Brief Facts of the Case:

The importer M/s TP Polymer Private Limited (IEC: AAHCT0597P) having office address at I-2117, DSIDC Industrial Area Narela, Delhi, North west Delhi, Delhi-110040 has filed the Bill of Entry No. 3995409 dated 24.09.2026 for import of the goods "PVC Suspension Resin Grade: 266RC under CTH 39041090". The Bill of Entry was selected for assessment and during the assessment the Officer raised a query regarding imposition of MIP on the said goods vide DGFT Notification No. 25/2026-27 dated 24.07.2026. The importer vides query reply submitted that the BE may be pushed to PAG for adjudication and further necessary action as per The Customs Act, 1962. The details of the goods declared in the Bill of Entry No. 3995409 dated 24.09.2026 are detailed below:

Table-I

Sr. No	Bill of Entry No. and Date	Container No.	CTH	Description	Quantity	UQC
1	3995409 dated 24.09.2026	30*20 feet containers	39041090	PVC Suspension Resin Grade: 266RC	540000	KGS

2. **Classification of the Goods:**

The importer M/s TP Polymer Private Limited has filed the Bill of Entry No. 3995409 dated 24.09.2026 for import of the goods "PVC Suspension Resin Grade: 266RC under CTH 39041090". The CTH 39041090 is for the goods category "Others". However, the imported goods are PVC Suspension Resin Grade: 266RC which are rightly classifiable under CTH 39041020. The relevant extract of CTH is as below:

3904 POLYMERS OF VINYL CHLORIDE OR OF OTHER HALOGENATED OLEFINS, IN PRIMARY FORMS

3904 10- Poly (vinyl chloride), not mixed with any other substances:

3904 10 10 --- Emulsion grade PVC resin / PVC Paste resin/ PVC dispersion resin

3904 10 20 ---Suspension grade PVC resin kg. 10% -

3904 10 90---Other

From the above, since the imported goods is Suspension Grade PVC Resin. Hence, it, prima facie, appears to classifiable under 39041020 as there is 2nd Triple dash (--) entry of 1st single dash (-) level entry for Polymers of Vinyl Chloride or of Other Halogenated Olefins, In Primary Forms.

3. Rejection and Determination of Valuation:

3.1. The inconsistency observed in filing of the Bill of Entry suggests undervaluation of the goods below MIP which made the goods restricted. Accordingly, the value of the imported goods needs to be re-determined.

Determination of valuation:

a) Efforts were made to find out the correct assessable value of the imported goods. Further, NIDB data was analyzed for goods with similar description and country of origin. As the import data extracted with respect to contemporaneous imports of similar goods was available/found. A lot of importers have cleared the similar goods in range of 767 USD/MTS to 770 USD/MTS. Therefore, the value could be re-determined under Rule 5 of CVR, 2007.

Further, Government of India has imposed MIP on the said goods vide DGFT Notification No. 25/2026-27 dated 24.07.2026. The goods are restricted if imported equal to or below .766 USD/KGS. However, the import of the goods is free if CIF value is above 0.766 USD/KGS. The importer vide letter dated 29.09.2026 requested to enhance the value above MIP i.e. 0.767 USD/KGS and also requested the release of the goods after adjudication process. As per the importer's request the re-determined value of the goods is as below:

Table-II

Sr. No.	**Re-determined Description**	**Total Quantity**	**Measure Unit**	***Unit Price***	***Total Suggestive Average C.I.F. Value (in USD)***	***Total Suggestive Average C.I.F. Value (in INR) $=96.8***
1	PVC Suspension Resin Grade: 266RC	540000	KGS	0.767	414180	40092624
					414180/-	4,00,92,624/-

The re-determined fair value of the goods to be **Rs. 4,00,92,624/-** in contrast to the declared assessable value as **Rs. 3,65,90,400/-.**

3.2. With the introduction of self-assessment under Section 17(1) of the Customs Act, 1962, the responsibility lies squarely on the importer to accurately self-assess the Bill of Entry and declare the correct amount of leviable duty. By failing to declare dutiable goods correctly in the Bill of Entry, the importer's actions indicate an intent to evade payment of the correct duties on the imported goods. This deliberate omission raises reasonable grounds to believe that the importer wilfully and intentionally concealed dutiable goods, thereby causing a loss to government revenue.

4. **Import Policy Compliance:**

4.1. The importer has declared the goods as PVC Suspension Resin Grade: 266RC in the above said BE. The goods "PVC Suspension Resin Grade: 266RC" are restricted for import as per DGFT Notification No. 25/2026-27 dated 24.07.2026. The government of India has imposed MIP condition for the import of said goods vide DGFT Notification No. 25/2026-27 dated 24.07.2026. The relevant extract of the Notification is as follows:

Notification No. 25/2026-27

4.2. From the above it clearly appears that the goods "PVC Suspension Resin Grade: 266RC" imported vide the above said BE are restricted for import as per DGFT Notification No. 25/2026-27 dated 24.07.2026. The government of India has imposed MIP condition for the import of said goods vide DGFT Notification No. 25/2026-27 dated 24.07.2026. The importer has imported the said goods @ .70 USD/KGS in the BE. By this act the importer has made the goods liable for confiscation under Section 111(d) and 111(m) of the Customs Act, 1962.

6. In view of the above, it appears that: -

(i) The declared CTH of the goods "PVC Suspension Resin Grade" i.e. 39041090 is liable to be rejected and needs to be re-determined as 39041020.

(ii) The declared value of the goods i.e. Rs. 3,65,90,400 imported vide BE No. 3995409 dated 24.09.2026 is liable to be rejected and re-determined the same as Rs. 4,00,92,624/-.

He also submitted that the order was placed well before imposing of the MIP Notification No. 25/2026-27 dated 24.07.2026. He also requested that as the order was placed well before the MIP imposition a lenient and sympathetic view be taken in the matter while imposing the fine and penalty.

Discussion and Findings

8. I find that the importer, M/s. TP Polymer Private Limited (IEC: AAHCT0597P), vide their email/letter dated 29.09.2026 requested to waive SCN & Personal Hearing and requested to decide the matter on merit. In view of the importer's explicit waiver of SCN & Personal Hearing, the principles of natural justice have been duly complied with. Considering the importer's waiver and the availability of all material evidence on record, including the Bill of Entry, packing list, and invoice, the case is ripe for adjudication on merits.

8.1. As the principles of natural justice stand complied with in view of the importer's submission and explicit waiver of SCN & Personal Hearing vide their letter dated 29.09.2026, I now proceed to adjudicate the matter on merits. After going through the facts of the case as brought before me, the following key issues are identified for determination:

(i) Whether the declared classification of the goods imported vide Bill of Entry No. 3995409 dated 24.09.2026 should not be rejected and re-determined or otherwise.

(ii) Whether the declared total assessable value of the goods, i.e. INR 3,65,90,400 imported vide BE No. 3995409 dated 24.09.2026 should not be rejected and re-determined as INR 4,00,92,624/-.

(iii) Whether self-assessment done by the importer in the above said BE should not be rejected and re-assessed under Section 17(4) of the Customs Act, 1962 with applicable duty.

(iv) Whether the goods PVC Suspension Resin Grade: 266RC imported under Bill of Entry No. 3995409 dated 24.09.2026 having re-determined value of Rs. 4,00,92,624 should not be held liable for confiscation under Section 111(d) and 111(m) of the Customs Act, 1962

(v) Whether the importer should not be held liable for penalty under Section 112(a)(i) of the Customs Act, 1962.

8.2. I observe that the proceedings were initiated by Assessment officer on the basis of declaration made in Bill of Entry No. 3995409 dated 24.09.2026 by the importer M/s. TP Polymer Private Limited (IEC: AAHCT0597P). The Bill of Entry was selected for assessment and during the assessment the Officer raised a query regarding imposition of MIP on the said goods vide DGFT Notification No. 25/2026-27 dated 24.07.2026. The importer vides query reply submitted that the BE may be pushed to PAG for adjudication and further necessary action as per The Customs Act, 1962.

8.3. I observe that the importer M/s TP Polymer Private Limited has filed the Bill of Entry No. 3995409 dated 24.09.2026 for import of the goods "PVC Suspension Resin Grade: 266RC under CTH 39041090". The CTH 39041090 is for the goods category "Others". However, the imported goods are PVC Suspension Resin Grade: 266RC which are rightly classifiable under CTH 39041020. The relevant extract of CTH is as below:

3904 POLYMERS OF VINYL CHLORIDE OR OF OTHER HALOGENATED OLEFINS, IN PRIMARY FORMS

3904 10- Poly (vinyl chloride), not mixed with any other substances:

3904 10 10 --- Emulsion grade PVC resin / PVC Paste resin/ PVC dispersion resin

3904 10 20 ---Suspension grade PVC resin kg. 10% -

3904 10 90---Other

From the above, since the imported goods is Suspension Grade PVC Resin. Hence, it, prima facie, appears to classifiable under 39041020 as there is 2nd Triple dash (--) entry of 1st single dash (-) level entry for Polymers of Vinyl Chloride or of Other Halogenated Olefins, In Primary Forms.

8.4. I observe that the inconsistency observed in filing of the Bill of Entry suggests undervaluation of the goods below MIP which made the goods restricted. Accordingly, the value of the imported goods needs to be re-determined.

Determination of valuation:

A) Efforts were made to find out the correct assessable value of the imported goods. Further, NIDB data was analyzed for goods with similar description and country of origin. As the import data extracted with respect to

contemporaneous imports of similar goods was available/found. A lot of importers have cleared the similar goods in range of 767 USD/MTS to 770 USD/MTS. Therefore, the value could be re-determined under Rule 5 of CVR, 2007.

The Government of India has imposed MIP on the said goods vide DGFT Notification No. 25/2026-27 dated 24.07.2026. The goods are restricted if imported in India equal to or below 0.766 USD/KGS. However, the import of the goods is free if CIF value is above .766 USD/KGS. The importer vide letter dated 29.09.2026 requested to enhance the value above MIP i.e. .767 USD/KGS and also requested to release the goods after adjudication process. As per the DGFT Notification No. 25/2026-27 dated 24.07.2026 and importer's request the re-determined value of the goods @ 0.767 USD/KGS is as below:

Sr. No.	**Re-determined Description**	**Total Quantity**	**Measure Unit**	***Unit Price***	***Total Suggestive Average C.I.F. Value (in USD)***	***Total Suggestive Average C.I.F. Value (in INR) $=96.8***
1	PVC Suspension Resin Grade: 266RC	540000	KGS	0.767	414180	40092624
					414180/-	4,00,92,624/-

8.5. I observe that the importer has declared the goods as PVC Suspension Resin Grade: 266RC in the above said BE. The goods "PVC Suspension Resin Grade: 266RC" are restricted for import as per DGFT Notification No. 25/2026-27 dated 24.07.2026. The government of India has imposed MIP condition for the import of said goods vide DGFT Notification No. 25/2026-27 dated 24.07.2026. The relevant extract of the Notification is as follows:

This is issued with the approval of the Minister of Commerce & Industry.

8.6. I observe that as per above discussion it clearly appears that the goods "PVC Suspension Resin Grade: 266RC" imported vide the above said BE are restricted for import as per DGFT Notification No. 25/2026-27 dated 24.07.2026. The government of India has imposed MIP condition for the import of said goods vide DGFT Notification No. 25/2026-27 dated 24.07.2026. The importer has imported the said goods @ 0.70 USD/KGS in the BE which is below MIP price decided by the Government of India. Accordingly, the goods become restricted for import due to non-compliance of above said DGFT notification. By this act the importer has made the goods liable for confiscation under Section 111(d) and 111(m) of the Customs Act, 1962.

8.7. I observe that the goods are liable for confiscation under Section 111(d) and 111(m) of the Customs Act, 1962. In this regard, I find that Section 111 of the Customs Act, 1962 prescribe the confiscation of improperly imported goods. The relevant clauses of Section 111 are reproduced below:

(d) any goods which are imported or attempted to be imported or are brought within the Indian customs waters for the purpose of being imported, contrary to any prohibition imposed by or under this Act or any other law for the time being in force;

(m) any goods which do not correspond in respect of value or in any other particular with the entry made under this Act or in the case of baggage with the declaration made under section 77 in respect thereof, or in the case of goods

under transshipment, with the declaration for transshipment referred to in the proviso to sub-section (1) of section 54.

8.8. From the above, it is evident that the importer has mis-declared the goods in respect of classification and other particulars. The importer had imported the goods which are restricted in nature as per DGFT Notification No. 25/2026-27 dated 24.07.2026. Thus, by these acts of omission and commission, I had held that the importer has rendered the subject goods liable for confiscation under Section 111(d) and 111(m) of The Customs Act, 1962, and also rendered themselves liable for penal action under the provisions of Section 112(a)(i) of the Customs Act, 1962.

8.9. As the impugned goods have been found liable to confiscation under Sections 111(d) and 111(m) of the Customs Act, 1962 (as discussed in para above), it becomes necessary to examine whether redemption fine under Section 125 of the said Act is imposable in lieu of confiscation. The statutory provision reads as under:

> *"Section 125. Option to pay fine in lieu of confiscation.—(1) Whenever confiscation of any goods is authorised by this Act, the officer adjudging it may, in the case of any goods, the importation or exportation whereof is prohibited under this Act or under any other law for the time being in force, and shall, in the case of any other goods, give to the owner of the goods [or, where such owner is not known, the person from whose possession or custody such goods have been seized,] an option to pay in lieu of confiscation such fine as the said officer thinks fit: Provided that... [provisos omitted for brevity]"*

8.9.1. A plain reading of the above provision reveals that the imposition of redemption fine serves as an alternative to confiscation, providing the owner of the goods an opportunity to redeem them on payment of a fine, wherever their clearance is not restricted under any policy or statutory provision.

8.9.2. In the instant case, the declared goods PVC Suspension Resin Grade: 266RC are restricted goods, the RF option is discretionary, as goods are imported below the minimum import price mandated by DGFT Notification No. 25/2026-27 dated 24.07.2026. As per DGFT Notification No. 25/2026-27 dated 24.07.2026, PVC Suspension Resin Grade: 266RC" is restricted, however, import is free, if CIF value is above 0.766 USD/Kg. This procedural violation, unlike absolute prohibitions, permits discretion, as clearance may be feasible post compliance of DGFT

Notification No. 25/2026-27 dated 24.07.2026. The declared goods support a discretionary RF, subject to compliance of DGFT Notification No. 25/2026-27 dated 24.07.2026, to balance regulatory enforcement with release feasibility.

In view of the foregoing, I find and hold that under Section 125(1) of the Customs Act, 1962, goods of the Bill of Entry No. 3995409 dated 24.09.2026 are eligible for release upon payment of a Redemption Fine subject to compliance with DGFT Notification No. 25/2026-27 dated 24.07.2026.

8.10. I observe that the importer has submitted LC copy no. 027LC01261980027 dated 17.07.2026. He also submitted that the order was placed well before imposing of the MIP Notification No. 25/2026-27 dated 24.07.2026. Further, He requested for the adjudication at the earliest.

9. In view of the foregoing discussion and findings, I pass the following order:

Order

(i) I reject the self-assessment made by the importer in Bill of Entry No. 3995409 dated 24.09.2026 under Section 17(1) of the Customs Act, 1962. Further, I order for re-assessment of the said Bill of Entry under the provisions of Section 17(4) of the Customs Act, 1962 with the re-determined classification and value as discussed in para above. The duty arising consequent to such re-assessment shall be payable by the importer.

(ii) I reject the declared assessable value of Rs. 3,65,90,400/- for Bill of Entry no. 3995409 dated 24.09.2026 under Rule 12 of the Customs Valuation (Determination of Value of Imported Goods) Rules, 2007 and order to re-determine the same at Rs. 4,00,92,624/- under Rule 9 ibid, read with Section 14 of the Customs Act, 1962.

(iii) I order to confiscate the goods PVC Suspension Resin Grade: 266RC imported vide Bill of Entry No. 3995409 dated 24.09.2026 having re-determined value of Rs. 4,00,92,624/- under Section 111(d) and 111(m) of the Customs Act, 1962. However, I give an option to the importer to redeem the said goods on payment of a redemption fine of Rs. 2,00,000/- (Rupees Two Lakh only) under Section 125 of the Customs Act, 1962.

(iv) I impose a penalty of Rs. 1,00,000/- (Rupees One Lakh only) upon the importer, M/s. TP Polymer Private Limited (IEC: AAHCT0597P), under Section 112(a)(i) of the Customs Act, 1962.

10. This Order is issued without prejudice to any other action that may be taken against the importer or the goods under the provisions of the Customs Act, 1962 or rules made thereunder or under any other law for the time being in force.
