## **9. ANALYSIS AND SCRUTINY OF DOCUMENTS AND STATEMENT OF THE CONCERNED PERSONS RELATED IMPORTER M/S SHREEJI AGRI COMMODITY PVT. LTD**

**9.1** The firm M/s Shreeji Agri Commodity Pvt. Ltd. imported approx. of 7420.676 MTs of Coriander Seeds from Russia under different **Advance Authorization licenses issued by DGFT, Rajkot** as mentioned in the relevant Bills of Entry. The DRI examined live import and export consignments under Panchnamas and drew samples and the said samples were tested at ICAR-National Research Centre on Seed Spices, Ajmer (Report No. 25-26/Dir. Cell/339 dated 10.06.2025). The test report in respect of samples drawn for import Bill of Entry 8919048 dated 16.03.2025 (5 containers from Russia) under regular Panchnama dated 03.05.2025 at M/s Ashutosh Container Services Pvt. Ltd., Mundra, confirmed that goods as temperate/cold region origin (non-Indian). And, in respect samples drawn with respect to exports vide Shipping Bills 1313141, 1313145 (27.04.2025, 2 containers each), and 1313144 (27.04.2025, 2 containers) drawn under regular Panchnamas dated 07.05.2025 and 06.05.2025 at M/s Adani Exim Yard, Mundra, the test reports confirmed goods as Indian origin. This discrepancy establishes substitution: **imported non-Indian goods were diverted domestically, while Indian-origin goods were exported under Advance Authorization**, violating physical export requirements and notification conditions. No evidence of processing or utilization for export was found at registered premises, as corroborated by Panchnamas dated 29-30.04.2025, showing absence of imported stock.

**9.2** The Coriander seeds imported under Advance Authorization (AA) were stored at unregistered third-party warehouses (e.g., PB Agri, Star Agri, Steinweg, Shree Shubam Logistics) without intimation to the Customs authorities. And, said premises were not mentioned in the various **Advance Authorization licenses issued by DGFT, Rajkot**. The Panchnamas (30.04.2025–28.05.2025) confirmed the storage of imported Coriander seeds. Further, the inward and outward registers resumed during the search at the said 3<sup>rd</sup> party warehouses corroborated that the goods i.e. imported Coriander seeds were directly transported from Port to said 3<sup>rd</sup> Party Warehouses. Further, M/s Shreeji Agri Commodity Pvt Ltd sold the imported coriander seeds stored at the various 3<sup>rd</sup> Party warehouses to the domestic buyers without any processing. For instance, inward entries at safe warehouse

operated by M/s Steinweg- Sharaf (India) Pvt. Ltd on 19-21.03.2025 totaling 396.445 MT (242.280 MT on 19.03, 87.555 MT on 20.03, 66.610 MT on 21.03) directly match with Bill of Entry details from Mundra Port, with no processing. The same is corroborated by the vehicle no. mentioned in the e-way bills issued from Mundra to Kherva and in the inward register maintained in the safe warehouse. Further, on analyzing the outward entries of the safe warehouse, it was noticed that a withdrawal of 18.550 Mts of goods on 28.03.2025 which was transported via vehicle DD01K9046, align precisely with sales invoice KHT-3/24-25/243 dated 28.03.2025 to M/s Devdoot Treading Co. and corresponding e-way bill, proving transfer/sale of the duty-free goods to domestic market from unauthorized locations.

**9.3** Further from the analysis of inward and outward registers of various 3<sup>rd</sup> Party warehouses resumed during the Panchnamas, it was found that M/s Shreeji Agri Commodity Pvt. Ltd issued e-way bill from Mundra Port to Kherva/Rajkot and instead of transporting goods to its registered premises, the goods were transported to the said 3<sup>rd</sup> party warehouses and the said goods were found to be deposited in the name of M/s. Times Comtrade Private Limited as the vehicle number and details in e-way bill matches with the details mentioned in the inward registers of the warehouses which shows that the imported has sold the duty free goods to M/s Times Comtrade Pvt. Ltd. The list of some of the e-way bills are as below:

Sl. No.	E-way Bill No.	Date	Vehicle No.	Warehouse Name
1	611868939300	05-03-2025	GJ11VV7590	Shree Shubham Logistics warehouse

**9.4** Perusal of inward-outward registers resumed during the **search proceedings conducted on 30.04.2025** at the warehouses of **P.B. Agri, Safe Warehouse, Alpaben Parsana Warehouse and Sanjaykumar Aggarwal Warehouse**, coupled with corresponding e-way bills resumed under the same **Panchnamas**, revealed that consignments of imported coriander seeds transported from **Saurashtra CFS, Mundra Port** were not delivered to the registered premises of M/s Shreeji Agri Commodity Pvt. Ltd. as declared in e-way bills.

Instead, the goods were diverted and delivered to third-party storage facilities. One such specific instance is recorded in the **inward-outward register resumed from Safe Warehouse under Panchnama dated 30.04.2025** where E-way Bill No. 601875154740 dated 18.03.2025 covering 22 MT of coriander seeds, though declared as destined for Plot No. 8, Shreenathji Industrial Estate, Kherva, actually entered in the warehouse register as received at Safe Warehouse, Village Jiyana. This fact was further corroborated in the **statement of Shri Vishal Aghera, Executive of Shreeji, recorded on 30.04.2025 under Section 108 of the Customs Act (RUD-35)**, wherein he admitted that due to lack of space at Shreeji's registered factory premises, imported consignments were diverted to private warehouses. **These documentary evidences, supported by the warehouse registers and corroborative admission in statement clearly establish the diversion of duty-free imported goods to unauthorized premises.**

**9.5** Perusal of sales invoices issued by M/s Shreeji Agri Commodity Pvt. Ltd. to M/s Times Comtrade Pvt. Ltd. covering 455.86 MT of coriander seeds (invoice details resumed under Panchnama) confirmed the sale of imported duty-free coriander seeds in the domestic market. The corresponding inward entries in warehouse registers of P.B. Agri Warehouse further corroborate that these imported consignments were not utilized in manufacture of export goods but were sold to domestic buyers in contravention of Advance Authorization conditions.

**9.6** The WhatsApp chats retrieved from the mobile phone of Shri Vishal Jayantilal Aghera, Executive of M/s Shreeji Agri Commodity Pvt. Ltd., confirmed negotiations and sale of imported coriander seeds to M/s Dev Traders, Kanpur and to M/s Pankaj Kumar Neeraj Kumar, Neemuch. The chats specifically mentioned "imported coriander" and confirmed the prices. These digital evidences are admissible as Relied Upon Documents (RUDs) under Section 138C of the Customs Act, 1962. Shri Vishal Jayantilal Aghera, in his statement dated 30.04.2025, admitted that imported goods received from the port were never delivered to the registered premises of M/s Shreeji Agri Commodity Pvt. Ltd. due to lack of storage space and were instead diverted to third-party warehouses. He also admitted that imported coriander seeds were directly sold to domestic buyers on the basis of confirmations received from brokers.

**9.7** Shri Jitendra Tulsidas Kakkad, Managing Director of M/s Shreeji Agri Commodity Pvt. Ltd., admitted in his statement dated 01.05.2025 that imported duty-free coriander seeds were stored at third-party warehouses without any intimation to the Customs authorities

and that Indian-origin coriander seeds were exported under the Advance Authorization scheme. He accepted full ownership of all the seized goods. He further acknowledged that Notification No. 21/2023-Customs prohibits such transfer or sale of duty-free imported goods, yet he deliberately diverted the imported coriander seeds in violation of the conditions of the scheme. This admission provides conclusive evidence of mens rea.

**9.8** The statement dated 02.06.2025 of **Shri Chiragkumar Jashvantlal Shah**, Proprietor of broker firm **M/s Sesame & Spices Exim, Rajkot**, recorded under Section 108 of the Customs Act, 1962, corroborates the fact that the order given through his firm to M/s Shreeji Agri Commodity Pvt. Ltd. to export of the coriander seeds were of **Indian origin coriander seeds**. He categorically affirmed that the sales contracts SSE/01/25-26 dated 01.04.2025 for coriander seeds of Gujarat origin and SSE/273/24-25 dated 10.02.2025 for coriander seeds of Madhya Pradesh origin pertained exclusively to domestic produce, which had already been exported to overseas buyers namely **M/s Natvar & Co., Dubai** and **M/s Gazal Al Khadra Trading Co. LLC, Oman**. His admission that all the goods exported through his broker firm for M/s Shreeji Agri Commodity Pvt. Ltd. were of Indian origin directly negates any claim of export of duty-free imported coriander seeds and establishes that Indian origin goods were shown as exports under the Advance Authorization scheme while the imported duty-free coriander seeds were diverted for unauthorized sale in the domestic market.

## **10. ANALYSIS AND SCRUTINY OF EXPORT DOCUMENTS OF M/S. SHREEJI AGRI COMMODITY PVT. LTD**

It is evident from the documents that M/s. Shreeji Agri Commodity Pvt. Ltd. has diverted the imported coriander seeds at local/domestic market and they had acquired Indian Origin coriander from local/domestic market and exported either directly or through 3<sup>rd</sup> party exporters, towards fulfilment of export obligation arising out of the duty free import under various advance licenses. The export of Indian Origin coriander seeds by M/s. Shreeji Agri Commodity Pvt. Ltd. established on the basis of the test report of the samples drawn from the goods presented for export. The Test Report clearly states that the goods presented for export is Indian Origin goods. Further, M/s. Shreeji Agri Commodity has also exported Indian Brand coriander seeds as mentioned at the description of the goods at Shipping Bills. Accordingly, it is evident that M/s. Shreeji Agri Commodity Pvt. Ltd. had directly exported 3361.945 MTs of Coriander Seeds valued at Rs. 26,52,92,736/- in various shipping bills, as per annexure 'B' towards fulfilment of export obligation of various Advance Licenses.

Such conduct amounts to gross violation of the conditions prescribed under Notification No. 21/2023-Cus dated 01.04.2023, clearly establishing deliberate misuse of the scheme to derive unlawful commercial benefits.

### **ANALYSIS OF SCRUTINY OF DOCUMENT PRODUCED BY THE THIRD PARTY EXPORTERS, WHO HAD EXPORTED THE CORIANDER SEEDS UNDER ADVANCE AUTHORIZATIONS OF M/S SHREEJI AGRI COMMODITY PVT. LTD.**

**11.1** On scrutiny of the export documents produced by M/s Lancer Spices Pvt. Ltd., particularly invoices T-2/24-25/18 and T-2/24-25/19 dated 07.02.2025, it was noticed that coriander seeds purchased from Shreeji were exported under Shipping Bills 8165754 dated 14.02.2025 and 8237999 dated 17.02.2025. The attached contracts and Certificates of Origin categorically mention "Indian Origin Coriander." However, the shipping bills also carried the Advance Authorization No. 3411005771 of Shreeji. These documents establish clear misuse of Shreeji's Advance Authorization for export of Indian origin goods. Shri Mahesh Dayaldas Chellani, Director of M/s Lancer Spices Pvt. Ltd., admitted in his voluntary statement dated 09.05.2025 that the coriander exported under the above shipping bills was entirely of Indian origin, procured through Shreeji, and not imported material. He explained that inclusion of Shreeji's Advance Authorization number was done on Shreeji's request against a 2% price concession. This statement squarely confirms the misuse of authorization.

**11.2** The examination of purchase and export documents produced by M/s Asian Food Industries, including invoices and shipping bills covering substantial quantities of coriander seeds, revealed that although the goods were of **Indian origin** as evidenced by the sales contracts and Certificates of Origin resumed under Panchnama dated 30.04.2025, the said exports were nevertheless filed under **Advance Authorization No. 2411002810 issued to M/s Shreeji Agri Commodity Pvt. Ltd.** as confirmed in the statement of Shri Ajay Kumarlal Tahiliani, Partner of M/s Asian Food Industries, recorded on 26.05.2025 under Section 108 of the Customs Act, 1962. Shri Ajay Kumarlal Tahiliani categorically admitted that his firm purchased Indian origin coriander seeds from Shreeji at **discounted rates on the specific condition that the shipping bills must reflect Shreeji's Advance Authorization number.** This admission demonstrates that Shreeji, fully aware of the ineligibility of Indian origin goods under the scheme, **knowingly induced third-party exporters to misuse its Advance Authorizations** in order to show fulfillment of export obligations, while retaining and diverting duty-free imported stock in the domestic market.

**11.3** The scrutiny of invoices BP/EXP-176/24-25 dated 02.10.2024 and BP/EXP-172/24-25 dated 30.09.2024 issued by M/s BP Spices showed export of 71 MT of coriander seeds under Shipping Bills 4580703 and 4477403. The sales contracts attached with these consignments described the goods as "**Indian Origin Coriander Seeds**, HS Code 09092190." However, in the shipping bills the same goods were declared as "**Coriander Sterilize**" only to match the conditions of Advance Authorization No. 2411002972 issued to M/s Shreeji Agri Commodity Pvt. Ltd. These documents, resumed during investigation, clearly prove mis-declaration of origin and description. In his statement dated 30.05.2025, Shri Pavankumar Babulal Patel, Partner of M/s BP Spices, admitted that the goods were never sterilized and that they were entirely of Indian origin. He further stated that the description was changed only because M/s Shreeji Agri Commodity Pvt. Ltd. required their authorization number to be used, and in return M/s Shreeji Agri Commodity Pvt. Ltd. supplied the goods at discounted rates.

**11.4** The scrutiny of contracts and export invoices of M/s BSR Overseas LLP, such as Contract No. BSR/613/24-25 dated 12.03.2025 and Invoice No. BSR/023-B/25-26 dated 03.04.2025, established that the goods supplied by M/s Shreeji Agri Commodity Pvt. Ltd. were "**Coriander Whole Double Parrot, New Crop-2025**" of Indian origin. However, the export Shipping Bill No. 9709139 dated 05.04.2025 linked the consignment to M/s Shreeji Agri Commodity Pvt. Ltd.'s Advance Authorization No. 2411004124 and declared origin as "**Russia**." This documentary contradiction, supported by COO certificates showing "**India**," is a clear proving substitution. Shri Rajesh Thawani, partner of M/s BSR Overseas LLP, in his statement dated 07.06.2025 admitted that the goods were Indian origin and declaration of "**Russia**" was made under instruction of M/s Shreeji Agri Commodity Pvt. Ltd. to avail discount. He also admitted that Double Parrot quality coriander is exclusive to Gujarat and never imported, further proving that the exports were not of imported material.

**11.5** The documents of M/s Roy International, including Invoice Nos. T-10/24-25/5 to 8 dated 03.10.2024 and Sales Contract No. RI242501026 dated 23.09.2024, show that 40 MT of coriander seeds were purchased from M/s Shreeji Agri Commodity Pvt. Ltd. and exported to Malaysia under Shipping Bill No. 4655619 dated 07.10.2024 by using Advance Authorization No. 2411002973 of M/s Shreeji Agri Commodity Pvt. Ltd.. The Certificate of Origin issued by Gondal Chamber of Commerce certified the goods as of Indian origin, yet in the shipping bill the same goods were wrongly declared as of Russian origin only to match description of the Advance authorization. In his statement dated 30.06.2025, Shri

Hiteshbhai Mohanbhai Rayani, Partner of M/s Roy International, admitted that all documents confirmed Indian origin. He also failed to produce any evidence in support of Russian origin. This makes it clear that Advance Authorization of M/s Shreeji Agri Commodity Pvt. Ltd. was used deliberately for exports of Indian origin goods.

**11.6** The scrutiny of invoices T-11/24-25/9 dated 21.11.2024, T-3/24-25/25 dated 18.03.2025, and T-4/25-26/1 to 4 dated 01.04.2025 issued by M/s Shreeji Agri Commodity Pvt. Ltd. to M/s Saibaba Agrilink Pvt. Ltd. revealed purchase of about 104 MT coriander seeds which were subsequently exported under Shipping Bills 5834732, 9655455, 9655427, and 9128332. The COO for said Shipping bills certified the goods as of Indian origin, whereas shipping bills under M/s Shreeji Agri Commodity Pvt. Ltd.'s authorization declared Russian origin. Shri Gaurav Bangeja, Director of M/s Saibaba Agrilink Pvt. Ltd., admitted in his statement dated 01.07.2025 that the goods were Indian origin, procured from local supplier and transported directly to Mundra Port. He confirmed that Russian origin was declared in shipping bills only to fulfillment of the export obligation of advance authorization of M/s Shreeji Agri Commodity Pvt. Ltd.

**11.7** M/s Rise and Shine Overseas exported about 56 MT of coriander seeds which were purchased from M/s Shreeji Agri Commodity Pvt. Ltd. under Invoice No. KHT-12/23-24/61 dated 12.12.2023 and Invoice Nos. T-2/23-24/21 and 33 both dated 14.02.2024. The export consignments covered under Shipping Bill Nos. 7324758, 7556461 and 5980043 were supported by contracts and Certificates of Origin, all of which clearly certified the goods as of **Indian origin**. However, despite this, the exports were shown under **Advance Authorization No. 2411002592** of M/s Shreeji Agri Commodity Pvt. Ltd.. In his statement dated 09.07.2025, **Shri Sundar Kotvani, Proprietor of M/s Rise and Shine Overseas**, admitted that every document related to the export transaction described the goods as of Indian origin. He further confirmed that he did not possess any document or communication to show that the goods were of Russian origin. He categorically stated that all the goods purchased from M/s Shreeji Agri Commodity Pvt. Ltd. and later exported by his firm were of Indian origin, which proves that the use of advance authorization against export of Indian origin goods in the shipping bills was only at the instance of M/s Shreeji Agri Commodity Pvt. Ltd. for misuse of its Advance Authorization.

**11.8** M/s M.R. Agro India Pvt. Ltd. exported a total of 273 MT of coriander seeds under Shipping Bill Nos. 8276575, 8287807 and 9413999, wherein the exports were shown under **Advance Authorization No. 2411002973** of M/s Shreeji Agri Commodity Pvt. Ltd.

The supporting documents, namely Invoices MRA2324386/87 and the Certificates of Origin, clearly certified the goods as of **Indian origin**. Despite this, in the shipping bills the same goods were declared as "**Coriander Sterilize**" only to match the description prescribed in Shreeji's authorization. In his statement dated 17.07.2025, **Shri Miteshkumar Patel, Director of M/s M.R. Agro India Pvt. Ltd.**, admitted that the goods exported by his firm were entirely of Indian origin and not sterilized. He further stated that M/s Shreeji Agri Commodity Pvt. Ltd. supplied these goods at a discounted rate of 2% on the condition that their Advance Authorization number would be reflected in the shipping bills.

**12. ANALYSIS AND SCRUTINY OF DOCUMENTS PRODUCED BY DOMESTIC SUPPLIER OF CORIANDER SEEDS TO M/S. SHREEJI AGRI COMMODITY PVT. LTD.**

On scrutiny of the stock ledger of M/s. Shreeji Agri Commodity Private Limited it is evident that M/s. Shreeji Agri Commodity Pvt. Ltd. has acquired coriander seeds locally from various local/domestic suppliers viz. M/s. Vraj Exports, M/s. Tirupati Industires, etc. and the same was confirmed by these firms during their statements recorded under section 108 of Customs Act, 1962 and further Shreeji Agri Commodity Private Limited have sold the same to the various third party exporters at discounted rate to be exported on behalf of M/s. Shreeji Agri Commodity Pvt. Ltd. for the purpose of fulfilling export obligation under advance authorization which is gross violation of norms of the Advance Authorisation Scheme.

**13. ANALYSIS OF SCRUTINY OF DOCUMENT PRODUCED BY BUYERS OF IMPORTED CORIANDER SEEDS IMPORTED UNDER ADVANCE AUTHORIZATIONS AND FURTHER SOLD BY M/S SHREEJI AGRI COMMODITY PVT. LTD.**

**13.1** The scrutiny of GST invoices KHT-1/24-25/209 dated 29.01.2025, KHT-2/24-25/95 dated 13.02.2025, KHT-3/24-25/181 dated 21.03.2025 and others issued by M/s Shreeji Agri Commodity Pvt. Ltd. to M/s **Vedic International** established the sale of 158 MT of coriander seeds in the domestic market. These invoices, along with WhatsApp chat transcripts produced by Shri Tarun Garg, Proprietor of M/s Vedic International, provide clear evidence of diversion of imported duty-free goods. In his statement dated 05.05.2025, Shri Tarun Garg admitted that the goods purchased from M/s Shreeji Agri Commodity Pvt. Ltd. were imported and not of Indian origin. He further stated that although he did not verify whether

the consignments were duty-paid or duty-free, he confirmed that all the goods supplied by M/s Shreeji Agri Commodity Pvt. Ltd. to his firm were imported coriander seeds.

**13.2** The scrutiny of invoices issued by M/s Shreeji Agri Commodity Pvt. Ltd. to **M/s Pankaj Kumar Neeraj Kumar** established that a total of 420 MT of imported coriander seeds were sold in the domestic market. These invoices clearly indicate that the supplies made by M/s Shreeji Agri Commodity Pvt. Ltd. to M/s Pankaj Kumar Neeraj Kumar were of imported coriander seeds. In his statement dated 06.05.2025, Shri Pankaj Rahi, Proprietor of M/s Pankaj Kumar Neeraj Kumar, admitted that his firm had purchased only imported coriander seeds from M/s Shreeji Agri Commodity Pvt. Ltd. through brokers. He further confirmed that the coriander seeds supplied under these invoices were not of Indian origin. The invoices issued by M/s Shreeji Agri Commodity Pvt. Ltd. and the statement of Shri Pankaj Rahi together provide clear evidence of diversion of imported coriander seeds into the domestic market in violation of the conditions of import under Advance Authorization.

**13.3** The investigation revealed that **M/s Sujay Traders**, a proprietorship firm engaged in trading Agri-commodities, purchased a total of 59.680 MT of imported coriander seeds from M/s Shreeji Agri Commodity Pvt. Ltd. between November 2024 and March 2025, through brokers M/s Krishna Canvassing LLP, Rajkot and M/s Radhey Shyam Brokers, Junagadh. It was specifically confirmed that all purchases from M/s Shreeji Agri Commodity Pvt. Ltd. were of imported coriander seeds only, and not of domestic origin which confirmed and established that Shreeji Agri Commodity Pvt. Ltd. sold imported coriander into the domestic market.

**13.4** During enquiry, it was established that **M/s Shiv Bhole Enterprises**, a proprietorship concern dealing in agricultural commodities, purchased about 573.19 MT of coriander seeds from M/s Shreeji Agri Commodity Pvt. Ltd. between March 2024 and April 2025 through broker M/s Krishna Canvassing LLP, Rajkot. Out of this, about 523 MT were confirmed to be imported coriander seeds only, and not of domestic origin, thereby evidencing that duty-free imported goods were released into the domestic channel by Shreeji Agri Commodity Pvt. Ltd.

**13.5** Scrutiny of records and statements showed that **M/s Times Comtrade Pvt. Ltd.**, a trading company without processing facility, purchased about 1055 MT of imported coriander seeds from M/s Shreeji Agri Commodity Pvt. Ltd. from February 2025 onwards. The goods were confirmed to be imported duty-free consignments obtained under Advance

Authorization, which were resold to them by M/s Shreeji Agri Commodity Pvt. Ltd. in contravention of scheme conditions, thus clearly demonstrating diversion of imported goods into the local market.

**13.6** Examination of the transactions brought out that **M/s Madhav Agro Industries**, a trading concern, purchased 10 MT of imported coriander seeds from M/s Shreeji Agri Commodity Pvt. Ltd. in June 2024 through broker M/s Krishna Canvassing LLP, Rajkot. The transaction involved imported coriander seeds only, which indicates that Shreeji engaged in direct domestic sale of imported consignments.

**13.7** The statement of the proprietor confirmed that **M/s B.S. Commodity & Export**, engaged in trading agricultural commodities, purchased 9.605 MT of imported coriander seeds from M/s Shreeji Agri Commodity Pvt. Ltd. in May 2024 through broker M/s Krishna Canvassing LLP, Rajkot. The purchase was of imported coriander only, reaffirming the fact that imported consignments were disposed of by way of sale in the domestic market by M/s Shreeji Agri Commodity Pvt. Ltd.

**13.8** Verification of evidences established that **M/s Anant Seeds**, a partnership firm, purchased 218.460 MT of imported coriander seeds from M/s Shreeji Agri Commodity Pvt. Ltd. during December 2023 to February 2024 through broker M/s Dalal Pratik Lalit Kumar. These purchases related exclusively to imported coriander, which substantiates the fact that M/s Shreeji Agri Commodity Pvt. Ltd. offloaded duty-free imported goods into the domestic trade.

**13.9** It was also confirmed that **M/s Kore International**, a trading firm, purchased 6.125 MT of imported coriander seeds from M/s Shreeji Agri Commodity Pvt. Ltd. on 01.06.2025 through broker M/s Bajrang Broker, Rajkot. The confirmation that only imported coriander was purchased highlights yet another instance of diversion of imported consignments into domestic sales by M/s Shreeji Agri Commodity Pvt. Ltd.

**13.10** Further, evidence on record indicated that **M/s Devdoot Trading Co.**, a trading firm, purchased 379.465 MT of imported coriander seeds from M/s Shreeji Agri Commodity Pvt. Ltd. during 2024-25 through broker M/s Krishna Canvassing LLP, Rajkot. Correlation with warehouse records established that these were imported consignments moved directly from port to third-party warehouses and subsequently sold in the local market, confirming large-scale diversion of imported coriander by M/s Shreeji Agri Commodity Pvt. Ltd.

**13.11** The enquiry also established that **M/s Gangaram Lalludas Patel**, a trading concern, purchased about 143 MT of imported coriander seeds from M/s Shreeji Agri Commodity Pvt. Ltd. between July 2023 and April 2025. The purchases were confirmed as imported origin only, thereby reinforcing the consistent pattern of M/s Shreeji Agri Commodity Pvt. Ltd. releasing imported consignments into the domestic market.

**13.12** The cumulative examination of documentary evidence and recorded statements brings out a clear and consistent modus operandi adopted by M/s Shreeji Agri Commodity Pvt. Ltd. The firm systematically diverted imported duty-free coriander seeds into the domestic market in contravention of the exemption conditions and, at the same time, exported locally procured Indian origin coriander seeds under the cover of Advance Authorizations. The evidence further indicates that discounts were extended to exporters to facilitate such exports, thereby creating a façade of compliance while misusing the scheme.

**13.13** The findings are amply supported by Panchnamas, GST invoices, e-way bills, warehouse registers, sales contracts, Certificates of Origin, laboratory test reports, WhatsApp chat transcripts, and the voluntary statements of key functionaries of the firm. Taken together, this body of evidence conclusively establishes that M/s Shreeji Agri Commodity Pvt. Ltd. deliberately violated the provisions of Notification No. 21/2023-Cus by misusing the Advance Authorization scheme. The pattern of substitution of goods, diversion of duty-free imports, and concealment of the true origin of exported consignments demonstrates a calculated intent to defraud revenue and to unlawfully benefit from export promotion incentives.

**14.2.** After scrutiny of import data and records, it was observed that M/s Shreeji Agri Commodity Pvt. Ltd. had imported 7420.67 MT of goods, i.e., Coriander Seeds, valued at Rs. 42,70,84,370/- (Rupees Forty-Two Crores Seventy Lakhs Eighty-Four Thousand Three Hundred and Seventy only) under the Advance Authorization Scheme through **Mundra and Nhava Sheva Port** during the period from **June 2022 to Feb, 2025**, as detailed in Annexure-A. Further, during inquiry, total 3150 MT quantity of duty-free imported coriander seeds imported under advance authorization were **traced** which were sold into domestic market by M/s Shreeji Agri Commodity Pvt. Ltd. without payment of applicable duties.

**14.3** During the course of the inquiry, statements were recorded from various brokers, buyers, sellers, and third-party exporters who had undertaken transactions involving coriander seeds with M/s Shreeji Agri Commodity Pvt. Ltd. In the course of

recording these statements, several documents pertaining to the procurement, storage, and sale of coriander seeds by the firm were produced, identified, and thoroughly examined. Detailed scrutiny and analysis of these documents, read in conjunction with the corroborative statements of the concerned parties, established that duty-free imported coriander seeds availed under the Advance Authorization Scheme were specifically identified and traced through documentary evidence. This fact was further admitted by the respective buyers during their depositions. The investigation thus clearly demonstrates that M/s Shreeji Agri Commodity Pvt. Ltd. diverted imported duty-free coriander seeds into the domestic market without payment of applicable customs duty, in contravention of the conditions prescribed under the Advance Authorization Scheme and in violation of Notification No. 21/2023-Cus, thereby resulting in misuse of the export promotion benefit.

**14.4** The Director of M/s Shreeji Agri Commodity Pvt. Ltd. admitted that the firm had imported duty-free coriander seeds under the Advance Authorization Scheme and subsequently diverted the same into the domestic market in violation of the prescribed conditions. To ostensibly fulfill the export obligations linked to some Advance Authorization, the firm procured Indian-origin coriander seeds from local sources and exported them while declaring the respective Advance Authorization numbers on the shipping bills. He acknowledged being fully aware of the legal provisions governing the scheme, including the categorical prohibition on the sale, transfer, or diversion of duty-free imported goods in the domestic market without payment of applicable customs duty. He further admitted that the firm neither informed nor obtained prior approval from any competent authority for the transfer and storage, of the imported goods, as mandated under Customs Notification No. 21/2023-Customs dated 01.04.2023. Upon being confronted with relevant documentary evidence, including statements of buyers, brokers, and sellers, as well as supporting commercial records, he conceded that the firm had contravened the conditions of both the Advance Authorization Scheme and the aforesaid Customs Notification. He expressly accepted responsibility for the violations, thereby establishing clear evidence of deliberate misuse of the export promotion scheme.

**14.5** During the enquiry M/s Shreeji Agri Commodities Pvt. Ltd. had **voluntarily paid** an amount of **Rs. 75 Lakhs** vide various online challans. The detail of the said payments is as under:

Sr. No.	Challan No. & Date	Total amount	Document Reference No.
---------	--------------------	--------------	------------------------

01	1819861659 dated 30.05.2025	25,00,000/-	TR 6 Challan

03	1223888480 dated 05.08.2025	25,00,000/-	E-payment Transaction Receipt

The voluntary payment of customs duty by M/s Shreeji Agri Commodity Private Limited during the course of investigation is itself a clear indication that the importer has accepted the liability arising out of diversion of duty-free imported goods. The director of M/s Shreeji Agri Commodity Pvt. Ltd., in its statement, expressly admitted to such liability and undertook to discharge the same in a phased manner. This act of part-payment towards customs duty, reinforces the fact that the importer was fully conscious of the contravention committed under the Advance Authorization Scheme and of the consequent duty liability. The voluntary deposit made during investigation, therefore, constitutes corroborative evidence of the misuse of exemption and establishes that the importer acted with full knowledge of the violations, thereby strengthening deliberate evasion of duty.

**16 DISCUSSION ON THE EVIDENCES:**

From the facts discussed in the foregoing paras, documentary evidences gathered during the course of investigation, statements of various persons recorded on various dates coupled with the voluntary depositions made by various persons, the following facts emerge:-

- M/s Shreeji Agri Commodity Pvt. Ltd. Obtained the following Advance Authorization numbers from DGFT Rajkot under Advance Authorization Scheme **on self-declaration basis** (without any fix norms) and had utilized for import of duty free Coriander Seeds under Advance Authorization Scheme. The aforesaid license was issued to M/s Shreeji Agri Commodity Pvt. Ltd. in terms of **para 4.03 of Foreign Trade Policy 2023** for importing Coriander Seeds without payment of duty by availing the benefit of Notification No. 21/2023-Cus. dated 01.04.2023.

- As per the para (xii) of Notification No. 21/2023-Cus. Dated 01.04.2023, *the said materials shall not be transferred or sold.*
- From the investigation conducted, as discussed in the above **paras**, it appears that said duty free imported goods were sold to the various buyers into local market without payment of customs duty.
- As per the terms of the **Advance Authorization** issued to the importer, **M/s Shreeji Agri Commodity Pvt. Ltd.** was permitted to import duty-free coriander seeds with the obligation to export sterilized coriander seeds on a self-declaration basis. The inquiry, however, has conclusively established that the importer diverted the duty-free imported goods into the domestic market and, instead, exported Indian-origin coriander seeds under the cover of the Advance Authorization. Thus, it stands established that the importer deliberately misused the **Advance Authorization Scheme** by availing the benefit of duty exemption without fulfilling the prescribed export conditions, in contravention of the governing customs notification.
- The admissions of the Director of M/s Shreeji Agri Commodity Pvt. Ltd. during investigation clearly establish that duty-free imported coriander seeds were stored at unauthorized warehouses not declared in the Advance Authorization. No intimation of such storage was ever provided to the competent authorities, in direct violation of the conditions prescribed under Customs Notification No. 21/2023-Cus dated 01.04.2023. His acknowledgment of having reviewed and signed the said Notification, including Para XII which explicitly prohibits transfer, sale, or storage of duty-free goods at unapproved premises, demonstrates that the firm knowingly contravened the governing conditions. This conduct confirms deliberate non-compliance

with the scheme requirements and unauthorized storage of imported goods, thereby substantiating the allegation of misuse.

- Further, by admitting that the duty-free imported coriander seeds were diverted and sold in the local market, the Director has affirmed violation of both the Customs Act, 1962 and Notification No. 21/2023-Cus. While he sought to downplay the scale of diversion by attributing it to only 10% of total turnover, such acknowledgment nonetheless establishes that the firm engaged in unauthorized disposal of exempted imports in the domestic market. His acceptance of the consequent duty liability, including partial payment of ₹75 lakh and assurance of further payment, corroborates the fact of evasion and reinforces the presence of mensrea. Thus, the enquiry has conclusively proved that M/s Shreeji Agri Commodity Pvt. Ltd. misused the Advance Authorization Scheme by diverting duty-free imports into the domestic market in contravention of law.
- In his statement, director of M/s Shreeji Agri Commodity Pvt. Ltd confirmed that the said firm had sold the imported coriander seeds to various buyers. The details of the said sale of coriander seeds after first import 2023 under Advance Authorizations is mentioned below:

Sl. No.	Name of buyers	Total Qty purchased (in MT)
1	M/s Vedic International	158.005
2	M/s Pankaj Kumar Neeraj Kumar, Neemuch	423.045
3	M/s Sujay Traders	59.68
4	M/s Shiv Bhole Enterprise, Neemuch	523
5	M/s Times Comtrade Pvt. Ltd	1055
6	M/s Madhav Agro Industries, Unjha	10
7	M/s BS Commodity & Export Unjha	9.605
8	M/s Anant Seeds	218.46
9	M/s Kore International	6.125

12	M/s Devdoot Treading Co.	379.465
	<b>Total</b>	<b>3150.33</b>

- The transactions unearthed during the course of investigation, which involved the sale of duty-free imported coriander seeds into the domestic market, constitute clear and corroborated evidence of deliberate misuse of the **Advance Authorization**

**Scheme by M/s Shreeji Agri Commodity Pvt. Ltd.** The firm, instead of utilizing the imported goods for the intended purpose of processing and re-export in compliance with the scheme conditions, diverted them into local trade channels for commercial gain. Such diversion was admitted by the buyers as well as confirmed through documentary records including invoices, e-way bills, warehouse registers, and WhatsApp communications. The act of disposing of duty-free imports in the domestic market, without payment of applicable customs duties and in contravention of **Notification No. 21/2023-Cus dated 01.04.2023**, demonstrates conscious intent to evade revenue and fraudulently claim benefits under an export promotion scheme. These findings, therefore, conclusively establish that the firm acted with full knowledge of the prohibitions and intentionally misused the scheme to its advantage.

## 17 CONTRAVENTION OF STATUTORY PROVISIONS:

**17.1** M/s **Shreeji Agri Commodity Pvt. Ltd.** had imported duty free goods under Advance Authorization Scheme issued by DGFT Ahmedabad under Notification No. 21/2023-Cus Dated 01.04.2023 during the period from June, 2022 to February, 2025. This period was covered under the provisions of The Foreign Trade Policy (FTP) 2023, which came into force with effect from 1st April, 2023.

**17.2** As per the terms and conditions of Notification No. 21/2023-Cus., dated 01.04.2023 read with relevant provisions of Exim Policy in force, in order to avail exemption from payment of duty, M/s **Shreeji Agri Commodity Pvt. Ltd.** was required to deliver the duty free imported goods at their registered premises as per Actual User Conditions of the said notifications. After delivering the same to their registered premises, they were required to process the same for manufacture of finished goods meant for export only. However, the said materials might be transferred to a job worker for processing subject to complying with the conditions specified in the relevant CBIC notifications permitting transfer of materials for job work. Now, as per the evidence available on record and discussed in the foregoing paragraphs, it appears that the conditions/provisions of the Advance Authorization issued to M/s **Shreeji Agri Commodity Pvt. Ltd.** for effecting duty free clearance of impugned goods were not followed by the said firm and the goods imported under the impugned Advance Authorization were diverted/sold in the open market in as such condition and accordingly the actual user condition (and physical incorporation in export products) requiring fulfillment of export obligation was violated. The condition No. (x) of Notification

No. 21/2023-Cus., dated 01.04.2023 had also been violated. Consequently **Shreeji Agri Commodity Pvt. Ltd.** was not entitled to avail benefit of duty free clearance in terms of Notification No. 21/2023-Cus., dated 01.04.2023 and as such the duty of Customs but for exemption along with the interest at the applicable rate is recoverable from M/s Shreeji Agri Commodity Pvt. Ltd..

**17.3** From the facts discussed in forgoing paras and material evidences available on record, it appears that M/s Shreeji Agri Commodity Pvt. Ltd. was having knowledge of provisions of Customs Act, 1962 and deliberately sold the duty free goods viz. Coriander Seeds in the local market and without payment of aggregate duties of Customs. It appears that they had contravened the provisions of Chapter 4 of the Foreign Trade Policy FTP 2023 read with Notification No. 21/2023-Cus dated 01.04.2023, in as much as they had diverted/sold **all quantity of Coriander Seeds**, imported under the said Scheme for using the same in the export of the resultant products but actually sold in the local market. They had diverted/sold the goods knowingly in the local market to make huge illegal profits. The said duty free goods were supposed to be exported or disposed of in accordance to the provisions of the FTP 2023 and above said notification issued by CBIC but M/s Shreeji Agri Commodity Pvt. Ltd. violated the conditions of the FTP 2023 and did not fulfill the requisite compliance and conditions for import of duty free inputs & export thereof as envisaged under Advance Authorization Scheme read with the condition of Notification No. 21/2023-Cus dated 01.04.2023.

**17.4** From the facts discussed in the foregoing paras and material evidences available on record, it appears that Shri Jitendra Tulsidas Kakkad, Managing Director of M/s Shreeji Agri Commodity Private Limited. diverted/sold the goods imported by his firm without payment of duty under the Advance Authorizations issued in the name of M/s Shreeji Agri Commodity Private Limited in terms of Notification No. 21/2023-Cus dated 01.04.2023.

**17.5.** In light of the facts discussed in the foregoing paras and material evidence available on records, it appears that M/s Shreeji Agri Commodity Private Limited had violated/contravened the provisions of Notification No. 21/2023-Cus dated 01.04.2023 read with the provisions of para no. 4.03. & 4.16 of Chapter 4 of Export & Import Policy 2023 in as much as they had imported **7420.676 MTs** of goods viz. Coriander Seeds of CTH 09092190 having Assessable Value **Rs. 42,70,84,370/- (Rupees Forty Two Crores Seventy Lakhs Eighty Four Thousand and Three Hundred and Seventy Only)** for which duty forgone amounts to **Rs. 16,93,38,953/- (Rupees Sixteen Crores Ninety Three Lakhs Thirty Eight**

**Thousand and Nine Hundred and Fifty Three Only)** (as detailed in Annexure-A attached to this Show Cause Notice) against Advance Authorization Scheme and were diverted/sold into the local market as such for sale and were not actually utilized for intended purpose and for fulfillment of its export obligation as envisaged in the said Authorization.

**17.6** It is evident that M/s. Shreeji Agri Commodity Pvt. Ltd. has intently exported Indian Origin Coriander seeds towards the fulfilment of export obligation under Advance Authorisation, which establishes that M/s. Shreeji Agri Commodity Pvt. Ltd. has entered into the goods which do not correspond in respect of particulars as mentioned in the Shipping Bills and such act makes the export goods of 3361.945 MTs of Coriander Seeds valued at Rs. 26,52,92,736/-is liable for confiscation under section 113(i) of Customs Act, 1962. Further, M/s. Shreeji Agri Commodity Pvt. Ltd. is liable for penalty under section 114 of Customs Act, 1962 for their act of making the goods liable for confiscation under Section 113 of Customs Act, 1962.

**17.7** The violation of the actual user condition and other mandatory requirements of the Advance Authorization Scheme by M/s Shreeji Agri Commodity Private Limited stands confirmed through the categorical admissions of Shri Jitendra Tulsidas Kakkad, Managing Director of the firm, who acknowledged that duty-free goods imported under the scheme had been diverted and sold in the domestic market. This fact is further corroborated by the statements of various buyers, who confirmed that they had purchased such duty-free imported coriander seeds directly from the firm.

**17.8** In addition, the statements of multiple suppliers and third-party exporters established that the exports declared under the Advance Authorization, whether in the name of M/s Shreeji Agri Commodity Private Limited or through other exporters, did not involve the duty-free imported coriander seeds. Instead, domestically grown coriander seeds procured from local markets were supplied by M/s Shreeji Agri Commodity Private Limited to third-party exporters, who then effected the exports under the cover of Advance Authorizations issued to M/s Shreeji Agri Commodity Private Limited. This arrangement effectively enabled Shreeji to claim fulfillment of export obligations while retaining and diverting the actual duty-free imports into the domestic market.

**17.9** These corroborated facts conclusively prove that M/s Shreeji Agri Commodity Private Limited misused the Advance Authorization Scheme by diverting imported duty-free goods into the local market without payment of duty, and supplying domestically

sourced coriander seeds to third-party exporters for export under its Advance Authorizations. Such conduct amounts to gross violation of the conditions prescribed under Notification No. 21/2023-Cus dated 01.04.2023, clearly establishing deliberate misuse of the scheme to derive unlawful commercial benefits.

**17.10** In view of foregoing discussion, the said goods imported under the above mentioned Bills of Entry under Advance Authorization appears liable to confiscation under Section 111(o) of Customs Act, 1962 for contravention of the conditions of the relevant notification, Advance Authorization Scheme, Exim Policy and Customs Act, 1962. Also their act of diversion of the said goods is to be treated as smuggling as per Section 2(39) of the Customs Act, 1962. Thus Shreeji Agri Commodity Private Limited by their acts of commission and/or omission had rendered themselves liable for penalty under the provisions of Section 112/114A of Customs Act, 1962.

**17.11** By such acts Shreeji Agri Commodity Private Limited by way of willful mis-statement and suppression of facts, fraudulently availed benefits in terms of Para 4.03 of FTP 2023 in as much as they failed to process any resultant product meant for export the and violated the provisions of Rule 14 of the Foreign Trade (Regulations) Rules, 1993 read with Section 11 of the Foreign Trade (Development and Regulations) Act, 1992. Further, the duty free Coriander Seeds were diverted in local market in violation of the above said provisions and therefore contravened the provisions of Section 3 of Foreign trade (Development & Regulation) Act, 1992.

**17.12** Shri Jitendra Tulsidas Kakkad, MD of M/s Shreeji Agri Commodity Pvt. Ltd. was well aware of the legal provisions governing imports under the Advance Authorization Scheme to the effect that the duty free goods imported under the said Scheme were subject to the actual user condition and as such could not be sold in the market. By indulging themselves in the unauthorized diversion and sale of duty-free goods imported against the impugned Advance Authorization, Shri Jitendra Tulsidas Kakkad, illegally enriched himself at the cost of Government Revenue thereby knowingly causing harm to the economy of the nation. Thus, from the circumstantial and documentary evidences available on record it is evident that Shri Jitendra Tulsidas Kakkad, by way of his act of diverting duty-free goods made these liable for confiscation under Section 111 of the Customs Act, 1962 and rendered

themselves liable for penal action under Section 112(b)/114AA of the Customs Act, 1962

**17.13** The following Multiple 3<sup>rd</sup> party exporters mentioned in the below table, have exported **Indian Origin Coriander by mentioning the Advance Authorization of M/s Shreeji Agri Commodity Private Limited** which is a gross violation of the condition attached to the Advance Authorizations scheme Notification No. 21/2023-Cus dated 01.04.2023.

The act of evasion of duty by reason of collusion & suppression of facts on the part of 3<sup>rd</sup> party exporters by including Advance License Number in their shipping Bills to facilitate fulfilment of export obligation, despite fully aware that the goods exported were of Indian Origin and not eligible for export under Advance Authorisation licenses. This act of the third party exporters appears to have rendered the said goods liable for confiscation under section 113(i) of the Customs Act, 1962. For their act of contraventions, they are liable for Penal action under Section 114, 114AA & 117 of the Customs Act, 1962.

## **18. ROLE PLAED BY COMPANIES/PERSONS**

A case of connivance amongst all the parties involved, wherein every stakeholder involved was aware of their illegal role being played by them. Each stakeholder intended to suppress the facts before Indian Customs, to mis-declare the subject goods to defraud the government exchequer. There are evidences of determinative character which complied with the inference arising from the dubious conduct of stakeholders seems to lead to the conclusion, it was all planned to mis-declare and suppress the information from the department. The role in brief is reproduced below :-

## **18.1 ROLE PLAYED BY M/S. SHREEJI AGRI COMMODITY PRIVATE LIMITED**

The Customs Duty amounting **₹16,93,38,953/- (Rupees Sixteen Crores Ninety-Three Lakhs Thirty-Eight Thousand and Nine Hundred and Fifty-Three Only)** leivable on the illicitly cleared imported goods viz -7420.676 MTs of goods viz. Coriander Seeds is therefore liable to be recovered in terms of proviso to Section 28(4) of Customs Act, 1962 read with the provisions of Notification No. 21/2023-Cus dated 01.04.2023. Shreeji Agri Commodity Private Limited by adopting the above modus had violated the statutory conditions as laid down for Advance Authorization license under Notification No. 21/2023-Cus dated 01.04.2023 and evaded the aforesaid Customs duty by reason of collusion, willful misstatement and suppression of facts. The licenses obtained under the Advance Authorization Scheme were wrongly utilized and misrepresented by M/s Shreeji Agri Commodity Private Limited. The firm had obtained such licenses on the basis of self-declaration and actual user condition but deliberately diverted and sold duty-free imported coriander seeds in the domestic market, in gross violation of the conditions of the scheme and the governing customs notification. This conduct amounts to misstatement and suppression of material facts before the Customs and DGFT authorities at the time of availing duty-free clearances. The admitted diversion of exempted imports into the local market clearly establishes deliberate misuse of the licenses issued under the Advance Authorization Scheme. Accordingly, the invocation of provisions of Section 28(4) of the Customs Act, 1962 for recovery of duty is attracted, along with interest at the applicable rate in terms of Section 28AA of the Customs Act, 1962. In view of the above findings, it appears that by their acts of omission and commission, M/s Shreeji Agri Commodity Private Limited rendered the duty-free imported goods liable to confiscation under Section 111 of the Customs Act, 1962, and evaded customs duty amounting to **₹16,93,38,953/- (Rupees Sixteen Crores Ninety-Three Lakhs Thirty-Eight Thousand and Nine Hundred and Fifty-Three Only)**. The firm has therefore rendered itself liable to penalty under Sections 112(a) of the Customs Act, 1962. Further, the act of duty evasion by deliberate misrepresentation and suppression of facts on the part of M/s Shreeji Agri Commodity Private Limited attracts penal action under Section 114A of the Customs Act, 1962.

Further, on scrutiny of the stock ledger of M/s. Shreeji Agri Commodity Private Limited it is evident that M/s. Shreeji Agri Commodity Pvt. Ltd. has acquired coriander seeds locally from various local/domestic suppliers viz. M/s. Vraj Exports , M/s. Tirupati Industires, etc. and the same was confirmed by these firms during their statements recorded

under section 108 of Customs Act, 1962 and further Shreeji Agri Commodity Private Limited have sold the same to the various third party exportesrs at discounted rate to be exported on behalf of M/s. Shreeji Agri Commodity Pvt. Ltd. for the purpose of fulfilling export obligation under advance authorization which is gross violation of norms of the Advance Authorisation Scheme.

It is evident that M/s. Shreeji Agri Commodity Pvt. Ltd. has intently exported Indian Origin Coriander seeds towards the fulfilment of export obligation under Advance Authorisation, which clearly establishes that M/s. Shreeji Agri Commodity Pvt. Ltd. has entered into the goods which do not correspond in respect of particulars as mentioned in the Shipping Bills and such act makes the goods i.e. 3361.945 MTs of Coriander Seeds valued at Rs. 26,52,92,736/-, liable for confiscation under section 113(i) of Customs Act, 1962. Further, M/s. Shreeji Agri Commodity Pvt. Ltd. is liable for penalty under section 114 of Customs Act, 1962 for their act of making the goods liable for confiscation under Section 113 of Customs Act, 1962.

#### **18.2 ROLE PLAYED BY SHRI JITENDRA TULSIDAS KAKKAD, MD OF M/S. SHREEJI AGRI COMMODITY PVT. LTD.**

In light of discussions made in the foregoing paras, Shri Jitendra Tulsidas Kakkad, MD of M/s Shreeji Agri Commodity Pvt. Ltd. had obtained Licence under Advance Authorisation Scheme from DGFT fraudulently in the name of M/s Shreeji Agri Commodity Pvt. Ltd. on the basis of willful mis-declaration and on the basis of false information and after obtaining the impugned Advance Authorisation Licence, imported Coriander Seeds as detailed in the table given at **Annexure-A** attached to this **Show Cause Notice** in the name of M/s Shreeji Agri Commodity Pvt. Ltd. and cleared the same without paying Customs Duty by availing benefit of Notification No. 21/2023-Cus dated 01.04.2023 against impugned Advance Authorizations issued in the name of M/s Shreeji Agri Commodity Pvt. Ltd. and thereby caused a loss to the Government exchequer to the extent of **16,93,38,953/- (Rupees Sixteen Crores Ninety Three Lakhs Thirty Eight Thousand and Nine Hundred and Fifty Three Only)** Shri Jitendra Tulsidas Kakkad, was well aware of the legal provisions governing imports under the Advance Authorization Scheme to the effect that the duty free goods imported under the said Scheme were subject to the actual user condition and as such could not be sold in the market. By indulging themselves in the unauthorized diversion and sale of duty-free goods imported against the impugned

Advance Authorization, Shri Jitendra Tulsidas Kakkad, illegally enriched himself at the cost of Government Revenue thereby knowingly causing harm to the economy of the nation. Thus, from the circumstantial and documentary evidences available on record it appears that Shri Jitendra Tulsidas Kakkad, by way of their act of diverting duty-free goods made these liable for confiscation under Section 111 of the Customs Act, 1962 and rendered themselves liable for penal action under Section 112(b) and 114AA of the Customs Act, 1962.

Further, Shri Shri Jitendra Tulsidas Kakkad, MD of M/s Shreeji Agri Commodity Pvt. Ltd. has exported Indian Origin goods for fulfilment of export obligation, as against the norms prescribed for advance license, which is gross violation of provisions of Advance Authorisation, and the such act makes the export goods liable for confiscation, hence, Shri Jitendra Tulsidas Kakkad is liable for penalty under Section 114 of Customs Act, 1962.

### **18.3 ROLE PLAYED BY MULTIPLE 3<sup>RD</sup> PARTY EXPORTERS**

At the statements of the exporters who were mentioned in the Advance Authorization Number(s) of M/s. Shreeji Agri Commodity Private Limited at their export shipping bills, the Proprietor/Partner/Directors of the firms/companies, on perusal of documentary evidences in the form of Purchase Order, Sales Contract, Invoices, E-way Bills, Shipping Bills, Country of Origin Certificate etc. placed before them have categorically admitted the fact that they had actually exported Indian Origin Coriander Seeds supplied by M/s. Shreeji Agri Commodity Private Limited, however, as per the instruction of M/s. Shreeji Agri Commodity Private Limited, they had included the Advance Authorization Number of M/s. Shreeji Agri Commodity Private Limited. Further, they agreed the fact that for such act of inclusion of Advance License Number of M/s. Shreeji Agri Commodity Private Limited, they had purchased Indian Origin Coriander Seeds from M/s. Shreeji Agri Commodity Private Limited at a discounted rate of 1% to 2%. The act of inclusion of Advance License Number was solely to facilitate M/s. Shreeji Agri Commodity Private Limited to fulfill the export obligation against those Advance Licenses. Therefore, it is evident that the act of these exporters, including the Advance Authorization Number of M/s. Shreeji Agri Commodity Private Limited at their export Shipping Bills, was deliberate and they were knowingly and wilfully involved in such acts in violation of Customs Act, 1962, evidently for monetary consideration.

The following Multiple 3<sup>rd</sup> party exporters mentioned in the below table, have exported **Indian Origin Coriander by mentioning the Advance Authorization of M/s**

**Shreeji Agri Commodity Private Limited** which is a gross violation of the condition attached to the Advance Authorizations scheme Notification No. 21/2023-Cus dated 01.04.2023.

The deliberate act of duty evasion through collusion and suppression of material facts by the third-party exporters, by way of including Advance Authorisation (License) numbers in their shipping bills with the intent to facilitate fulfillment of export obligation of M/s. Shreeji Agri Commodity Pvt. Consequently, for their aforesaid acts of omission and commission in contravention of the provisions of the Customs Act, they are liable to penal action under Sections 114, 114AA, and 117 of the Customs Act, 1962.
