Issue in Brief and Details of Bill of Entry:

On the basis of Specific information received, the goods imported by M/s. Kash International Trade Co., Flat No.-M1, Essel Mention 2286-87 Ar, Karol Bagh, New Delhi-110005 (IEC: 0516960768), (herein after referred as “the importer” for brevity) under Bill of Entry No. Z- 7059446 dated 23.01.2026, filed at APSEZ (INAJM6), identified as high risk for mis-declaration/ mis-classification and/or concealment of prohibited/restricted goods. The goods were destined to M/s Shoolin Trade Link LLP, APSEZ, Mundra (Kutch) Port- INAJM6. The details of the goods declared in the Bill of entry no. Z-7059446 dated 23.01.2026 are detailed below:

Table-I

Sr. No	CTH	Description	Quantity	UQC
1	59039090	Polyester Laminated Fabric	79290	Sqm.

Examination of the Goods:

2. Whereas, the examination of the Bill of Entry No. Z- 7059446 dated 23.01.2026 was conducted on 17.02.2026 under Examination Report in the presence of Authorized Representative of the importer and SEZ unit M/s Shoolin Trade Link LLP. The goods, received in container no. EGHU9274936, were examined as per the commercial invoice No. SFP157 dated 13.12.2025, issued by M/s Zhejiang Lemao Textile Technology Co. Ltd., China. The details of weightment verified from weightment slip is as below:

Sr. No	Container no.	Description	Declared weight in BE	Weightment as per Examination
1	EGHU9274936	Polyester Laminated Fabric	25660	25847

During the inspection, the container's seal was found already cut and representative of SEZ unit informed that the seal was already cut with the approval of SEZ officer before the alert was placed. Upon opening the container doors, it was observed that the container was loaded with fabric rolls of different colours. All fabric rolls were subsequently unloaded with the help of laborer and stacked in open area in yard. During examination a total of 1346 fabric rolls of same lengths were found. The rolls were packed in transparent plastic sheet. The rolls were opened and examined. The fabric appeared to be same in all colours. However, to ascertain exact nature and composition of the fabric, samples were drawn and sent to the lab CRCL, Kandla vide Test Memo No. 539/2025-26 dated 19.02.2026 for testing.

3. Classification of the Goods:

The CRCL, Kandla Lab vide their Lab report no. 10207 SIIB dated 24.02.2026 in r/o TM no. 539/2025-26 dated 19.02.2026 has submitted the following observations.

The sample as received is in the form of a cut piece of dyed (maroon coloured) woven fabric having lamination(translucent film) on one side.

The base fabric is composed of polyester filament yarns (texturized) and laminated film is composed of polymeric material based on polyurethanes (PU).

GSM (as such) =128.94

Width, as such (selvedge to selvedge) = 148 cm

% composition

Polyester = 94.52 % by wt.

Lamination = Balance

The sample is laminated fabric hence AZO Dye could not be ascertained.

In view of the above test reports, it appears that Sample does not merit the declared classification under (CTH 59039090). However, the sample appears as more appropriately covered under Chapter-5903 under the description of laminated fabric i.e. **Textile fabrics impregnated, laminated, covered or laminated with plastics, other than those of heading 5902**. The relevant extract of CTH is as below:

5903 Textile Fabric impregnated, coated, covered or laminated with plastics, other than those of heading 59.02

590310 - With Polyvinyl chloride:
 59031010 --- Imitation leather fabrics of Cotton
 59031090 --- Other

590320 - With Polyurethane:
59032010 --- Imitation leather fabrics, of cotton
59032090 --- Other

590390 - Other:
 59039010 --- Of Cotton
 59039020 --- Polyethylene laminated jute fabrics
 59039090 --- Other.

From the above Since Polyurethane is a type of plastics. Hence, it, prima facie, appears to classifiable under 59032090 as there is 2nd single dash (-) level entry for fabric covered with polyurethane instead of declared CTH 59039090, **wherein the applicable duty structure is 20% BCD + 02% SWS+5% IGST.**

4. Re-determination of Quantity of the Goods:

The importer has declared the total no. of packages as 1346 with total quantity of 79290 SQM in the said Bill of Entry. Further, the Representative samples of the goods forwarded to CRCL Kandla vide TM no. 539/2025-26 dated 19.02.2026. As per CRCL, Kandla Lab vide their Lab report no. 10207 SIIB dated 24.02.2026 the GSM of the goods found as 128.94 gm/m². The net weight of the cargo is 25847 kgs. As per the Net weight of the cargo i.e. 25847 kgs and GSM i.e. 128.94 gm/m² the total quantity of the goods comes to 200457.577 SQM. The calculation of quantity is as below:

GSM= Net weight of the Cargo in gms/ m²

128.94= 25847*1000/m²

Total quantity= 25847000/128.94

Total Quantity= 200457.577 SQM

5. Rejection and Determination of Valuation:

5.1. The inconsistency observed in filing of the Bill of Entry suggests deliberate Undervaluation, mis-declaration of quantity and mis-classification. In the Bill of Entry No. Z- 7059446 dated 23.01.2026, submitted by the importer consist of 01 item were listed for import as detailed in Table-I above.

5.2. As imported items were found to be undervalued, mis-declared and mis-classified in the Bill of Entry No. Z- 7059446 dated 23.01.2026, hence they were liable to be re-assessed under section 17(4) of the Customs Act, 1962. Since, mis-declaration of the goods, in parameters such as valuation and mis-classification, was noticed, the declared value of the goods is liable to be determined in terms of Rule 12, explanation 1 (i), of the said Rules, by going sequentially from Rule 2 to 9 thereof.

Determination of valuation:

- a. Efforts were made to find out the correct assessable value of the imported goods found undeclared. It was observed that the imported goods were found in different variety, description, specification and quality, so, it was not possible to find and compare the same with other goods having identical/similar description, brand, make, model, quantity and Country of Origin. As the import data extracted with respect to contemporaneous imports was general in nature and contemporaneous data for imports of identical/similar goods was not available/found, therefore, the value could not be determined under Rules 4 and 5 of CVR, 2007.
- b. As per Rule 6 *ibid*, if the value cannot be determined under Rules 3, 4 and 5 same shall be determined under the provisions of Rule 7 or when same cannot be determined under that rule then under Rule 8.
- c. As the imported goods were found to be non-standard, the sale price of identical or similar goods was not available in the domestic market as the goods are miscellaneous in nature and found in different variety, description, specification, model, brand, make, sizes and quality, therefore, determination of transaction value under Rule 7 of CVR, 2007 was not possible.
- d. As substantial data related to the cost or value of materials and fabrication or other processing employed in producing the imported goods required to compute the value under Rule 8 is also not available. Therefore, valuation of the impugned goods could not be ascertained under Rule 8 of CVR, 2007.
- e. Hence, valuation of the goods is to be determined under residual method of valuation provided under Rule 9 of the CV Rules *ibid*.

Accordingly, the Chartered Engineer was appointed for valuation of the goods. The Chartered Engineer vide his CE Report No.

ABJ:INSP:CE:MUN:SIIB:SH:KASH:25-26:61 dated 02.03.2026 has suggested the valuation of the imported goods as under:

Table-II

Sr. No.	Description	Total Quantity	Measure Unit	Declared Unit price per SQM (in USD)	Unit Suggestive Average C.I.F. Value by C.E. (in USD)	Total Suggestive Average C.I.F. Value by C.E. (in USD)	Total Suggestive Average C.I.F. Value by C.E. (in INR) \$=91.2
1	Polyester Dyed Fabric Laminated with PU	200457.577	Sqm	0.120003	0.18	36082.364	3290712

The chartered engineer, empanelled by the government, determined the fair value of the goods to be **Rs. 32,90,712/-** in contrast to the declared assessable value as **Rs. 8,67,771/-**.

5.3. With the introduction of self-assessment under Section 17(1) of the Customs Act, 1962, the responsibility lies squarely on the importer to accurately self-assess the Bill of Entry and declare the correct amount of leviable duty. By failing to declare dutiable goods correctly in the Bill of Entry, the importer's actions indicate an intent to evade payment of the correct duties on the imported goods. This deliberate omission raises reasonable grounds to believe that the importer wilfully and intentionally concealed dutiable goods, thereby causing a loss to government revenue.

6. Re-determination of Duty:

6.1. Based on the foregoing paragraphs, it is evident that the importer has undervalued/mis-classified/mis-declared the imported goods to evade payment of duties and taxes by. The duty liability for the imported goods as per re-determined value is ascertained as under:

Table-III

Sr No	Description	Total Quantity	Measure Unit	Total Suggestive Average C.I.F. Value by C.E. (in USD)	Total Suggestive Average C.I.F. Value by C.E. (in INR) \$=91.2	BCD @ 20 % (in Rs.)	SWS @ 10% of BCD(in Rs.)	IGST @ 5% (In Rs.)	Total Duty (in Rs.)
1	Polyester Dyed Fabric Laminated with PU	200457.577	Sqm	36082.364	3290712	658142	65814	200733	9,24,690/-

From the **Table III above**, it appears that the total duty liability of the

importer is Rs. 9,24,690/-.

6.2. The importer in the BE no. Z- 7059446 dated 23.01.2026, has declared the value of the goods as Rs. 8,67,771/- and calculated the applicable duties and taxes on the good declared, based on the declared value and classification in the Bill of Entry as **Rs. 2,43,843/-**.

6.3. Based on the calculations from Table-III above, the importer is need to pay/levy a differential liability of Rs. 6,80,847/- on the mis-declared/undervalued goods after adjustment. This amount represents the additional duty and tax liability that the importer must pay due to the misdeclaration/undervaluation of goods.

7. LEGAL PROVISIONAS:

7.1. **Section 2 (14)** of the Customs Act, 1962, "**dutiable goods**" means any goods which are chargeable to duty and on which duty has not been paid;

7.2. **SECTION 46(4)** of the Customs Act, 1962, prescribes that the importer while presenting a bill of entry shall make and subscribe to a declaration as to the truth of the contents of such bill of entry and shall, in support of such declaration, produce to the proper officer the invoice, if any, and such other documents relating to the imported goods as may be prescribed.

7.6. SECTION 124 prescribes the mandatory issuance of show cause notice before confiscation of goods, which read as under:

8. Outcome of Investigation:

On the basis of specific information for risk of mis-declaration/ mis-classification and/or concealment of prohibited/restricted goods in the import consignment of M/s. Kash International Trade Co., Flat No.-M1, Essel Mention 2286-87 Ar, Karol Bagh, New Delhi-110005 (IEC: 0516960768), under Bill of Entry No. Z- 7059446 dated 23.01.2026, filed at APSEZ (INAJM6), an investigation was initiated by the Special Intelligence and Investigation Branch (SIIB), Customs House, Mundra. The investigation revealed significant

irregularities in the import consignment of M/s. Kash International Trade Co. under Bill of Entry No. Z- 7059446 dated 23.01.2026. The examination uncovered deliberate mis-declaration in quantity, mis-classification and undervaluation of goods, indicating intent to evade Customs duties. The outcomes of the investigation are as follows:

8.1. Examination and Findings:

- The examination of container no. EGHU9274936, conducted on 17.02.2026 under examination report in the presence of authorized representative of importer and SEZ unit, revealed discrepancies in the goods imported by M/s. Kash International Trade Co. under Bill of Entry No. Z-7059446 dated 23.01.2026:
- A sample was drawn and sent to CRCL, Kandla, for testing, which confirmed the goods as Polyester dyed woven fabric with polyurethane lamination.
- **Declared goods:** Polyester Laminated Fabric, classified under the CTH 59039090.
- **Found goods:** Polyester Dyed Fabric Laminated with PU (200457.577 Sqm), that merit classification under the CTH 59032090, indicating mis-declaration.
- The goods were found to be grossly undervalued in the declared CIF value.

8.2. Valuation of the Goods:

- **Declared Value:** The importer declared an assessable value of INR 8,67,771/-.
- **Redetermined Value:** The Chartered Engineer's report (ref no. ABJ:INSP:CE:MUN:SIIB:SH:KASH:25-26:61 dated 02.03.2026) determined the fair CIF value at INR 32,90,712/-.
- **Valuation Method:** The declared value was rejected under Rule 12 of CVR Rules, 2007, due to undervaluation/mis-declaration and mis-classification. Valuation was determined under Rule 9 of the Customs Valuation Rules (CVR), 2007 (residual method), as values under Rules 4–8 could not be established due to lack of comparable data, non-standard nature of goods, and absence of domestic market sale prices.

8.3. Classification:

- The imported goods (Polyester Dyed Fabric Laminated with PU) merit classification under the CTH 59032090 as per the CRCL, Kandla test report (Lab report no. 10207 SIIB dated 24.02.2026), ensuring accurate duty assessment. The goods were identified as textile Polyester dyed woven fabric laminated with polyurethane, falling under "Textile fabrics

impregnated, coated, covered or laminated with plastics, other than those of heading 5902.”

8.4. Duty Evasion:

- The importer’s deliberate undervaluation resulted in a differential duty liability of INR 6,80,847/- (total duty liability of INR 9,24,690/- as per Table III minus declared duty of INR 2,43,843/-).

8.5. Conclusion:

The importer has, by their acts of omission and commission, rendered the goods found mis-classified/undervalued/mis-declared in quantity, with a re-determined assessable value of INR 32,90,712/- under Bill of Entry No. Z-7059446 dated 23.01.2026, liable for confiscation under Section 111(l) & 111(m) of the Customs Act, 1962, and is therefore also liable for penalty under Section 112(a)(ii) of the Customs Act, 1962. As the importer has mis-declared the quantity of the goods is also liable for penalty under Section 114AA of the Customs Act, 1962.

Waiver of Notice and Personal Hearing: -

Kash International Trade Co., Flat No.-M1, Essel Mention 2286-87 Ar, Karol Bagh, New Delhi-110005 (IEC: 0516960768) vide their email dated 02.03.2026, have requested for waiver of the Show Cause Notice and personal hearing in the matter, necessary adjudication proceeding/action may be initiated in respect of the said Bill of Entry as per the Customs Act, 1962. The importer reviewed and agreed with the test report, accepting the revised classification and valuation, and requested the release of the consignment.

10. In view of the above, an **Investigation Report No. 301/2025-26** dated 27.03.2026 bearing F. No. Cus/SIIB/ALT/115/2026-SIIB- O/o Pr Commr-Cus-Mundra has been issued by the Deputy Commissioner (SIIB), Customs House, Mundra proposing adjudication of the following matter:

- e. The importer is liable for penalty under Section 112(a)(ii) and 114AA of the Customs Act, 1962.

DISCUSSION AND FINDING

11.1. I have carefully gone through the facts of the case, impugned investigation report and submissions of the importer. I note that during the course of examination, the SIIB, Customs House, Mundra drawn representative sample from the subject cargo and forwarded to CRCL Kandla for testing. I note that as per laboratory test results, the goods do not merit declared classification. I observe that the value of the goods was subsequently re-determined based on the opinion of an empanelled chartered engineer. I note that the importer vide their letter dated 02.03.2026 & 02.04.2026 have waived their right to a show cause notice and personal hearings. Thus, I find that the principles of natural justice have been fully complied with in the instant matter. With this understanding, I find that following matters are to be decided at the stage of adjudication:

- (i) Whether the declared description, quantity and classification under impugned Z-Bill of Entry are liable to be rejected and required to be re-determined in terms of outcomes of the investigation?
- (ii) Whether the assessable value of the goods declared by the importer under impugned bill of entry is liable to be rejected and replaced with the value re-determined during the investigation?
- (iii) Whether the impugned bill of entry requires re-assessment under Section 17(4) of the Customs Act, 1962?
- (iv) Whether the impugned goods are liable to confiscation under Sections 111(l) and 111(m) of the Customs Act, 1962 and the importer is liable to penalties under Sections 112(a)(ii), and 114AA of the Act, *ibid*.

11.2. I have carefully examined the relevant legal provisions, facts and circumstances of the case. I now proceed to adjudicate above framed issues.

Discussion and Findings regarding Description, Classification and Quantity of the Goods Imported under Impugned Bill of Entry:

12.1. I find that the importer M/s. Kash International Trade Co. have imported the goods under Container No. EGHU9274936 vide Z-Bill of Entry No. 7059446 dated 23.01.2026, filed at APSEZ (INAJM6) with following details:

Sr. No	CTH	Description	Quantity	UQC
1	59039090	Polyester Laminated Fabric	79290	Sqm.

12.2. I find that, based on specific intelligence, the examination of the impugned goods was conducted by the SIIB, Customs, House, Mundra on 17.02.2026 under Examination Report in the presence of Authorized Representative of the importer at the premises of SEZ unit M/s Shoolin Trade Link LLP. During the examination, the details of weightment were found as below:

Sr. No	Container no.	Description	Declared weight in BE	Weightment as per Examination
1	EGHU9274936	Polyester Laminated Fabric	25660	25847

12.3. I find that during the inspection of the container, the SIIB found that the seal of the container was already cut and representative of SEZ unit clarified them that the seal was already cut with the approval of SEZ officer before the alert was placed. During the examination, the SIIB found that the container was loaded with fabric rolls of different colours. All fabric rolls were subsequently unloaded and a total of 1346 fabric rolls of same lengths were found. The rolls were packed in transparent plastic sheet. The rolls were opened and examined. The fabric appeared to be same in all colours. However, to ascertain exact nature and composition of the fabric, samples were drawn and sent to the lab CRCL, Kandla vide Test Memo No. 539/2025-26 dated 19.02.2026 for testing.

12.4. I find that the CRCL, Kandla vide their Lab Report No. 10207-SIIB dated 24.02.2026 in r/o TM No. 539/2025-26 dated 19.02.2026 submitted the following observations:

The sample as received is in the form of a cut piece of dyed (maroon coloured) woven fabric having lamination (translucent film) on one side.

The base fabric is composed of polyester filament yarns (texturized) and laminated film is composed of polymeric material based on polyurethanes (PU).

GSM (as such) = 128.94

Width, as such (selvedge to selvedge) = 148 cm

% composition

Polyester = 94.52 % by wt.

Lamination = Balance

The sample is laminated fabric hence AZO Dye could not be ascertained.

12.5. I find that the above test results indicate that the cargo is polyester fabric laminated with polyurethanes (PU). For the correct classification of the impugned goods I refer to the Customs Tariff and find that, the impugned goods being laminated fabric are more appropriately covered under CTH-5903. The relevant extract of the said CTH is as below:

5903 *Textile Fabric impregnated, coated, covered or laminated with plastics, other than those of heading 59.02*

590310 - With Polyvinyl chloride:

59031010 --- Imitation leather fabrics of Cotton

59031090 --- Other

590320 - With Polyurethane:

59032010 --- Imitation leather fabrics, of cotton

59032090 --- Other

590390 - Other:

59039010 --- Of Cotton

59039020 --- Polyethylene laminated jute fabrics

59039090 --- Other.

12.6. From the above, I find that the impugned goods, being polyester fabric laminated with Polyurethane, are correctly classifiable under CTH 59032090 instead of declared CTH 59039090.

12.7. Further, I find that the importer declared total quantity of the goods as 79290 SQM while on the basis of the Net weight of the cargo i.e. 25847 kg and GSM i.e. 128.94 g/m², I find the total quantity of the goods as 200457.577 SQM.

12.8. In the light of above, I conclude that the importer has mis-declared the imported goods covered under Z-Bill of Entry No. 6816390 dated 10.01.2026. Therefore, I do not consider declared description, classification and quantity of the impugned goods and hold that the correct description of the goods is "Polyester Fabric Laminated with Polyurethanes", classifiable under CTH 59032090 with total quantity 200457.577 SQM.

Discussion and Finding Regarding Valuation of the Goods:

13.1. I find that the importer has declared the value of the impugned goods at **Rs.8,67,771/-**. However, I observe that the investigation has recommended rejection of the declared value and has proposed acceptance of a re-determined assessable value. Hence, I consider it appropriate to address the issue of valuation of the goods.

13.2. I find that the valuation of imported goods is determined in accordance with Section 14 of the Customs Act, 1962, read with the provisions of the Customs Valuation (Determination of Value of Imported Goods) Rules, 2007 (hereinafter referred to as "the CVR, 2007"). To proceed further, it is pertinent to refer to the aforesaid provisions governing the valuation of the imported goods.

13.3. Firstly, I refer to the **Section 14** of the Act, which provides that, for the purposes of the Customs Tariff Act or any other law, the value of imported goods shall be the **transaction value**, i.e., the price actually paid or payable for the goods when sold for export to India for delivery at the time and place of importation, where the buyer and seller are unrelated and the price is the sole consideration, subject to conditions specified in the rules.

13.4. I further refer to the Customs Valuation (Determination of Value of Imported Goods) Rules, 2007. I note that Rule 3(1) of the CVR, 2007 provides that subject to Rule 12, the value of imported goods shall be the transaction value, adjusted in accordance with the provisions of Rule 10. I note that Rule 12 of the CVR, 2007 stipulates that where the proper officer has reason to doubt the declared value, such value shall be determined in accordance with Rules 4 to 9.

13.5. I observe that under Rule 4 of the CVR, 2007, the value is to be determined on the basis of the transaction value of identical goods and, in the absence of identical goods, under Rule 5 on the basis of similar goods. Rule 6 provides that where the value cannot be determined under Rules 4 or 5, valuation is to be carried out under the deductive value method prescribed under Rule 7 or the computed value method under Rule 8. Finally, Rule 9 provides for a residual method, whereby the value is to be determined using reasonable means consistent with the principles and general provisions of the CVR, 2007 and Section 14 of the Customs Act, 1962, when none of the preceding methods are applicable.

13.6. Since, in the present case, the goods have been found mis-declared in terms of description, classification and quantity; I find that the declared value is doubtful and cannot be accepted as transaction value in terms of Section 14 of the Customs Act, 1962, read with Rule 3 of the CVR, 2007. Accordingly, I find that the valuation is to be determined under the subsequent provisions of the

CVR, 2007.

13.7. I find that the impugned goods were found in different variety, description, specification and quality. I further find that the import data in respect of contemporaneous imports of identical and similar goods of comparable quality and composition was not available. Therefore, the value could not be determined under Rules 4 and 5 of the CVR, 2007. Proceeding sequentially, I find that as per Rule 6 *ibid*, where the value cannot be determined under Rule 3, 4 and 5, it shall be determined under Rule 7 on the basis of the deductive value method, and if not determinable thereunder, then under Rule 8. However, for the reasons detailed above, the values also could not be determined under Rule 7 *ibid*. Further, I find that for the application of Rule 8, the cost of production or processing involved in the imported goods was not available. Thus, I find that in the absence of requisite data, the value could not be determined under the provisions of 4 to Rule 8 *ibid*. Therefore, I find that the value of the impugned goods is required to be re-determined under Rule 9 which provides for a residual method, whereby the value is to be determined using reasonable means consistent with the principles and general provisions of the CVR, 2007 and Section 14 of the Customs Act, 1962.

13.8. I find that a Chartered Engineer was appointed to determine the value of the impugned goods under Rule 9 *ibid*. Further, I find that the Chartered Engineer vide his CE Report No. ABJ:INSP:CE:MUN:SIIB:SH:KASH:25-26:61 dated 02.03.2026 suggested the valuation of the impugned goods as under:

Sr. No.	Description	Total Quantity	Measure Unit	Declared Unit price per SQM (in USD)	Unit Suggestive Average C.I.F. Value by C.E. (in USD)	Total Suggestive Average C.I.F. Value by C.E. (in USD)	Total Suggestive Average C.I.F. Value by C.E. (in INR) \$=91.2
1	Polyester Dyed Fabric Laminated with PU	200457.577	Sqm	0.120003	0.18	36082.364	3290712

13.9. I find that the value of **Rs.32,90,712/-** suggested by the chartered engineer, is in contrast to the declared assessable value of **Rs. 8,67,771/-**. I further find that during the investigation the above-mentioned valuation report of the Charter Engineer was also communicated to the importer, who has accepted the same.

13.10. In view of the above, I hold that the assessable value of Rs.8,67,771/- declared by the importer in the impugned bill of entry is liable to be rejected.

Further, I agree with the valuation report of the chartered engineer and accordingly accept the re-determined assessable value of **Rs.32,90,712/-**

Determination of Duty and Re-assessment of the Bill of Entry:

14.1. I find that, in the impugned bill of entry, the importer has self-assessed duty on the goods of **Rs. 2,43,843/-** under Section 17(1) of the Customs Act, 1962. I observe that Section 17(1) of the Act, ibid, mandates self-assessment and places a statutory obligation on the importer to correctly declare description, classification, quantity, value etc. of the imported goods to ensure correct levy and discharge the duty. However, in the present case, the goods have been found mis-declared in terms of description, classification, quantity and value. Therefore, I find that the duty on the impugned goods is required to be re-calculated on the re-determined assessable value of Rs.32,90,712/-. I find that the impugned goods attract effective BCD @ 20 %, SWS @ 10% of BCD, and IGST @ 5%. Accordingly, total duty leviable on the impugned goods works out to **Rs.9,24,690/-** as detailed below:

Table-A

S r N o	Description	Total Q uan tity	Me asu re Uni t	Total Suggestive Aver age C.I.F. Value by C.E. (in USD)	Total Suggestive A verage C.I.F. Valu e by C.E. (in INR) \$ =91.2	BCD @ 20 % (in Rs.)	SWS @ 10% of BCD(in Rs.)	IGST @ 5% (In r s.)	Total Duty (in R s.)
1	Polyester Dy ed Fabric La minated wit h PU	200 457. 577	Sq m	36082.364	3290712	6581 42	65814	2007 33	9,24, 690/-

14.2. I find that the total re-determined duty for the said goods comes to Rs.9,24,690/- whereas the total declared duty is Rs.2,43,843/-. Thus, I find that the importer has incorrectly self-assessed the duty in the Bill of Entry. **This incorrect self-assessment has resulted in a short levy of duty amounting to Rs.6,80,847/-.**

14.3. In the light of above, I find that the importer has incorrectly self-assessed the bill of entry and have failed to fulfill the obligation under Section 17(1) of the Customs Act, 1962. Accordingly, I hold that the bill of entry is required to be re-assessed under Section 17(4) of the Act.

Confiscation of the Goods and Penal Actions:

15.1. I find that the investigation report has recommended the confiscation of the goods under Sections 111(l) and 111(m) of the Customs Act, 1962. In

addition, the investigation has recommended the imposition of penalties under Sections 112(a)(ii) and 114AA of the Customs Act, 1962.

15.2. In this regard, I refer to the relevant clause of Section 111, Section 112 along with Section 114AA of the Act *ibid*, which are reproduced below:

Section 111. Confiscation of improperly imported goods, etc. – *The following goods brought from a place outside India shall be liable to confiscation:-*

--

--

(l) *any dutiable or prohibited goods which are not included or are in excess of those included in the entry made under this Act, or in the case of baggage in the declaration made under section 77;*

(m) *any goods which do not correspond in respect of value or in any other particular with the entry made under this Act or in the case of baggage with the declaration made under section 77 in respect thereof, or in the case of goods under transshipment, with the declaration for transshipment referred to in the proviso to sub-section (1) of section 54;*

Section 112. Penalty for improper importation of goods, etc. –

Any person,-

a. who, in relation to any goods, does or omits to do any act which act or omission would render such goods liable to confiscation under section 111, or abets the doing or omission of such an act, or

b. who acquires possession of or is in any way concerned in carrying, removing, depositing, harbouring, keeping, concealing, selling or purchasing, or in any other manner dealing with any goods which he knows or has reason to believe are liable to confiscation under section 111, shall be liable,-

i. in the case of goods in respect of which any prohibition is in force under this Act or any other law for the time being in force, to a penalty [not exceeding the value of the goods or five thousand rupees, whichever is the greater;

ii. in the case of dutiable goods, other than prohibited goods, subject to the provisions of section 114A, to a penalty not exceeding ten per cent. of the duty sought to be evaded or five thousand rupees, whichever is higher:

Section 114AA. Penalty for use of false and incorrect material.—

If a person knowingly or intentionally makes, signs or uses, or causes to be made, signed or used, any declaration, statement or document which is false or incorrect in any material particular, in the transaction of any business for the purposes of this Act, shall be liable to a penalty not exceeding five times the value of goods.

15.3. I find that in the present case, the importer has wilfully misrepresented description, quantity, classification and value of the imported goods. Therefore, the importer has contravened the provisions of Section 46 of the Customs Act, 1962, in as much as, they failed to make correct and true declaration to the Customs in the form of Bill of Entry. This deliberate misrepresentation of goods reflects a conscious attempt to defraud the revenue. Accordingly, the imported goods are liable for confiscation under Section 111(l) and 111(m) of the Customs Act, 1962. Moreover, the importer's act of attempting to import dutiable goods by way of misrepresentation renders them liable to penal action

under Section 112(a)(ii) of the Customs Act, 1962.

15.4. As regards the penalty on the Importer under Section 114AA of the Customs Act, 1962, I find that the Importer has dealt with incorrect documents while filing bill of entry for the said consignment. The Importer had knowingly and intentionally made/signed/used and/or caused to be made/signed/used the import documents and other related documents which were false or incorrect in material particular such as description, quantity, classification, value etc., with mala-fide intention, and therefore, the importer is liable to penalize under Section 114AA of the Customs Act, 1962.

Option to pay redemption fine in lieu of confiscation:

16.1. As the impugned goods are found to be liable for confiscation under Section 111(l) and 111(m) of the Customs Act, 1962, I find it necessary to consider as to whether redemption fine under Section 125 of Customs Act, 1962, is liable to be imposed in lieu of confiscation in respect of the impugned goods. The Section 125 ibid reads as under:-

“Section 125. Option to pay fine in lieu of confiscation—(1) Whenever confiscation of any goods is authorised by this Act, the officer adjudging it may, in the case of any goods, the importation or exportation whereof is prohibited under this Act or under any other law for the time being in force, and shall, in the case of any other goods, give to the owner of the goods 1[or, where such owner is not known, the person from whose possession or custody such goods have been seized,] an option to pay in lieu of confiscation such fine as the said officer thinks fit.”

16.2. A plain reading of the above provision shows that imposition of redemption fine is an option in lieu of confiscation. It provides for an opportunity to owner of confiscated goods for release of confiscated goods by paying redemption fine where there is no restriction or policy provision for domestic clearance. I find that the impugned goods are freely importable. Therefore, I am inclined to give an option to the importer to redeem the goods on payment of redemption fine.

17. In view of foregoing discussion and findings, I pass the following order:

ORDER

- i. I reject the declared Description, Quantity, Weighment, No. of Packages and classification of the goods imported under Z- Bill of Entry No.7059446 dated 23.01.2026, filed by the Importer M/s. However, I give an option to the importer to redeem the same on payment of redemption fine of **Rs.3,29,000/- (Rupees Three Lakh Twenty Nine Thousand Only)** under Section 125(1) of the Customs Act, 1962. However, if the importer fails to pay the imposed fine within a period of 120 days from the date of communication of this order, this option shall become void as per Section 125(3) of the Customs Act, 1962, unless an appeal against this order pending.
- v. I impose a penalty of **Rs.68000/- (Rupees Sixty Eight Thousand Only)** upon the importer under Section 112(a)(ii) of the Customs Act, 1962 for attempting to import dutiable goods by way of mis-declaration and misclassification.
- vi. I impose a penalty of **Rs.50,000/- (Rupees Fifty Thousand Only)** upon the importer under Section 114AA of the Customs Act, 1962 for use of false and incorrect material in relation to the import of the goods.
