition". That prohibition may be complete or partial. **Any restriction on import or export is to an extent a prohibition.** The expression "any prohibition" in Section 111(d) of the Customs Act, 1962 includes restrictions. Merely because Section 3 of the Imports and Exports (Control) Act, 1947, uses three different expressions "prohibiting", "restricting" or "otherwise controlling", we cannot cut down the amplitude of the word "any prohibition" in Section 111(d) of the Act. "Any prohibition" means every prohibition. In other words all types of prohibitions. Restrictions is one type of prohibition. From item (I) of Schedule I, Part IV to Import Control Order, 1955, it is clear that import of living animals of all sorts is prohibited. But certain exceptions are provided for. But nonetheless the prohibition continues."

OIO No:107/ADC/SRV/O&A/2025-26
F. No. VIII/10-289/SVPIA-B/O&A/HQ/2024-25

The above judgment has been followed by the Hon'ble High Court of Gujarat in the case of **Bhargavraj Rameshkumar Mehta reported at 2018 (361) ELT 260 (Guj)** wherein it has been observed as under:

15. We may recall, the contention of the Counsel for the petitioner in this respect was that the gold at the relevant time was freely importable. Import of gold was not prohibited. Case of the petitioner would therefore, fall under clause (ii) of Section 112 and penalty not exceeding 10% of the duty sought to be evaded would be the maximum penalty imposable. Such contention shall have to be examined in the light of the statutory provisions noted above. As noted, Section 111 of the Act provides for various eventualities in which the goods brought from a place outside India would be liable for confiscation. As per clause (d) of Section 111, goods which are imported or attempted to be imported or are brought within the Customs quarters for import contrary to any prohibition imposed by or under the Act or any other law for the time being in force, would be liable for confiscation. Similarly, for dutiable or prohibited goods found concealed in any manner in any conveyance would also be liable to confiscation. As per Section 2(39) the term 'smuggling' would mean in relation to any goods, any act or omission which will render such goods liable to confiscation under Section 111 or Section 113. Thus, clearly Section 111 of the Customs Act prohibits any attempt at concealment of goods and bringing the same within the territory of India without declaration and payment of prescribed duty. Term 'prohibited goods' as defined under Section 2(33) means any goods, the import or export of which is subject to any prohibition under the Act or any other law for the time being in force but does not include any such goods in respect of which the conditions subject to which the goods are permitted to be imported or exported have been complied with. This definition therefore, comes in two parts. The first part of the definition explains the term 'prohibited goods' as to mean those goods, import or export of which is subject to any prohibition under the law. The second part is exclusionary in nature and excludes from the term 'prohibited goods', in respect of which the conditions subject to which the goods are permitted to be imported or exported have been complied with. From the definition of term 'prohibited goods', in case of goods, import of which is permitted would be excluded subject to

OIO No:107/ADC/SRV/O&A/2025-26
F. No. VIII/10-289/SVPIA-B/O&A/HQ/2024-25

satisfaction of the condition that conditions for export have been complied with. **By necessary implication therefore in case of goods, import of which is conditional, would fall within the definition of prohibited goods if such conditions are not complied with.**

16. Further clarity in this respect would be available when one refers to the term 'dutiabale goods' as to mean any goods which are chargeable to duty and on which duty has not been paid. We refer to this definition since Section 112 makes the distinction in respect of goods in respect of which any prohibition is imposed and dutiable goods other than prohibited goods. When clause (ii) of Section 112 therefor, refers to dutiable goods other than prohibited goods, it shall necessarily have the reference to the goods, import of which is not prohibited or of which import is permissible subject to fulfilment of conditions and such conditions have been complied with. Condition of declaration of dutiable goods, their assessment and payment of customs duties and other charges is a fundamental and essential condition for import of dutiable goods within the country. Attempt to smuggle the goods would breach all these conditions. When clearly the goods are sought to be brought within the territory of India concealed in some other goods which may be carrying no duty or lesser duty, there is clear breach of conditions of import of goods though per se import of goods may not be prohibited.

Further, in case of Malabar Diamond Gallery P. Ltd. Vs ADG, DRI, Chennai [2016(341) ELT65(Mad.)], the Hon'ble Madras High Court has summarized the position on the issue, specifically in respect of gold, as under:

"64. Dictum of the Hon'ble Supreme Court and High Courts makes it clear that gold, may not be one of the enumerated goods, as prohibited goods, still, if the conditions for such import are not complied with, then import of gold, would squarely fall under the definition "prohibited goods", in Section 2 (33) of the Customs Act, 1962----."

Moreover, the Hon'ble High Court of Delhi in its order dated 23.11.2023 in Writ Petition No. 8976 of 2020 in the matter of Kiran Juneja Vs. Union of India & Ors. has held that "A fortiori and in terms of

OIO No:107/ADC/SRV/O&A/2025-26
F. No. VIII/10-289/SVPIA-B/O&A/HQ/2024-25

the plain language and intent of Section 2(33), an import which is affected in violation of a restrictive or regulatory condition would also fall within the net of "prohibited goods".

Relying on the ratio of the judgments cited above, there is no doubt that the goods seized in the present case are to be treated as "prohibited goods" within the meaning assigned to the term under Section 2(33) of the Customs Act, 1962.

21. Further, the test report submitted by the Government approved valuer also confirmed that the gold was of purity of 999.0/24Kt which is not in conformity with locally available gold but similar to the gold generally imported from foreign countries. The test report and confessional statement of noticee conclusively proved that the gold was of foreign origin and not procured through legal channel. Therefore, it is crystal clear that the gold in question is of foreign origin. Further, I find that to bypass the restriction imposed for importation of gold, the smugglers generally converted the gold in paste form by some chemical method for concealing the same by changing the physical appearance of the gold which was generally a solid metal. Conversion of the metal into paste makes the detection difficult by metal detector or scanner. Further, he put this gold paste in capsules and concealed them in his rectum in a way so that the customs officer could have never suspected that he was carrying something with him. It confirms that the noticee wilfully did this to hoodwink the Customs Authority with the intention to evade payment of Customs Duty. The nature of concealment reveals the mindset of the noticee to not only evade duty but smuggle the gold. It also reveals that the act committed by the noticees was conscious and pre-meditated.

22. Further as per Section 123 of the Customs Act, 1962, gold is a notified item and when goods notified thereunder are seized under the Customs Act, 1962, on the reasonable belief that they are smuggled goods, the burden to prove that they are not smuggled, shall be on the person from whose possession the goods have been seized. Section 123 of Custom Act, 1962 read as follows:-

Section 123. Burden of proof in certain cases. -

¹ [(1) Where any goods to which this section applies are seized under this Act in the reasonable belief that they are smuggled goods, the burden of proving that they are not smuggled goods shall be -

OIO No:107/ADC/SRV/O&A/2025-26
F. No. VIII/10-289/SVPIA-B/O&A/HQ/2024-25

(a) in a case where such seizure is made from the possession of any person, -

*(i) on the person from whose possession the goods were seized;
and*

(ii) if any person, other than the person from whose possession the goods were seized, claims to be the owner thereof, also on such other person;

(b) in any other case, on the person, if any, who claims to be the owner of the goods so seized.]

(2) This section shall apply to gold, ² [and manufactures thereof], watches, and any other class of goods which the Central Government may by notification in the Official Gazette specify.

Hence, in respect of gold and manufactures thereof, the burden of proof that such goods are not smuggled is on the person, from whom goods are recovered. In the present case, the noticee has failed to produce any evidences in respect of the gold which was recovered from his possession that the gold was not smuggled one.

23. I find that the importation of gold into India is highly regulated and bulk importation of gold item could only be effected by the nominated banks, agencies or business houses in the manner laid down by various DGFT regulations as well as the RBI circular or **by the eligible passengers in the manner provided by the relevant regulations** as the main object of the Customs Act is to prohibit smuggling of goods and sternly deal with the same as can be gathered/evident on a conjoint reading of Section 2(25), 11(2)(c), 111 and 112 of the Act. Since the conditions for import of gold as per the notification issued by DGFT and the restrictions imposed by RBI have been violated, the gold in question has to be treated as 'prohibited goods' under Section 2(33). Consequently, it would fall within the definition of 'smuggling' under Section 2(39) which will render such goods liable to confiscation under Section 111 of the Act and this act of smuggling was clearly admitted by the noticee in his voluntary statement tendered under Section 108 of Customs Act, 1962.

I also find that import of gold is restricted under Foreign Trade (Development and Regulation) Act, 1992 except by authorized banks and

OIO No:107/ADC/SRV/O&A/2025-26
F. No. VIII/10-289/SVPIA-B/O&A/HQ/2024-25

nationalized agencies. In terms of the Circular No. 34/2013-Cus. issued by the Directorate General of Export Promotion vide F. No. DGEP/EOU/G & J/16/2009 dated 04.09.2013, import of gold is restricted and gold is permitted to be imported only by the agencies notified by DGFT which are as follows:

- a) *Metals and Minerals Trading Corporation Limited (MMTC);*
- b) *Handicraft and Handloom Export Corporation (HHEC);*
- c) *State Trading Corporation (STC);*
- d) *Project and Equipment Corporation of India Ltd. (PEC);*
- e) *STC Ltd.;*
- f) *MSTC Ltd.;*
- g) *Diamond India Ltd. (DIL);*
- h) *Gems and Jewellery Export Promotion Council (G & J EPC);*
- i) *A star Trading House or a Premier Trading House under Paragraph 3.10.2 of the Foreign Trade Policy and*
- j) *Any other authorized by Reserve Bank of India (RBI).*

Hence, the import of gold by any other persons/agencies other than the above, is prohibited as mentioned in terms of the Circular No. 34/2013-Customs issued by the Directorate General of Export Promotion.

24 It is seen that for the purpose of customs clearance of arriving passengers, a two-channel system is prescribed/adopted i.e Green Channel for passengers not having dutiable goods and Red Channel for passengers having dutiable goods and all passengers have to ensure to file correct declaration of their baggage. *I find that the Noticee had not filed the baggage declaration form and had not declared the said gold which was in his possession, as envisaged under Section 77 of the Act read with the Baggage Rules and Regulation 3 of Customs Baggage Declaration Regulations, 2013 and he was tried to exit through Green Channel which shows that the noticee was trying to evade the payment of eligible customs duty. I also find that the definition of “eligible passenger” is provided under Notification No. 50/2017- Customs New Delhi, the 30th June, 2017 wherein it is mentioned as - “eligible passenger” means a passenger of Indian origin or a passenger holding a valid passport, issued under the Passports Act, 1967 (15 of 1967), who is coming to India after a period of not less than six months of stay abroad; and short visits, if any, made by the eligible passenger during the aforesaid period of six months shall be ignored if the total duration of stay on such*

visits does not exceed thirty days. I find that the noticee has not declared the gold before customs authority. It is also observed that the imports were also for non-bonafide purposes. Therefore, the said improperly imported gold weighing 790.180 grams concealed by him, without declaring to the Customs on arrival in India cannot be treated as bonafide household goods or personal effects. The noticee has thus contravened the Foreign Trade Policy 2015-20 and Section 11(1) of the Foreign Trade (Development and Regulation) Act, 1992 read with Section 3(2) and 3(3) of the Foreign Trade (Development and Regulation) Act, 1992.

It, is therefore, proved that by the above acts of contravention, the noticee has rendered the said gold weighing 790.180 grams, having Tariff Value of Rs.57,48,085/- and Market Value of Rs.62,87,462/- recovered and seized from the noticee vide Seizure Order under Panchnama proceedings both dated 04.01.2025 liable to confiscation under the provisions of Sections 111(d), 111(f), 111(i), 111(j), 111(l) and 111(m) of the Customs Act, 1962. By using the modus of concealing the gold in paste of gold and chemical in form of Capsules and concealed the same in his rectum, it is observed that the noticee was fully aware that the import of said goods is offending in nature. It is, therefore, very clear that he has knowingly carried the gold and failed to declare the same on his arrival at the Customs Airport. It is seen that he has involved himself in carrying, keeping, concealing, and dealing with the impugned goods in a manner which he knew or had reasons to believe that the same is liable to confiscation under the Act. It is, therefore, proved beyond doubt that the Noticee has committed an offence of the nature described in Section 112 of the Customs Act, 1962 making him liable for penalty under Section 112 of the Customs Act, 1962.

25. I find that the Noticee confessed of carrying the said gold of 790.180 grams concealed by him and attempted to remove the said gold from the Airport without declaring it to the Customs Authorities violating the para 2.26 of the Foreign Trade Policy 2015-20 and Section 11(1) of the Foreign Trade (Development and Regulation) Act, 1992 read with Section 3(2) and 3(3) of the Foreign Trade (Development and Regulation) Act, 1992 further read in conjunction with Section 11(3) of the Customs Act, 1962 and the relevant provisions of Baggage Rules, 2016 and Customs Baggage Declaration Regulations, 2013 as amended. As per Section 2(33) "prohibited goods" means any goods the import or export of which is subject to any prohibition under this Act or any other law for the time

OIO No:107/ADC/SRV/O&A/2025-26
F. No. VIII/10-289/SVPIA-B/O&A/HQ/2024-25

being in force but does not include any such goods in respect of which the conditions subject to which the goods are permitted to be imported or exported have been complied with. The improperly imported gold by the noticee without following the due process of law and without adhering to the conditions and procedures of import have thus acquired the nature of being prohibited goods in view of Section 2(33) of the Act.

26. It is quite clear from the above discussions that the gold was concealed and not declared to the Customs with the sole intention to smuggle the same clandestinely and to evade payment of Customs duty. The record before me shows that the noticee did not choose to declare the prohibited/ dutiable goods with the wilful intention to smuggle the impugned goods. The said gold bar weighing 790.180 grams, having Tariff Value of Rs.57,48,085/- and Market Value of Rs.62,87,462 /- recovered and seized from the noticee vide Seizure Order under Panchnama proceedings both dated 04.01.2025. Despite having knowledge that the goods had to be declared and such import without declaration and by not discharging eligible customs duty, is an offence under the Act and Rules and Regulations made under it, the noticee had attempted to remove the said gold bar weighing 790.180 grams, by deliberately not declaring the same by him on arrival at airport with the wilful intention to smuggle the impugned gold into India. I, therefore, find that the passenger has committed an offence of the nature described in Section 112(a) & 112(b) of the Customs Act, 1962 making him liable for penalty under the provisions of Section 112 of the Customs Act, 1962.

27. I also find from the confessional statement of noticee that he was carried and smuggled the gold on direction of Shri Montu and for monetary consideration. Such Modus Operandi clearly suggests that noticee smuggled the gold for his personal enrichment. Further, failure to produce any document in support of acquiring/possessing/Carrying of the said quantity of gold by the noticee further strengthens the fact that those were attempted to be brought into the country surreptitiously by flouting all the extant procedures that are required to be observed in importing gold from abroad. Furthermore, it to be noted that all attempts at communicating with the accused has met with failure. The letters sent to the accused had been left un-responded. The repeated refusals on the part of the accused to acknowledge/respond to any correspondence made

OIO No:107/ADC/SRV/O&A/2025-26
F. No. VIII/10-289/SVPIA-B/O&A/HQ/2024-25

from our end is a further testimony to his already established guilt in this premeditated act of smuggling.

28. In view of the above discussions, I find that the manner of concealment, in this case clearly shows that the noticee had attempted to smuggle the seized gold to avoid detection by the Customs Authorities. ***Further, no evidence has been produced/submitted to prove licit import of the seized gold bar, which shows that the noticee has nothing to submit in his defense and sole purpose of the noticee to smuggle the same into India and to avoid the payment of duty without declaring the same before customs authority at airport. Thus, the noticee has failed to discharge the burden placed on him in terms of Section 123.*** Further, from the SCN, Panchnama and Statement, I find that the manner of concealment of the gold is ingenious in nature, as the noticee concealed the gold in form of capsules in his rectum with intention to smuggle the same into India and evade payment of customs duty. Therefore, I hold that the said gold bar weighing 790.180 grams, carried and undeclared by the Noticee with an intention to clear the same illicitly from Airport and evade payment of Customs duty is liable for absolute confiscation. Further, the Noticee in his statement dated 04.01.2025 stated that he has carried the said gold by concealment to evade payment of Customs duty. In the instant case, I find that the gold was carried by the Noticee for getting monetary benefit/personal benefit and that too by concealment of the said gold in form of paste in capsules in his rectum. ***I am therefore, not inclined to use my discretion to give an option to redeem the gold on payment of redemption fine, as envisaged under Section 125 of the Act.***

29. Further, before the Kerala High Court in the case of Abdul Razak [2012(275) ELT 300 (Ker)], the petitioner had contended that under the Foreign Trade (Exemption from application of rules in certain cases) Order, 1993, gold was not a prohibited item and can be released on payment of redemption fine. The Hon'ble High Court held as under:

"Further, as per the statement given by the appellant under Section 108 of the Act, he is only a carrier i.e. professional smuggler smuggling goods on behalf of others for consideration. We, therefore, do not find any merit in the appellant's case that

OIO No:107/ADC/SRV/O&A/2025-26
F. No. VIII/10-289/SVPIA-B/O&A/HQ/2024-25

he has the right to get the confiscated gold released on payment of redemption fine and duty under Section 125 of the Act."

The case has been maintained by the Hon'ble Supreme Court in Abdul Razak Vs. Union of India 2017 (350) E.L.T. A173 (S.C.) [04-05-2012]

30. In the case of Samynathan Murugesan [2009 (247) ELT 21 (Mad)], the High Court upheld the absolute confiscation, ordered by the adjudicating authority, in similar facts and circumstances. Further, in the said case of smuggling of gold, the High Court of Madras in the case of Samynathan Murugesan reported at 2009 (247) ELT 21(Mad) has ruled that as the goods were prohibited and there was concealment, the Commissioner's order for absolute confiscation was upheld.

31. Further I find that in a recent case decided by the Hon'ble High Court of Madras reported at 2016-TIOL-1664-HC-MAD-CUS in respect of Malabar Diamond Gallery Pvt Ltd, the Court while holding gold jewellery as prohibited goods under Section 2(33) of the Customs Act, 1962 had recorded that "restriction" also means prohibition. In Para 89 of the order, it was recorded as under;

89. While considering a prayer for provisional release, pending adjudication, whether all the above can wholly be ignored by the authorities, enjoined with a duty, to enforce the statutory provisions, rules and notifications, in letter and spirit, in consonance with the objects and intention of the Legislature, imposing prohibitions/restrictions under the Customs Act, 1962 or under any other law, for the time being in force, we are of the view that all the authorities are bound to follow the same, wherever, prohibition or restriction is imposed, and when the word, "restriction", also means prohibition, as held by the Hon'ble Apex Court in Om Prakash Bhatia's case (cited supra).

32. The Hon'ble High Court of Madras in the matter of Commissioner of Customs (AIR), Chennai-I Versus P. SINNASAMY 2016 (344) E.L.T. 1154 (Mad.) held-

Tribunal had arrogated powers of adjudicating authority by directing authority to release gold by exercising option in favour of respondent - Tribunal had overlooked categorical finding of

OIO No:107/ADC/SRV/O&A/2025-26
F. No. VIII/10-289/SVPIA-B/O&A/HQ/2024-25

adjudicating authority that respondent had deliberately attempted to smuggle 2548.3 grams of gold, by concealing and without declaration of Customs for monetary consideration - Adjudicating authority had given reasons for confiscation of gold while allowing redemption of other goods on payment of fine - Discretion exercised by authority to deny release, is in accordance with law - Interference by Tribunal is against law and unjustified -

Redemption fine - Option - Confiscation of smuggled gold - Redemption cannot be allowed, as a matter of right - Discretion conferred on adjudicating authority to decide - Not open to Tribunal to issue any positive directions to adjudicating authority to exercise option in favour of redemption.

33. In 2019 (370) E.L.T. 1743 (G.O.I.), before the Government of India, Ministry of Finance, [Department of Revenue - Revisionary Authority]; Ms. Mallika Arya, Additional Secretary in Abdul Kalam Ammangod Kunhamu vide Order No. 17/2019-Cus., dated 07.10.2019 in F. No. 375/06/B/2017-RA stated that it is observed that C.B.I. & C. had issued instruction vide Letter F. No. 495/5/92-Cus. VI, dated 10.05.1993 wherein it has been instructed that “in respect of gold seized for non-declaration, no option to redeem the same on redemption fine under Section 125 of the Customs Act, 1962 should be given except in very trivial cases where the adjudicating authority is satisfied that there was no concealment of the gold in question”.

34. The Hon’ble High Court of Delhi in the matter of Rameshwar Tiwari Vs. Union of India (2024) 17 Centax 261 (Del.) has held-

"23. There is no merit in the contention of learned counsel for the Petitioner that he was not aware of the gold. Petitioner was carrying the packet containing gold. The gold items were concealed inside two pieces of Medicine Sachets which were kept inside a Multi coloured zipper jute bag further kept in the Black coloured zipper hand bag that was carried by the Petitioner. The manner of concealing the gold clearly establishes knowledge of the Petitioner that the goods were liable to be confiscated under section 111 of the Act. The Adjudicating Authority has rightly held that the manner of concealment revealed his knowledge about the prohibited nature of the goods and proved his guilt knowledge/mens-rea."

"26. The Supreme Court of India in State of Maharashtra v. Natwarlal Damodardas Soni [1980] 4 SCC 669/1983 (13) E.L.T. 1620 (SC)/1979

F. No. VIII/10-289/SVPIA-B/O&A/HQ/2024-25

taxmann.com 58 (SC) **has held that smuggling particularly of gold, into India affects the public economy and financial stability of the country.**"

35. Given the facts of the present case before me and the judgements and rulings cited above, the said 01 gold bar weighing 790.180 grams, carried by the noticee is therefore liable to be confiscated absolutely. **I therefore hold in unequivocal terms that the said 01 gold bar weighing 790.180 grams, placed under seizure would be liable to absolute confiscation under Section 111(d), 111(f), 111(i), 111(j), 111(l) and 111(m) of the Customs Act, 1962.**

36. As regard imposition of penalty under Section 112 of Customs, Act, 1962 in respect of Noticee Shri Kamlesh Rameshbhai Janjvadiya , I find that in the instant case, the principle of mens-rea on behalf of noticee is established as the noticee has failed to follow the procedure and intentionally involved in smuggling of the gold and deliberately concealed the gold in form of paste in capsules in his rectum, thus, established that the concealment of said gold is ingenious in nature. On deciding the penalty in the instant case, I also take into consideration the observations of Hon'ble Apex Court laid down in the judgment of M/s. Hindustan Steel Ltd Vs. State of Orissa; wherein the Hon'ble Apex Court observed that "The discretion to impose a penalty must be exercised judicially. A penalty will ordinarily be imposed in case where the party acts deliberately in defiance of law, or is guilty of contumacious or dishonest conduct or act in conscious disregard of its obligation; but not in cases where there is technical or venial breach of the provisions of Act or where the breach flows from a bona fide belief that the offender is not liable to act in the manner prescribed by the Statute." In the instant case, the noticee was attempting to smuggled the gold bar and attempting to evade the Customs Duty by not declaring the gold weighing 790.180 grams having purity of 999.0 and 24K. Hence, the identity of the goods is not established and non-declaration at the time of import is considered as an act of omission on his part. I further find that the noticee had involved himself and abetted the act of smuggling of the said 01 gold bar weighing 790.180 grams, carried by him. He has agreed and admitted in his statement that he travelled from Dubai to Ahmedabad with the said gold in form paste in capsules concealed in his rectum. Despite his knowledge and belief that the gold carried by him is an offence under the provisions of the Customs Act, 1962 and the Regulations made under it, the noticee attempted to

OIO No:107/ADC/SRV/O&A/2025-26
F. No. VIII/10-289/SVPIA-B/O&A/HQ/2024-25

smuggle the said gold of 790.180 grams, having purity 999.0/24kt by concealment. Thus, it is clear that the noticee has concerned himself with carrying, removing, keeping, concealing and dealing with the smuggled gold which he knows very well and has reason to believe that the same are liable for confiscation under Section 111 of the Customs Act, 1962. Accordingly, I find that the noticee is liable for the penalty under Section 112(a) and Section 112(b) of the Customs Act, 1962 and I hold accordingly.

37. Accordingly, I pass the following Order:

ORDER

- i) I order **absolute confiscation** of 01 gold bar weighing **790.180** grams having purity of 999.0 (24KT.) derived from paste of gold and chemical mix, containing in form of 02 capsules concealed in his rectum, having Market value of **Rs.62,87,462/-** and Tariff Value of **Rs.57,48,085/-**, placed under seizure under Panchnama dated 04.01.2025 and seizure memo order dated 04.01.2025, under the provision of Section 111(d), 111(f), 111(i), 111(j), 111(l) and 111(m) of the Customs Act, 1962;
- ii) I impose a penalty of **Rs. 16,00,000/- (Rupees Sixteen Lakh Only)** on **Shri Kamlesh Rameshbhai Janjvadiya** under the provisions of Section 112(a)(i) and 112(b)(i) of the Customs Act, 1962.

38. Accordingly, the Show Cause Notice No. VIII/10-289/SVPIA-B/O&A/HQ/2024-25 dated 28.05.2025 stands disposed of.
